Reach Baseball Guide 1891:

Reach Baseball Guide 1891, 1989-08-01 *The reach*, 1912 Labor and Capital in 19th Century Baseball Robert P. Gelzheiser, 2024-03-15 In the late 19th century baseball players broke from the established leagues and organized their own Players League They believed that this rival organization would make wages subject to market conditions and give players more mastery over their careers and industry Although the league lasted only one year it was a significant attempt by skilled workers to break from an established monopoly gain more control over all aspects of their industry and reap a larger portion of the revenues that they created This work explores the early history of professional baseball in the United States the factors that contributed to the player rebellion of 1890 and the rebellion s impact on the player owner relationship in the decade that followed Appendices include a roster of the 1869 Cincinnati Red Stockings players positions and salaries the First Reserve Agreement Section 18 of the Standard Player s Contract and commentary and legal documents pertaining to the Reserve Rule **Baseball in 1889** Daniel Merle Pearson, 1993 National League players planned revolt as the crowds swelled hoping to take advantage of baseball s growing popularity The season became as one sportswriter said something approaching a Lobster Frankenstein nightmare BOOK JACKET *The Publishers Weekly*, 1924 **Nineteenth Century Baseball** Marshall D. Wright, 2004-01-23 In March 1871 ten of the United States most powerful professional baseball clubs met in Brooklyn New York Out of that meeting came the sport s first major league the National Association of Professional Baseball Players The Philadelphia Athletics with a record of 21 7 captured the new circuit s first championship From the National Association through the American League s inaugural season in the final year of the century this work is a year by year statistical history of the teams and players of the nineteenth century s major leagues The teams are listed by league with full rosters and complete statistics for each player An introductory section for each year places the league in historical perspective Exhaustive team and player indexes are also included Heritage Sports Auction Signature Catalog #705 Ivy Press, 2006-09 **Baseball Team Names** Richard Worth, 2013-02-21 Professional baseball is full of arcane team names The Los Angeles Dodgers for instance owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s Residents were trolley dodgers From the Negro Leagues there were the Pittsburgh Crawfords sponsored early by the Crawford Bath House and Recreation Center from the minors the Tucson Waddies slang for cowboy and later the Montgomery Biscuits for the would be concessions staple from overseas the Adelaide Australia Bite a shark reference but also a pun for bight and the Bussum Netherlands Mr Cocker HCAW the sponsoring restaurant chain followed by the acronym for the official team name Honkbalclub Allan Weerbaar This comprehensive reference book explains the nicknames of thousands of major and minor league franchises Negro League and early independent black clubs and international teams from 1869 through 2011 West Virginia Baseball William E. Akin, 2006-07-20 West Virginia sprang into existence as a state in the midst of the Civil War and base ball as it was called then was close on the heels of statehood A game in 1866 hosted by

the Hunkidori Base Ball Club in Wheeling is considered the first match game of Base Ball Some historians contend the game spread via the movement of soldiers who were from urban areas The real roots of baseball are not the romantic image of rural boys in sandlots or lazy father son afternoons It was born and came of age as an urban sport a social pursuit of well heeled young men that in the early days often involved banquets and shows following each game The author traces the history of minor league and independent league baseball in West Virginia Baseball below the minor leagues has a rich and comparatively unexplored history and West Virginia has made substantial contributions to this legacy Chapters examine the chronological history of baseball and the larger economic and cultural changes that have influenced it Eras include baseball as a social game through 1873 the emergence of professional baseball through 1895 its second boom through 1905 the deadball era through 1920 the Martinsburg dynasty 1914 to 1934 as a miners sport 1920 to 1941 the Middle Atlantic League 1925 1942 the Mountain State League 1937 1942 the postwar years 1945 1955 the nadir 1955 1985 and A Minor Miracle 1985 2000 a chapter that heralds a comeback in the popularity of professional baseball The Cooperstown Symposium on Baseball and American Culture, 2019 and 2021 William M. Simons, 2022-05-16 Selected from the two most recent proceedings of the Cooperstown Symposium on Baseball and American Culture 2019 and 2021 this collection of essays explores subject matter centered both inside and beyond the ballpark Fifteen contributors offer critical commentary on a range of topics including controversial decisions on the field and in Hall of Fame elections baseball s historical role as a rite of passage for boys two worthy catchers who never received their due the genesis and development of the minor leagues and baseball s place in popular culture
