Reaching Generation Next Effective Evangelism In Today's Culture:

Reaching Generation Next Lewis A. Drummond, 2002-10-01 Evangelism is at the core of Christianity. It is a life and death matter both for the salvation of individuals and for the continuing growth of the church. Although the message of the gospel never changes, its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture. *Reaching Generation Next* is the perfect guide on how to effectively proclaim the gospel in today's postmodern culture. Both theological and practical, it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize. Veteran evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith. While providing a basic theology of evangelism and stressing the important role of leadership, the book's primary theme is that every believer must become an evangelist. *Reaching Generation Next* is a great resource for evangelism training classes. Each chapter concludes with discussion questions. Also included are sections on spiritual awakening, movements, evangelizing the disabled, and surveys for churches and individuals. **Evangelism**

Today Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes, our methods for communicating it need to adjust to an ever-changing audience. *Evangelism Today* helps believers, whether individually or in groups, share their faith in a culturally relevant way. This book draws on insights from dozens of evangelists, church leaders, and educators to reveal present and future trends of evangelism in America. It explores whether evangelism is still needed and in what form, what the local church's role should be, and where the biggest evangelistic opportunities are emerging. Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book. **Discipling The Next Generation** Dr. David "Dell" Castro, 2021-05-08 The challenge that Victory Outreach International (VOI) is facing at this present time is the transitioning of new leadership. VOI started in the turmoil of the sixties when young people of the United States were confused and searching for identity and purpose in life. They were protesting and demonstrating their ideologies on campuses and in communities throughout the nation. In 1967, in the black ghettos of the country, came the greatest urban riots of American history. Scholarship on Fire Beau K. Brewer, 2021-11-12
