Saints And Sisterhood The Lives Of Fortyeight Holy Women

George Matsoukas, Stephen J. Sfekas

Saints And Sisterhood The Lives Of Fortyeight Holy Women:

Saints and Sisterhood Eva C. Topping,1990-01-01 Forgotten Desert Mothers, The Swan, Laura,2022 In The Forgotten Desert Mothers Laura Swan introduces readers to the sayings lives stories and spirituality of women in the early Christian desert and monastic movement from the third century on In doing so she finally sets the record straight that women played an important and influential role in early Christianity indeed a role that has been long overshadowed by men She begins with an exploration of the historical context and spirituality of the desert ascetics Then she weaves together the sayings of the major desert ammas or mothers along with commentary that invites readers to reflect on their own spiritual journey as they share their wisdom The book then journeys between desert monastery and city to reveal the stories of ascetics and solitaries whose stories are rarely heard organized in the author s own alphabetical collection The Forgotten Desert Mothers demonstrates like no other work that women have long had a history of leadership in Christianity This engaging eye opening and insightful work targets all faith seekers looking to reclaim the history and spirituality of the women who came before them as well as to understand their own inner journey It will be a welcome addition to courses on early church history women s studies and religious studies The Invisible Women Sister Sandra Makowski,2017-03-21 The Invisible Women begins with the retelling of the Gospel account of the multiplication of the loaves and fishes the miracle most familiar to Christians Marks account tells us that five thousand men were fed However Matthews account adds a phrase that changes the whole story Five thousand men were fed not counting women and children This is where this book takes off Page after page presents us with the incredible fact that women throughout scripture and church history went unnamed and unnoticed But the women are there in incredible numbers in the Old Testament and New Testament in miracle accounts in stories of bravery and wisdom They are there as teachers prophets judges healers deacons Yet the passages proclaiming them are either excised from the lectionary or left out altogether This book traces the gender inequality in the church since the time of the early church fathers as well as the 1917 Code of Canon Law the Second Vatican Council and the 1983 Code of Canon Law It explores the consistent pattern of women being unnamed and unnoticed The author declares that it is now time to acknowledge and celebrate these forgotten women and to challenge one another and our church to also count them as equally effective leaders in the church Men and women together are needed in order to live out the true message of equality and inclusivity which has always been the message of the Gospel The Samaritan Woman's Story Caryn A. Reeder,2022-02-15 Most Christians are familiar with this picture of the woman at the well a sinner an adulteress even a prostitute Exploring the reception history of John 4 Caryn Reeder challenges common interpretational assumptions about women and sexuality yielding fresh insights from the story s original context and offering a bold challenge to teach the Bible in a way that truly values the voices of women The Woman at the Well Janeth Norfleete Day,2021-10-11 The theme of the book is that by integrating traditional historical methods of interpretation with more recent literary and sociological methods

it is possible to propose an alternative understanding of the character and role of the Samaritan woman in John 4 The contents include a survey of the interpretive tradition concerning the Samaritan woman in the church s exegesis in artistic renderings and in literary compositions from the Patristic Period until the Modern Era The book concludes with the author s alternative interpretation which proposes a pious Samaritan woman vs the traditional immoral one This book is useful as a model for a synthetic approach to biblical interpretation that utilizes both historical and more contemporary methods Additionally it demonstrates one possible avenue by which biblical and theological scholars can participate in interdisciplinary studies **The Life and Regimen of the Blessed and Holy Syncletica, Part One**

