Life and Letters

JOHN JOLLIFFE

Raymond Asquith Life And Letters

Michael Brock,Eleanor Brock

Raymond Asquith Life And Letters:

Raymond Asquith Raymond Asquith, John Jolliffe, 1980 **The Countryside at War 1914-1918** Caroline Dakers, 2013-09-19 When war broke out in 1914 conscription seemed unnecessary there was no shortage of volunteers ready to lay down their lives for their country In this fascinating book illustrated with contemporary drawings and photographs Caroline Dakers explores exactly what their country meant to the men and women who fought died survived She suggests that with a little subliminal help from literature art and propaganda the British volunteer whether factory worker farm hand or public school boy felt that he was fighting for old England village church meadow and carthorse rather than city factory commerce and motor car Drawing on a wide range of unpublished papers and family archives Dr Dakers recreates the world of the countryside at war There are chapters on agriculture literally the home front and life and death in the manor house vicarage school and farm And while all this was being fought for The French countryside was smashed into a quagmire This is the most complete picture yet of the impact of the First World War on rural England a war which if only in the ubiquitous village war memorials still reverberates across the decades *A Deep Cry* Anne Powell, 2014-10-06 The lives deaths poetry diaries and extracts from letters of sixty six soldier poets are brought together in this limited edition of Anne Powell s unique anthology a fitting commemoration for the centenary of the First World War These poems are not simply the works of well known names such as Wilfred Owen though they are represented they have been painstakingly collected from a multitude of sources and the relative obscurity of some of the voices makes the message all the more moving Moreover all but five of these soldiers lie within forty five miles of Arras Their deaths are described here in chronological order with an account of each man s last battle This in itself provides a revealing gradual change in the poetry from early naive patriotism to despair about the human race and the bitterness of *Dulce et Decorum Est* **Margot Asquith's Great War Diary 1914-1916** Michael Brock, Eleanor Brock, 2014-06-26 Margot Asquith was the wife of Herbert Henry Asquith the Liberal Prime Minister who led Britain into war in August 1914 Asquith s early war leadership drew praise from all quarters but in December 1916 he was forced from office in a palace coup and replaced by Lloyd George whose career he had done so much to promote Margot had both the literary gifts and the vantage point to create in her diary of these years a compelling record of her husband s fall from grace An intellectual socialite with the airs if not the lineage of an aristocrat Margot was both a spectator and a participant in the events she describes and in public affairs could be an ally or an embarrassment sometimes both Her diary vividly evokes the wartime milieu as experienced in 10 Downing Street and describes the great political battles that lay behind the warfare on the Western Front in which Asquith would himself lose his eldest son The writing teems with character sketches including Lloyd George a natural adventurer who may make or mar himself any day Churchill Winston s vanity is septic and Kitchener a man brutal by nature and by pose Never previously published this candid witty and worldly diary gives us a unique insider s view of the centre of power and an introduction by Michael Brock in addition to explanatory footnotes

and appendices written with his wife Eleanor provide the context and background information we need to appreciate them to the full

'Unsinkable' Richard Freeman, 2013-10-01 Unsinkable is the story of a man unjustly vilified Churchill in the First World War His enemies the Tory Party censured him for Antwerp the Dardanelles and Gallipoli He could do no right and was regarded as a dangerous maniac But the true story is quite the opposite This book tells how as a brilliant First Lord of the Admiralty Churchill was ousted by his enemies yet clawed his way back to power against all odds He was the leading critic of senselessly sending men to march towards machine guns but his calls for machines not men went unheeded After a spell in the trenches he returned to London to clear his name over the Dardanelles Then he relentlessly fought his way back to power through his brilliant incisive criticism of the land war Churchill finally became Munitions Minister in 1917 where he pushed output to unimaginable levels His weapons delivered the victory that had eluded others for the previous three years Drawing on the private correspondence of Asquith Churchill Clementine Churchill and others and the diaries of Riddell and Hobhouse author Richard Freeman tells the story of the unsinkable politician and his extraordinary achievements during the Great War

