Reading Chekhov's Text:

Reading Chekhov's Text Robert L. Jackson, 1993-08-01 *Reading Chekhov's Stories in Russian* Mark R Pettus, 2021-01-15

Nine of Chekhov's most powerful and thought provoking short stories are included here in the original Russian and in a facing English translation together with all the vocabulary notes and reference tables you need to make sense of Chekhov's original texts. Designed to help students of Russian begin to enjoy real Russian literature in the original without constantly reaching for a dictionary, this parallel text edition features a new translation made specifically for this purpose as well as detailed Russian vocabulary notes including all the important forms you need especially aspectual pairs and conjugation types for all verbs. The original Russian text is marked for stress but is otherwise unedited and unsimplified. The short stories included in this volume are: The Death of a Clerk how is a bureaucrat killed by a sneeze The Student a moving vignette about both timeless meaning and transient youthful idealism A Little Joke an innocent joke takes on unimagined proportions if our narrator is to be believed that is Sleepy a servant girl deprived of sleep is pushed to the brink of madness Rothschild's Fiddle a deeply moving tale of intolerance memory and reconciliation through music Anna Round the Neck a young woman is forced to marry an older man for his money but will she turn the tables Gusyev a peasant soldier and an intellectual representing starkly different perspectives on life await death in a steamship sickbay The Lady with the Little Dog a couple finds love and all of the anguish that sustaining it often entails and Ward No 6 a harrowing story of a provincial doctor and his patients this unforgettable work is surely one of the most powerful treatments of madness and medical ethics indeed ethics is general in all of world literature

unforgettable work is surely one of the most powerful treatments of madness and medical ethics indeed ethics is general in all of world literature About the Author Mark Pettus holds a PhD in Slavic Languages and Literatures from Princeton University Altogether he s spent around six years living studying and working in Russia Today he is a lecturer in Slavic Languages and Literatures at Princeton Mark is the author of the Russian Through Propaganda textbook series Books 1 and 2 and its continuation Russian Through Poems and Paintings Books 3 and 4 He is now working on additional books for students of Russian including the Reading Russian series of which the present volume is a part Check out www.russianthroughpropaganda.com for a variety of resources for students of Russian language literature and culture

Chekhov's Letters Carol Apollonio,Radislav Lapushin,2018-10-15 Of the thirty volumes in the authoritative Academy edition of Chekhov s collected works fully twelve are devoted to the writer s letters This is the first book in English or Russian addressing this substantial though until now neglected epistolary corpus The majority of the essays gathered here represent new contributions by the world s major Chekhov scholars written especially for this volume or classics of Russian criticism appearing in English for the first time The introduction addresses the role of letters in Chekhov s life and characterizes the writer s key epistolary concerns After a series of essays addressing publication history translation and problems of censorship scholars analyze the letters generic qualities that draw upon variously prose poetry and drama Individual thematic studies focus on the letters as documents reflecting biographical cultural and philosophical issues The book culminates in a collection of short at times lyrical essays by eminent scholars and writers addressing a particularly memorable Chekhov letter Chekhov s Letters appeals to scholars writers and theater professionals as well to a general audience

Interpreting Chekhov's Prose Leonard A. Polakiewicz,2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov s prose A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in depth investigation that Chekhov himself rightfully considered to be masterpieces Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars Works examined include those dealing with Chekhov s astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms These works are shown to be not mere clinical studies but genuine impressive works of art The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time Many of these works reveal an indisputable symbiosis of the doctor and the artist Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist a fitting description of him as well Doctors the most frequently portrayed characters in Chekhov s oeuvre are appropriately subjected to extensive analysis as are the themes of fate and death and dying that figure so prominently in Chekhov s work Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as The Island of Sakhalin a narrative of non fictional sociological

content *Reading Chekhov's Plays in Russian* Mark Pettus, 2022-07-20 In a format designed to help students of Russian begin enjoying real Russian literature in the original this volume includes two of Anton Chekhov's timeless masterpieces of the Russian stage *Uncle Vanya* the tale of an epic existential meltdown on a country estate and *The Cherry Orchard* a saga of family trauma and dysfunction set against a near apocalyptic backdrop of radical social change The complete text of both plays is presented in the original Russian with a facing English translation together with all the vocabulary notes and reference tables you need to enjoy Chekhov in Russian Touching on a range of themes and emotions from regret and resentment to hope love and mercy to uncannily prescient fears of climate change these plays are funny profound and moving and bear witness on every page to the objectivity and compassion that Chekhov strove to cultivate as an observer of human experience Designed to help students of Russian begin to enjoy real Russian literature in the original without constantly reaching for a dictionary this parallel text edition features a new translation made specifically for this purpose as well as detailed Russian vocabulary notes including all the important forms you need especially aspectual pairs and conjugation types for all verbs The original Russian text is marked for stress but is otherwise unedited and unsimplified

Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Performing Emotions* Peta Tait, 2017-07-05 In *Performing Emotions* Peta Tait's central argument is that performing emotions in realism is also performing gender identity Emotions are phenomena that are performable by bodies which have cultural identities In turn these create cultural spaces of emotions This study integrates scholarship on realist drama theatre and approaches to acting with interdisciplinary theories of emotion phenomenology and gender theory With chapters devoted to masculinity and femininity specifically as well as to emotions generally it investigates social beliefs about emotions through Chekhov's four major plays in translation and English language commentaries on Constantin Stanislavski's direction of the play's first productions and his approaches to acting and Olga Knipper's acting of the central women characters Emotions exists as social relationships they are imagined and embodied as gendered Tait demonstrates how theatrical emotions are predicated on social performances and vice versa In Chekhov's plays which came to dominate a twentieth century theatre of emotions characters interpret their emotions intertextually in relation to other theatrical and fictional narratives of emotions Tait here interrogates these plays as sustained explorations of the inherent theatricality of characters expressing emotions from their phenomenological awareness A theatrical language of gendered interiority is produced in the acting of emotions in Stanislavski's early realistic theatre Alternatively remapping the performances of emotional bodies can destabilise the culturally constructed boundary separating an inner private self and an outer social self in culturally produced geographies of emotions As Tait shows emotions can be performed as indivisible spatialities *Performing Emotions* integrates theories of theatre gender identity and

emotion to investigate how sexual difference impacts on the representations of emotions The book develops an accumulative analysis of the meanings of emotions in twentieth century realist drama theatre and acting The American Theatre Reader Staff of American Theatre Magazine,2009-05-01 Essential reading for theater professionals and theatergoers alike With over 150 contributors **The American Theatre Reader** Edited By The American Theatre Magazine,2010-06 All of us have immense inner resources for dealing with what life throws at us but we have to learn how to release those resources We can't always control what life sends us but we can choose how we respond And that Easwaran tells us is mainly a matter of quieting the agitation in the mind It's a simple idea but one that goes deep a truly calm mind can weather any storm And we learn to calm the mind through practice there's no magic about it This book offers insights stories practical techniques and exercises that will help us release the energy compassion and wisdom we need to ride the waves of life minute by minute day by day
