To John, there are no tickets left for the theatre on Friday, but you can check tomorrow. Some people may cancel their booking.

Rye,

Mrs Jones,
I just wanted to remind you to tell the children to wait near to the pool quietly until you tell them to get in.
Thanks,

We all look forward to going on holiday to relax for a while. But sometimes holidays can be stressful. Here are some ideas to make sure you have a stress free trip.

- Before you even start packing, write down everything you will need to take with you, including your passport and any other travel documents. Try to make sure you only include things that you really need.
- If you have to be at the airport very early in the morning, make sure that you and your family get some sleep before you set off. You should get at least 6 hours sleep before travelling. There's nothing worse than travelling with everyone in a bad mood and the kids crying.
- Leave yourself some time to have something to eat before setting off for the airport, too. It could be many hours before you get a chance to have a proper meal. Yes, you can always find something to eat at the airport but the food will probably be low quality and highly expensive!

- Don't Go Hungry
- Make a List
- A Good Suitcase
- Have a Good Rest

3. Match the headings to the paragraphs.

- You can listen to the radio on the internet, too. Check out the website at www.icradio.com. You can listen to the shows, read reviews of concerts and download all the recent playlists from our music programmes.
- Why not get involved, too? If you fancy the idea of becoming a music reviewer for the station, just get in touch through the website. Being a reviewer is a great chance to listen to free CDs and attend free concerts.

- Get it online, too
- The studio address
- Take part yourself!
- A range of shows

Hi John,

How was your weekend? Did you do anything exciting? Well, I visited Madame Tussaud's yesterday and I can't wait to tell you all about it!

They make the statues from wax and other materials but they are very realistic. They looked so alive that sometimes I couldn't tell the real people from the wax people!

I saw statues of presidents and kings, politicians and athletes, writers and television stars. But the best part of all was when I went down to the Chamber of Horrors. There were all kinds of scary things there. There was a guillotine ready to chop off a head, and even an electric chair. I didn't stay long in that room!

I was thinking that we could go to the museum together next time you are in England. Write soon and tell me your news.

Tom
