Saint Therese Of The Child Jesus 1873-1897:

Thoughts of the servant of God, Thérèse of the Child Jesus De Lisieux Saint Thérèse, 2025-03-02 Thoughts of the Servant of God Thérèse of the Child Jesus is a profound exploration of spirituality encapsulating the essence of Thérèse's deeply contemplative nature within a series of meditative reflections. Written in a lyrical and prayerful style, this work navigates the delicate interplay between human experience and divine grace, demonstrating her renowned Little Way, a concept emphasizing simplicity, humility, and childlike trust in God. The text is steeped in the Catholic literary tradition of the late 19th century, presenting a poignant and accessible guide for those seeking spiritual nourishment amid life's complexities. Saint Thérèse of Lisieux, often celebrated for her profound yet relatable spirituality, was a Carmelite nun whose life was marked by a desire for love and servitude. Her experiences in the convent and the trials of illness and spiritual longing she faced shaped her writings. Recognized as a Doctor of the Church, her theology, woven from personal experience and reflection, resonates with many who seek a deeper connection to their faith. This book is highly recommended for readers interested in spirituality, particularly those seeking inspiration in their faith journey. Thérèse's insights serve as an invitation to embrace the simplicity and depth of God's love, making it an essential read for both spiritual seekers and seasoned practitioners alike.

St Thérèse de L'Enfant Jésus, 1873-1897 August Pierre Laveille, 1928 *Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World* Enzo Lodi, 2017-08-31 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women, we read: "In their lives on earth you give us an example; in our communion with them you give us their friendship; in their prayer for the Church you give us strength and protection." Moreover, as the Second Vatican Council put it, "every act of love offered by us to those who are in heaven tends to and terminates in Christ, the crown of all the saints, and through him in God, who is wonderful in his saints and is glorified in them." This book then should be a welcome addition to the ever-increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation. **Children, Adults, and Shared**
