Ray Carver Interview With Kay Bonetti:

Conversations with Raymond Carver Raymond Carver,1990 The twenty five interviews gathered here several available in English for the first time include craft interviews biographical portraits self analyses wide ranging reflections on the current literary scene

Raymond Carver Carol Sklenicka,2009-11-24 The first biography of america s best known short story writer of the late twentieth century The London Times called Raymond Carver the American Chekhov The beloved mischievous but more modest short story writer and poet thought of himself as a lucky man whose renunciation of alcohol allowed him to live ten years longer than I or anyone expected In that last decade Carver became the leading figure in a resurgence of the short story Readers embraced his precise sad often funny and poignant tales of ordinary people and their troubles poverty drunkenness embittered marriages difficulties brought on by neglect rather than intent Since Carver died in 1988 at age fifty his legacy has been mythologized by admirers and tainted by controversy over a zealous editor s shaping of his first two story collections Carol Sklenicka penetrates the myths and controversies Her decade long search of archives across the United States and her extensive interviews with Carver s relatives friends and colleagues have enabled her to write the definitive story of the iconic literary figure Laced with the voices of people who knew Carver intimately her biography offers a fresh appreciation of his work and an unbiased vivid portrait of the writer

The Visual Poetics of Raymond Carver Ayala Amir,2010-07-17 The Visual Poetics of Raymond Carver draws on the study of visual arts to illuminate the short stories of noted author Raymond Carver in the broader context of vision and visualization in a literary text Ayala Amir examines Carver s use of the eye of the camera technique Amir uncovers the tensions that structure his visual aesthetics and examines assumptions that govern scholarly discussions of his work relating these matters to the complex nature of photography and to the current visual turn of cultural studies The research uses visual approaches to reflect upon traditional issues of narrative study duration dialogue narration description frame character and meaning Amir shows how Carver s visual aesthetics shapes the meaning of his stories while also challenging accepted notions of the boundaries of the literary

Literary Afterlife of Raymond Carver Pountney Jonathan Pountney,2020-04-15 The first major book length study of Carver s cultural influenceThe first major book length study of Carver s cultural influenceExplores Carver s relationships with other contemporary and popular writers and artistsStudies the relationship between the rise of American neoliberalism and Carver s writingThe Literary Afterlife of Raymond Carver examines the cultural legacy of one of America s most renowned short story writers Pountney contextualises Carver s legacy amongst contemporary debates about authenticity and craftsmanship in the neoliberal era drawing new socioeconomic connections between Carver s work and American neoliberalism This study presents new explorations of Carver s relationships with other contemporary writers filmmakers and artists such as Murakami and Irritu shedding fresh light on Carver s influence

The Stories of Raymond Carver Kirk Nisset,1995 Raymond Carver known in some circles as the godfather of minimalism has been credited by many

as the rejuvenator of the once dying American short story Drawing on representative tales from each of Carver s major volumes of fiction Nessel s critical exploration leads us deep into the heart of Carver country an eerie post industrial world of low rent survivors In this comprehensive study of Carver Nessel discusses the relationship of minimalism and postmodern trends and the rise of new realism By locating Carver in the gallery of American letters Nessel shows him to be at once more simple and more complex than we might have believed skillfully laying the groundwork for Carver studies to come BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Carver Chronotope** G.P. Lainsbury,2004-02-24 Raymond Carver s fiction is widely known for its careful documentation of lower middle class North America in the 1970s and 80s Building upon the realist understanding of Carver s work Raymond Carver s Chronotope uses a central concept of Bakhtin s novelistics to formulate a new context for understanding the celebrated author s minimalist fiction G P Lainsbury describes the critical reception of Carver s work and stakes out his own intellectual and imaginative territory by arguing that Carver s fiction can be understood as diffuse fragmentary and randomly ordered Offering a fresh analysis of Carver s body of work this book offers an extensive meditation on this major figure in postmodern U S fiction

The Dialectic of Self and Story Robert Durante,2014-01-14 Informed by selected postmodern theories and cultural criticism this study argues that while American fiction of the 1980s and 1990s bears the outward signs of a return to realism it also evidences recurring themes of postmodernism such as alienation social disintegration personal despair historical dislocation and authorial self reflexivity *Pedagogical Stylistics* Michael Burke,Szilvia Csabi,Lara Week,Judit Zerkowitz,2012-03-29 An exploration of cutting edge international trends in the pedagogy of stylistics illustrating current theory and teaching methods with both empirical data and practical examples *Carver Across the Curriculum* Katherine Ashley,Paul Benedict Grant,2020-05-15 Raymond Carver s canonical status is secure his short stories appear regularly in all of the major literary anthologies and his fiction and poetry are taught at universities around the world Despite this there are few instructional aids to teaching Carver s work at university level and none that take into account the interdisciplinary nature of many modern university courses Carver Across the Curriculum addresses these needs Drawing on the experiences and expertise of a group of international scholars it presents a variety of innovative interdisciplinary approaches to teaching Carver s work at the undergraduate and postgraduate levels The chapters cover a wide range of disciplines including music creative writing translation humor studies food studies the medical humanities and the visual and performing arts As such the collection serves as a guide and a source of inspiration to instructors and offers readers new insights into Carver s fiction and poetry American Culture in the 1970s Will Kaufman,2009-02-19 The 1970s was one of the most culturally vibrant periods in American history This book discusses the dominant cultural forms of the 1970s fiction and poetry television and drama film and visual culture popular music and style public space and spectacle and the decade s most influential practitioners and texts from Toni Morrison to All in the Family from Diane Arbus to Bruce Springsteen from M A S H to Taxi

Driver and from disco divas to Vietnam protesters In response to those who consider the seventies the time of disco polyester and narcissism this book rewrites the critical engagement with one of America s most misunderstood decades Key Features Focused case studies featuring key texts and influential writers artists directors and musicians Chronology of 1970s American Culture Bibliographies for each chapter and a general bibliography on 1970s Culture 14 black and white illustrations