Patrick Leigh Fermor: A Life in Letters Patrick Leigh Fermor, 2017-11-14 The first extensive collection of letters written by war hero and travel writing legend Patrick Leigh Fermor Handsome spirited and erudite Patrick Leigh Fermor was a war hero and one of the greatest travel writers of his generation He was also a wonderful friend The letters in this collection span almost seventy years the first written ten days before Paddy's twenty fifth birthday the last when he was ninety four and the correspondents include Deborah Devonshire Nancy Mitford Lawrence Durrell Diana Cooper and his lifelong companion Joan Rayner The letters exhibit many of Fermor's most engaging characteristics his lust for life his unending curiosity his lyrical descriptive powers his love of language his exuberance and his tendency to get into scrapes particularly when drinking and quite separately driving Here are plenty of extraordinary stories the hunt for Byron's slippers in one of the remotest regions of Greece an ignominious dismissal from Somerset Maugham's Villa Mauresque and hiding behind a bush to dub Dirk Bogarde into Greek during the shooting of *Ill Met by Moonlight* The letters radiate warmth and gaiety many are enhanced with witty illustrations and comic verse while others contain riddles and puns Every one of them entertains

The Woman Before Wallis Andrew Rose, 2013-05-07 From the glittering dance halls of Paris during World War I to the maisons de rendezvous luxurious chateaus in the French countryside The Woman Before Wallis recounts the untold story of Prince Edward's tempestuous affair with a Parisian courtesan and the scandalous aftermath that has remained secret until now Prince Edward was the King of England when he famously abdicated his crown over his love for the American divorcee Wallis Simpson But two decades earlier he was an inexperienced young man stationed behind the lines during World War I socializing with the elite aristocracy of Europe while fellow soldiers were being shelled in the trenches Gradually the awkward young man who was desperate to see action became involved in a very different sort of action when his path crossed with the queen of the Paris demimonde Marguerite Alibert was a beautiful but tough Parisian who had

fought her way up from street gamin to a woman haut de gamme possibly the highest ranking courtesan in Paris She entertained some of the richest and most powerful men in the world from princes to pashas When the inexperienced Prince Edward was introduced to the alluring Marguerite he was instantly smitten After their tumultuous love affair ended Edward thought he was free of Marguerite but he was wrong Several years later Marguerite murdered her husband a wealthy Egyptian playboy by shooting him three times in the back at the Savoy Hotel in London When Marguerite stood trial for murder Edward was at risk of having his affair and behavior during the war exposed What happened next was kept from the public for decades uncovered thanks to exceptional access to unpublished documents held in the Royal Archives and private collections in England and France

Kitchener C. Brad Faught, 2016-02-24 Horatio Herbert Kitchener Earl Kitchener of Khartoum 1850 1916 is one of the most important figures in the history of the British Empire Beginning as Royal Engineer in the 1870s he would end his career over forty years later as Secretary of State for War the iconic figure of World War I recruitment posters In between he became both the most famous British soldier in the world during the peak period of European imperialism and a celebrated and sometimes controversial pro consul and administrator At his death in 1916 he had literally become the face of the British war effort This new biography offers a timely and modern evaluation of a still disputed and complex military man of empire

Fighting Proud Stephen Bourne, 2017-06-30 In this astonishing new history of wartime Britain historian Stephen Bourne unearths the fascinating stories of the gay men who served in the armed forces and at home and brings to light the great unheralded contribution they made to the war effort Fighting Proud weaves together the remarkable lives of these men from RAF hero Ian Glead a Flying Ace twice honoured for bravery by King George VI to the infantry officers serving in the trenches on the Western Front in WWI many of whom led the charges into machine gun fire only to find themselves court martialled after the war for indecent behaviour Behind the lines Alan Turing's work on breaking the enigma machine and subsequent persecution contrasts with the many stories of love and courage in Blitzed out London with new wartime diaries and letters unearthed for the first time Bourne tells the bitterly sad story of Ivor Novello who wrote the WWI anthem Keep the Home Fires Burning and the crucial work of Noel Coward who was hated by Hitler for his work entertaining the troops Fighting Proud also includes a wealth of long suppressed wartime photography subsequently ignored by mainstream historians This book is a monument to the bravery sacrifice and honour shown by a persecuted minority who contributed during Britain's hour of need

British Generalship on the Western Front 1914-1918 Simon Robbins, 2004-12-17 This book explores how British Army learnt from the pyrrhic victories of 1915 17 and developed the new tactics leadership and doctrine of combined arms to overcome the tactical stalemate hitherto bedevilling Allied offensives to defeat the

Reviewing **Raymond Asquith Life And Letters**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
