Yunah Lee, Megha Rajguru

Re Made In Japan Everyday Life And Consumer Taste In A Changing Society:

Re-made in Japan Joseph Jay Tobin, 1992-01-01 Colonel Sanders Elvis Mickey Mouse and Jack Daniels have been enthusiastically embraced by Japanese consumers in recent decades But rather than simply imitate or borrow from the West the Japanese reinterpret and transform Western products and practices to suit their culture This entertaining and enlightening book shows how in the process of domesticating foreign goods and customs the Japanese have created a culture in which once exotic practices such as ballroom dancing have become familiar and once familiar practices such as public bathing have become exotic Written by scholars from anthropology sociology and the humanities the book ranges from analyses of Tokyo Disneyland and the Japanese passion for the Argentinean tango to discussions of Japanese haute couture and the search for an authentic nouvelle cuisine japonaise These topics are approached from a variety of perspectives with explorations of the interrelations of culture ideology and national identity and analyses of the roles that gender class generational and regional differences play in the patterning of Japanese consumption The result is a fascinating look at a dynamic society that is at once like and unlike our own On the Record Re Japan ,1993 Asian Popular Culture Anthony Y.H. Fung, 2013-05-29 This book examines different aspects of Asian popular culture including films TV music comedy folklore cultural icons the Internet and theme parks It raises important questions such as What are the implications of popularity of Asian popular culture for globalization Do regional forces impede the globalizing of cultures Or does the Asian popular culture flow act as a catalyst or conveying channel for cultural globalization Does the globalization of culture pose a threat to local culture It addresses two seemingly contradictory and yet parallel processes in the circulation of Asian popular culture the interconnectedness between Asian popular culture and western culture in an era of cultural globalization that turns subjects such as Pok mon Hip Hop or Cosmopolitan into truly global phenomena and the local derivatives and versions of global culture that are necessarily disconnected from their origins in order to cater for the local market It thereby presents a collective argument that whilst local social formations and patterns of consumption and participation in Asia are still very much dependent on global cultural developments and the phenomena of modernity yet such dependence is often concretized reshaped and distorted by the local media to cater for the local market **Design and Modernity in Asia** Yunah Lee, Megha Rajguru, 2022-10-20 This new edited volume of critical essays examines designs for modern living in Asia between 1945 and 1990 Focusing particularly on the post World War II and postcolonial years this book advances multidisciplinary knowledge on approaches to and designs for modern living Developed from extensive primary research and case studies each essay illuminates commonalities and particularities of the trajectories of Modernism and notions of modernity their translation and manifestation in life across Asia through design Authors address everyday negotiations and experiences of being modern by studying exhibitions architecture modern interiors printed ephemera literary discourses healthy living movements and transnational networks of modern designers They examine processes of exchange between people

institutions and with governments in and across Asia as well as with the USA and countries in Western Europe This book highlights the ways in which the production and discourses of modern design were underscored by economic advancement and modernization processes and fuelled by aesthetic debates on modern design Critically exploring design for modern living in Asia this book offers fresh perspectives on Modernism to students and scholars *Japanese Tourism and Travel Culture* Sylvie Guichard-Anguis,Okpyo Moon,2008-11-27 This book examines Japanese tourism and travel both today and in the past showing how over hundreds of years a distinct culture of travel developed and exploring how this has permeated the perceptions and traditions of Japanese society It considers the diverse dimensions of modern tourism including appropriation and consumption of history nostalgia identity domesticated foreignness and the search for authenticity and invention of tradition Japanese people are one of the most widely travelling peoples in the world both historically and in contemporary times What may be understood as incipient mass tourism started around the 17th century in various forms including religious pilgrimages long before it became a prevalent cultural phenomenon in the West Within Asia Japan has long remained the main tourist sending society since the beginning of the 20th century when it started colonising Asian countries In 2005 some 17.8 million Japanese travelled overseas across Europe Asia the South Pacific and America In recent times however tourist demands are fast growing in other Asian countries such as Korea and China Japan is not only consuming other Asian societies and cultures it is also being consumed by them in tourist contexts This book considers the patterns of travelling of the Japanese examining travel inside and outside the Japanese archipelago and how tourist demands inside influence and shape patterns of travel outside the country Overall this book draws important insights for understanding the phenomenon of tourism on the one hand and the nature of Japanese society and culture on the other **Escaping Japan** Blai Guarné,Paul Hansen,2017-10-12 The idea that Japan is a socially homogenous uniform society has been increasingly challenged in recent years This book takes the resulting view further by highlighting how Japan far from singular or monolithic is socially and culturally complex It engages with particular life situations exploring the extent to which personal experiences and lifestyle choices influence this contemporary multifaceted nation state Adopting a theoretically engaged ethnographic approach and considering a range of escapes both physical and metaphorical this book provides a rich picture of the fusions and fissures that comprise Japan and Japaneseness today **Childhood in World History** Peter N. Stearns,2021-06-09 Now in its fourth edition Childhood in World History covers the major developments in the history of childhood from the classical civilizations to the present and explores how agricultural and industrial economies have shaped the experiences of children Through comparative analysis Peter N Stearns facilitates a cross cultural and transnational understanding of attitudes toward the role of children in society and how models of childhood have developed throughout history He addresses the tension between regional and social gender differences on the one hand and factors that encouraged greater convergence including the experience of globalization The book also deals with regional patterns as determined by different religious and

