Boris Pasternak

Rubkie Pisateli Poety Sovetskii Period Biobibliograficheskii Ukazatel Tom 18 B Pasternak:

Selected Poetry of Boris Pasternak Boris Pasternak, 2022-10-07 Boris Pasternak was a Nobel Prize and great modern Russian poet and writer. Pasternak's first book of poems *My Sister Life* 1917 is one of the most influential collections ever published in the Russian language. When it finally was published in 1921, the book revolutionised Russian poetry. It made Pasternak the model for younger poets and decisively changed the poetry of Osip Mandelstam, Marina Tsvetayeva and others. He continued to change his poetry, simplifying his style and language through the years, as expressed in his next book *Early Trains* 1943. Pasternak's post-Zhivago poetry probes the universal questions of love, immortality and reconciliation with God. Boris Pasternak wrote his last complete book *When the Weather Clears* in 1959. Pasternak was awarded the Nobel Prize for Literature in 1958, an event which both humiliated and enraged the Communist Party of the Soviet Union, which forced him to decline the prize, though his descendants were later to accept it in his name in 1988. *Boris Pasternak: Volume 1, 1890-1928* Christopher Barnes, Boris Leonidovich Pasternak, 1989-11-09 This authoritative new biography of the Russian poet and prose writer Boris Pasternak is the first part of a two-volume set covering the period 1890-1928. Drawing on archives and many eyewitness accounts, Barnes's study sheds light on currently unexplored aspects of Pasternak's character and family background and his artistic, social and historical environment. He combines biographical investigation with detailed textual analysis of translated quotations in verse and prose to reveal the source of Pasternak's extraordinary writings. The book examines a wide range of topics that include his musical enthusiasm and relations with Scriabin, his philosophical studies, his activities in World War I and his response to the 1917 revolutions and his stance as a liberal artistic intellectual in the 1920s.
