Reaching Out To The Unchurched:

Reaching Out to the Unchurched Douglas W. Johnson, 1983 The Courage to Be Protestant David F. Wells, 2008-04
It takes no courage to sign up as a Protestant These words begin this bold new work the culmination of David Wells's long standing critique of the evangelical landscape But to live as a true Protestant well that's another matter This book is a jeremiad against new versions of evangelicalism marketers and emergents and a summons to return to the historic faith defined by the Reformation solas grace faith and Scripture alone and by a high regard for doctrine Wells argues that historic classical evangelicalism is marked by doctrinal seriousness as opposed to the new movements of the marketing church and the emergent church He energetically confronts the marketing communities and their tendency to try to win parishioners as consumers rather than worshipers advertising the most palatable environment rather than trusting the truth to be attractive He takes particular issue with the most popular evangelical movement in recent years the emergent church Emergents he says are postmodern and postconservative and postfoundational embracing a less absolute understanding of the authority of Scripture than traditionally held The Courage to Be Protestant is a forceful argument for the courage to be faithful to what Christianity in its biblical forms has always stood for thereby securing hope for the church's future Do They Run When They See You Coming? Jonathan McKee, 2004 This book educates youth workers and student leaders about teens that aren't making it to church for some reason or another and examines what they think of God of the church and of Christians It goes further to explore the needs of these individuals the subgroups they fit into and the ministry methods they actually respond to **Sunday School That Really Excels** Steve Parr, 2013-06-13 Adult Sunday school can effectively increase the health of a church and foster community and spiritual formation among its participants Sunday School That Really Excels is a revealing look at actual churches with adult fellowships that not only survive but thrive No matter the setting or challenges facing your church this book is highly encouraging and practical Various authors contribute chapters that blend an illustration of an excellent existing Sunday school ministry with scriptural support and leadership principles to enhance your own church's ministry Chapters are devoted to particular situations faced by many churches such as Sunday school in a rural setting on the heels of a crisis in a multicultural community among transition to small groups revitalizing a long established ministry and many others Sunday school expert Steve Parr brings together lessons from the best of the best so that all Sunday school ministries can excel Sunday School That Really Works Steven R.
