Psalm LXIV-Malachi William Jenks, 1847 The Readers' Digest Bible Bible, Bruce Manning (editor) Metzger, Bruce Manning Metzger, 1989 A Bible for Today Robert P. Vande Kappelle, 2022-09-02 If you ever wished to read through the Bible but hit a snag along the way this book is for you for it presents an ideal opportunity to become intimately acquainted with the biblical message and storyline while providing momentum for even the most skeptical and hesitant reader If you can commit fifteen to twenty minutes a day and are willing to stick to the schedule presented in this book in less than a year you can read through the Bible and know you have acquired a basic grasp of its individual and overall message Aggressive readers can complete the task in half the time if they wish to double the time commitment or split their reading into two fifteen minute blocks a day Those who follow this method will find that the readings reduce the Old Testament by 44 percent and the New Testament by 32 percent for a total reduction of 41 percent of the biblical text To counter immature skewed or harmful attitudes regarding scripture A Bible for Today offers an approach to biblical reading and study that is valid inspiring and practical It does so by eliminating not only repetitive passages but also blocks of material that modern readers wishing to build on a Christian foundation find ponderous lengthy and no longer applicable In contrast to most abridgments and condensations of scripture this volume provides a logical sequence of readings that students of scripture can follow in whatever version they select acquainting themselves with essential biblical passages and teachings in less than a year s time In addition this book provides introductory overviews to each book of the Bible succinct enough to be readable yet literarily historically and theologically reliable and informative Reader's Digest Atlas of the Bible Harry Thomas Frank, 1981 Narrative maps photos and other illustrations place Bible stories in a historical geographic framework Includes a gazetteer of around 900 biblical place names *Bibles and Other Scriptures in Special Media* , 1983 *Eerdmans Commentary on the Bible: Haggai, Zechariah, Malachi* John W. Rogerson, M. Daniel Carroll R., 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Rogerson and Carroll R s introduction to and concise commentary on Haggai Zechariah and Malachi The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions The Comprehensive Commentary
