Reaching The Urban Poor G. Shabbir Cheema, 1986-04-15 **Policy Programme Options for Urban Poverty Reduction** Franz Vanderschueren, Emiel A. Wegelin, K. Wekwete, 1996-01-01 This paper reviews the specific actions which municipalities and city governments may take in contributing to urban poverty reduction. It highlights examples of issues, options and constraints which urban governments have to address in grappling with poverty and focuses on municipalities and other city level government entities as a critical institutional level on intervention, particularly in addressing issues relating to service delivery. Adapted from the summary of the authors. **Reaching The Urban Poor** G. Shabbir Cheema, G. Shabbir Cheema, 2019-08-16 As urban populations in developing countries continue to grow rapidly, one of the most critical issues in the Third World has become providing shelter and other basic services such as clean water, health clinics and sewage disposal to the urban poor. This book of nine case studies of urban programs and projects in Indonesia, Kenya, Malaysia, Nigeria, Pakistan, South Korea, India and Sri Lanka focuses on impediments to slum upgrading. The authors discuss each project's evolution, the capabilities and resources of implementing agencies, the problems of interagency relationships and coordination, costs and funding, the difficulties of developing effective linkages with poor communities and the accessibility of the new services to the urban poor. **Urban Children in Distress** Cristina Szanton Blanc, 2020-08-26 This book describes how deprived urban children and their families and communities try to cope with scarcity, neglect and discrimination. It communicates the smell, the sweat, the agonies and the occasional triumphs of the poor in their day-to-day struggle for a rightful share of human dignity. **Urban Children in Distress** Cristina Szanton Blanc, 1992 Habitat News, 1992
