Read Em And Weep A Bedside Poker Companion:

Read 'Em and Weep John Stravinsky,2004 **Cowboys Full** James McManus,2025-09-23 From James McManus author of the bestselling Positively Fifth Street comes the definitive story of the game that more than any other reflects who we are and how we operate Cowboys Full is the story of poker from its roots in China the Middle East and Europe to its ascent as a global but especially an American phenomenon It describes how early Americans took a French parlor game and with a few extra cards and an entrepreneurial spirit turned it into a national craze by the time of the Civil War From the kitchen table games of ordinary citizens to its influence on generals and diplomats poker has gone hand in hand with our national experience Presidents from Abraham Lincoln to Barack Obama have deployed poker and its strategies to explain policy to relax with friends to negotiate treaties and crises and as a political networking tool The ways we all do battle and business are echoed by poker tactics cheating and thwarting cheaters leveraging uncertainty bluffing and sussing out bluffers managing risk and reward Cowboys Full shows how what was once accurately called the cheater s game has become amostly honest contest of cunning mathematical precision and luck It explains how poker formerly dominated by cardsharps is now the most popular card game in Europe East Asia Australia South America and cyberspace as well as on television It combines colorful history with firsthand experience from today s professional tour And it examines poker s remarkable hold on American culture from paintings by Frederic Remington to countless poker novels movies and plays Braiding the thrill of individual hands with new ways of seeing poker s relevance to our military diplomatic business and personal affairs Cowboys Full is sure to become the classic account of America s favorite pastime **Landsman** Peter Melman,2008-03-28 As fictional characters go few embody such striking contradictions as cardsharp Elias Abrams Jewish by birth he joins the Confederate Army during the Civil War Indeed the question of duality runs deep through this novel not only is Elias a Jew defending the right to oppress a people but after he helps to commit a horrific crime he finds himself unexpectedly overtaken by the power of love Exploring themes of literature redemption atonement and love this novel delivers a startling dose of moral ambiguity keen insights into the human condition and unexpected moments that devastate with their casual simplicity **Gambling with the Myth of the American Dream** Aaron M. Duncan,2015-03-02 This book explores the rise and increased acceptance of gambling in America particularly the growth of the game of poker as a means for examining changes to the American Dream and the risk society Poker both critiques and reinterprets the myth of the American Dream putting greater emphasis on the importance of luck and risk management while deemphasizing the importance of honesty and hard work Duncan discusses the history of gambling in America changes to the rhetoric surrounding gambling the depiction of poker in the Wild West as portrayed in film its recent rise in popularity on television its current place in post modern America on the internet and future implications **Poker and Philosophy** Eric Bronson,2012-03-30 Does God play cards with the universe Do women have better poker faces than men What s the most existential poker movie ever made Is life more meaningful when

you go all in Is online poker really still poker Poker and Philosophy ponders these questions and more pitting young lions against old masters as the brashness of Phil Hellmuth meets the arrogance of Socrates the recklessness of Doyle Brunson challenges the desperation of Dostoyevsky and the coolness of Chris Moneymaker takes on the American tradition of capitalist ingenuity This witty collection of essays demonstrates what serious card sharks have long known winning big takes more than a good hand and a straight face Stacking the metaphorical deck with a serious grounding in philosophy is the key to raking it in because as Machiavelli proved long ago it s a lot better to be feared than loved and lying is not the same as cheating

The Short Writings of Nelson Algren Richard F. Bales, 2022-09-15 Nelson Algren was a renowned Chicago writer known for his social commentary and his novels like *The Man with the Golden Arm* and *A Walk on the Wild Side* Although he continues to be remembered almost exclusively for his novels this book aims to highlight the value and influence of his short form works Before he died in 1981 Algren had amassed a genre defying body of work including short stories articles poems and book reviews The present book features a comprehensive analysis and discussion of Algren s lost literature including everything but his novels One of the pieces covered is a masterpiece of race relations written in 1950 more than 60 years before the galvanization of the Black Lives Matter movement Another is a scathing poem about Algren s transatlantic love affair with Simone de Beauvoir Both items are reprinted in the book courtesy of the Algren estate This book also includes references to Algren s works that have yet to be studied by Algren scholars
