Britain In, 1750-1900 Colin Shephard, Andy Reid, 2000-10 Re Discovering the Past is SHP's ideal series for mixed ability teaching in Key Stage 3 combining clear author text accessible but worthwhile activities and clear lines of enquiry About the series Through this series you can ensure your teaching of National Curriculum History is totally accessible interesting and worthwhile It is based on the Schools History Project's awarding winning series Discovering the Past but for this series SHP have streamlined the content simplified the language scaffolded the tasks while retaining their characteristic emphasis on challenging readers to think deeply and pursue historical enquiry SHP have also provided extensive support for further differentiation through FREE online support material via the Hodder History Nest About this title Re Discovering Britain 1750 1900 provides an accessible textbook for studying the industrial revolution and the growth of empire and trade as part of the revised History National Curriculum Ideas political power industry and empire Britain 1745 1901 It combines overview and depth study Overview How did Britain change between 1750 and 1900 Depth Study 1 The Industrial Revolution Depth Study 2 Empire and trade Depth Study 3 Towns Depth Study 4 The vote Depth Study 5 Victorian values Britain 1750 1900 Special Needs Support Materials and Re Discovering Britain 1750 1900 Teacher's Resource Book are available FREE from the Hodder History Nest The full series Re discovering Medieval Realms 1066 1500 Re discovering the Making of the United Kingdom 1500 1750 Re discovering Britain 1750 1900 Re discovering the Twentieth Century World **Historical Discourse** Caroline Coffin, 2009-03-01 An important analysis of the language of time cause and evaluation in historical texts studied by students at secondary school looking at the implications for making meaning in historical writing **Citizenship** Bhavini Algarra, 2004-06 Book Review Index, 2002 Every 3rd issue is a quarterly cumulation **The Materials of Exchange between Britain and North East America, 1750-1900** Daniel Maudlin, Robin Peel, 2016-03-03 Taking a multidisciplinary approach to the complex cultural exchanges that took place between Britain and America from 1750 to 1900 The Materials of Exchange examines material visual and print culture alongside literature within a transatlantic context The contributors trace the evolution of Anglo American culture from its origins as a product of the British North Atlantic Empire through to its persistence in the post Independence world of the nineteenth and early twentieth centuries While transatlanticism is a well established field in history and literary studies this volume recognizes the wider diversity and interactions of transatlantic cultural production across material and visual cultures as well as literature As such while encompassing a range of fields and approaches within the humanities the ten chapters are all concerned with understanding and interpreting the same Anglo American culture within the same social contexts The chapters integrate the literary with the material offering alternative and provocative perspectives on topics ranging from the child made book to representations of domestic slaves in literature by way of history painting travel writing architecture and political plays By focusing on cultural exchanges between Britain and the north eastern maritime United States over nearly two centuries the collection

offers an in depth study of Britain's relationship with a single region of North America over an extended historic period Contributors have resisted the temptation to prioritize the relationship between New England and England in particular by placing this association within the contexts of Atlantic exchanges with other northeastern states as well as with the South the Caribbean and Scotland Intended for researchers in literature visual and material culture this collection challenges single subject boundaries by redefining transatlantic studies as the collective examination of the complex and interrelated cultural t

Teaching and Learning the Difficult Past Magdalena H. Gross, Luke Terra, 2018-12-07 Building upon the theoretical foundations for the teaching and learning of difficult histories in social studies classrooms this edited collection offers diverse perspectives on school practices curriculum development and experiences of teaching about traumatic events Considering the relationship between memory history and education this volume advances the discussion of classroom based practices for teaching and learning difficult histories and investigates the role that history education plays in creating and sustaining national and collective identities

The Dutch Rediscover the Dutch-Africans (1847-1900) Andrew Burnett, 2022-07-25 Were the Dutch Africans in southern Africa a brother nation to the Dutch or did they simply represent a lost colony Connecting primary sources in Dutch and Afrikaans this work tells the story of the Dutch *stamverwantschap* kinship movement between 1847 and 1900 The white Dutch Africans were imagined to be the bridgehead to a broader Dutch identity a second Netherlands in the south This study explores how the 19th century Dutch identified with and idealised a pastoral community operating within a racially segregated society on the edge of European civilisation When the *stamverwantschap* dream collided with British military and economic power the belief that race language and religion could sustain a broader Dutch identity proved to be an illusion

Religion and Women in Britain, c. 1660-1760 Sarah Apetrei, 2016-04-08 The essays contained in this volume examine the particular religious experiences of women within a remarkably vibrant and formative era in British religious history Scholars from the disciplines of history literary studies and theology assess women's contributions to renewal change and reform and consider the ways in which women negotiated institutional and intellectual boundaries The focus on women's various religious roles and responses helps us to understand better a world of religious commitment which was not separate from but also not exclusively shaped by the political intellectual and ecclesiastical disputes of a clerical elite As well as deepening our understanding of both popular and elite religious cultures in this period and the links between them the volume re-focuses scholarly approaches to the history of gender and especially the history of feminism by setting the British writers often characterised as early feminists firmly in their theological and spiritual traditions
