Adventure Lorne W. P. VanDerwoude, 2013 Everybody has a story Not everybody has the desire or ability to write their story down In one hand I had a pen with a pad in the other This is a story which I have never shared with anyone My mind went back to where my adventure first began I first met her as an adult while I was crossing that football field which I had walked across for many months What happened that night was the start of an adventure which I will never forget as long as I have a memory This adventure was like a thrill ride which kept on going up and down then ending in a way that I never thought would ever happen to me This is my story This story begins with an event which changed the path which my life was travelling on I dare you to come along for the ride on the most thrilling experience of my life *One Way, One Truth, One Life* Lorne W.P Vanderwoude, 2016-06-22 There seems to be so many doctrines out there This is my story and my journey to how I came to the real truth amidst so many doctrines that are out here in this world There are so many doctrines but there is only one Holy Spirit I believe to have the answer to why there are so many doctrines out there in the Christian world I will share with you my story of how I got involved in the Christian faith and my understanding of the various doctrines which are out there in the Christian world today I do invite every person who has the desire to find out what the real truth is to join me on my journey and hear my story along with my understanding of the real truth in various doctrines in the Christian faith I do ask you that you let Christ be the judge of what I believe and Christ alone I do dare you to come for the ride of your life I am sure that you will not regret your decision to join us for this adventure **R.
