RCIA Lawrence E. Mick,1989 **The Rite of Christian Initiation** Peter McGrail,2016-02-17 In the wake of recent papal legislation the various liturgies of the Roman Rite may today be celebrated in either their post Tridentine or post Vatican II forms Whilst much discussion of this new situation focuses on purely liturgical issues this book breaks new ground by arguing that the coexistence of the two forms raises questions of a profoundly ecclesiological character Peter McGrail explores the relationship between ritual form ecclesial self understanding and constructs of the world that are at play as adults become members of the Church Analysing the rites by which adults were taken into the Church for three and a half centuries this book goes on to explore attempts to find a new ritual expression for the journey to Christian Initiation set against the divergent and even conflicting ecclesiologies which were at play before and during the Council Real Stories of Christian Initiation David Yamane,Sarah MacMillen,Kelly Culver,2006 Relates real experiences from parishes that have used the Rite of Christian Initiation of Adults in the Roman Catholic Church draws lessons for the church from these experiences Provided by publisher Developing Disciples of Christ Julianne Stanz,2017-10-01 St Pope John Paul II reminds us in Catechesi Tradendae that catechesis is a moment a very remarkable one in the whole process of evangelization In other words catechesis is an essential part of evangelization not something separate from it Therefore it is critically important that catechetical leaders recognize how to effectively catechize in a way that advances the Church s primary mission to evangelize To that end this third volume of The Effective Catechetical Leader will explore a Catholic understanding of evangelization grounded in Scripture and Tradition how the New Evangelization supports and enhances today s catechesis the inseparable nature of content and methodology in catechesis the absolute importance of adult catechesis and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God s word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church **The Role of the Coordinator in Christian Initiation** Donna M.