cultural systems and family structures It encourages readers to consider the complexity in evaluating childhood patterns in the past in light of more modern conditions and expectations and at the same time to realize some of the problems contemporary children encounter This updated and expanded fourth edition includes Broadened discussions of childhood in Asia Africa and Latin America Additional text on children s play and the impact of immigration More voices from children throughout Updated bibliographies and suggested readings Concisely presented but broad in scope this book will be of interest to students of world history and those involved in interdisciplinary approaches to childhood

The Global Japanese Restaurant James Farrer, 2023 With more than 120 000 Japanese restaurants around the world Japanese cuisine has become truly global Through the transnational culinary mobilities of migrant entrepreneurs workers ideas and capital Japanese cuisine spread and adapted to international tastes But this expansion is also entangled in culinary politics ranging from authenticity claims and status competition among restaurateurs and consumers to societal racism immigration policies and soft power politics that have shaped the transmission and transformation of Japanese cuisine Such politics has involved appropriation oppression but also cooperation across ethnic lines Ultimately the restaurant is a continually reinvented imaginary of Japan represented in concrete form to consumers by restaurateurs cooks and servers of varied nationalities and ethnicities who act as cultural intermediaries *The Global Japanese Restaurant Mobilities Imaginaries and Politics* uses an innovative global perspective and rich ethnographic data on six continents to fashion a comprehensive account of the creation and reception of the global Japanese restaurant in the modern world Drawing heavily on untapped primary sources in multiple languages this book centers on the stories of Japanese migrants in the first half of the twentieth century and then on non Japanese chefs and restaurateurs from Asia Africa Europe Australasia and the Americas whose mobilities since the mid 1900s who have been reshaping and spreading Japanese cuisine The narrative covers a century and a half of transnational mobilities global imaginaries and culinary politics at different scales It shifts the spotlight of Japanese culinary globalization from the West to refocus the story on Japan s East Asian neighbors and highlights the growing role of non Japanese actors chefs restaurateurs suppliers corporations service staff since the 1980s These essays explore restaurants as social spaces creating a readable and compelling history that makes original contributions to Japan studies food studies and global studies The transdisciplinary framework will be a pioneering model for combining fieldwork and archival research to analyze the complexities of culinary globalization

Domesticating the World Jeremy Prestholdt, 2008-01-15 Ingeniously stands the study of globalization and trade on its head Edward Alpers Chair of Department of History UCLA

A History of East Asia Charles Holcombe, 2017-01-11 Charles Holcombe begins by asking the question what is East Asia In the modern age many of the features that made the region now defined as including China Japan Korea and Vietnam distinct have been submerged by the effects of revolution politics or globalization Yet as an ancient civilization the region had both an historical and cultural coherence This shared past is at the heart of this ambitious book which traces the story of East Asia from the

dawn of history to the twenty first century The second edition has been imaginatively revised and expanded to place emphasis on cross cultural interactions and connections both within East Asia and beyond with new material on Vietnam and modern pop culture The second edition also features a Chinese character list additional maps and new illustrations

Re Made In Japan Everyday Life And Consumer Taste In A Changing Society Introduction

In today's digital age, the availability of Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Re Made In Japan Everyday Life And Consumer Taste In A Changing Society versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely

Re Made In Japan Everyday Life And Consumer Taste In A Changing Society

distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Re Made In Japan Everyday Life And Consumer Taste In A Changing Society books and manuals for download and embark on your journey of knowledge?

FAQs About Re Made In Japan Everyday Life And Consumer Taste In A Changing Society Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Re Made In Japan Everyday Life And
