

5 EASY STEPS TO **Re-enter The WORKFORCE**

1. Invest in a professional resume writer, focusing on job accomplishments as opposed to the job description.

2. Invest the time crafting a compelling profile on LinkedIn, paying attention to key words, career highlights, and job accomplishments.

Use a professional picture with your name and keywords that reflect your skill set in the very top section of your profile. This ensures that your work is being seen by hiring managers who are searching for people like you.

3. Spend time on LinkedIn joining Groups within your area of focus and reach out to connect with hiring managers within your area of discipline. Make a point to "like" and comment on their posts, contributing good information.

4. Spend time looking at companies you would be interested in joining, and sign up for job alerts.

You can also set up Google Alerts, as well as alerts on each company's individual website that you are targeting, so that you are alerted when potential job matches become available.

5. Reach out to everyone that you can think of that knows of your skills and past accomplishments. Express your desire for full-time employment and ask for help in getting your resume in front of hiring managers that may have a need for someone of your caliber.