Pseudo-Athanasius,2005-11-01 The life of Syncletica is one of the oldest lives of a woman saint and provides rare testimony to the life of female sanctity in the fifth century This translation of the life forms Part One of a two part set while Part Two provides the first full length study of the teachings and spiritual background of this most remarkable woman Anchored firmly in the Scriptures and in everyday human experience Syncletica s teachings are as pertinent today as they were fifteen centuries ago Her meditations based on astute psychological insights still have the power to inspire to encourage and to challenge latter day disciples to live authentic Christian lives **Women of Courage** Debra Evans,2000-09-21 Evans celebrates women whose spiritual valor made a difference in the world in which they lived offering an abundance of role models for contemporary Christian women Using resplendent examples from the Old and New Testaments saints biographies church history and contemporary women Evans explores six traits of courage as viewed in the stories of biblical women humility patience trust vision love and vocation A Cloud of Witnesses Bishop Demetri Khoury,2008-07-15 Bishop Demetris book Saints and Martyrs from the Holy Land is a great contribution to our Orthodox religious library and all those who are interested in the lives of the saints Bishop Demetri was fortunate to be born not far from the gates of the holy city of Jerusalem He walked where Jesus walked and breathed the same air which Jesus breathed He spent his childhood in the shadow of Bethlehem Nazareth Mount Tabor Calvary and the empty tomb Palestine is a land of prophets apostles saints martyrs and church fathers We commend Bishop Demetri for writing this volume and we recommend it to all readers Orthodox and non Orthodox alike Metropolitan PHILIP Primate Antiochian Orthodox Christian Archdiocese of North America This huge volume is arranged chronologically with lives of prophets martyrs apostles monastic many with small icons Dismissal Hymns and Kontakia and includes the service to All Saints in Palestine for the 2nd Sunday after Pentecost Presented in a modern narrative way the hundreds of lives range from a paragraph to 5 pages in length It is a handy source for information about the prophets and apostles the 12 and the 70 about whom it is sometimes difficult to find quick information There is an extensive glossary and listing of the Synaxarion of the Church of Jerusalem The Runners Paula Kolstad,2025-09-02 Hagar Moses and David fled Jacob was told to flee Elijah and Jonah ran Each had their reasons and their stories are brimming with lessons that can guide us in running the race God has uniquely designed for us Through the Bible s

inspired accounts Paula Kolstad shares a glimpse of the struggles and choices written not with exhaustive detail but with relatable circumstances that resonate with our own lives This study will explore the events that led to their flight the decisions they made and the lessons God has woven into their journeys These inspired stories combined with the reader's own reflections will lead to points of application so each one can live out their faith boldly to run their race in such a way as to get the prize *Calendarul Solia* ,2000 *Journal of Dharma* ,2001 **A Cloud of Witnesses** Marcel Barnard,Paulus Gijssbertus Johannes Post,2005 From 11 to 16 August 2003 the nineteenth international congress of the Societas Liturgica was held in Veldhoven the Netherlands with as its theme A cloud of witnesses Saints and role models in Christian liturgy The present publication contains a collection of nineteen case studies reflecting the versatility of the congress in its variations and themes its scope in time from early Christian times to the present day and the fact that many churches and religious communities as well as the Jewish tradition are represented The collection contains a number of articles that reflect on subjects like the phenomenon of saintliness heortology the dimensions of time and space in ritual liturgical practice and saints and canonizations in the present day Roman Catholic and Protestant church The last section consists of contributions on saints and forms of saint's cult by a number of authors based on their own religious communities such as the Old Catholic Church Anglican Church Dissenting Free Church Reformed Church and ecumenical movement The editors of this collection have by way of an introduction compiled a historiographic bibliographic overview relating to saints and their cults in various research domains specifically within liturgical studies also touching upon certain specific and for this collection interesting themes such as the position of the cult of saints in cultural and historical studies Protestant traditions and the Feminist Liturgical Movement **The Life of the Blessed & Holy Syncletica: The translation** Pseudo-Athanasius,Mary Schaffer,2003 The life of Syncletica is one of the oldest lives of a woman saint and provides rare testimony to the life of female sanctity in the fifth century This translation of the life forms Part One of a two part set while Part Two provides the first full length study of the teachings and spiritual background of this most remarkable woman Anchored firmly in the Scriptures and in everyday human experience Syncletica's teachings are as pertinent today as they were fifteen centuries ago Her meditations based on astute psychological insights still have the power to inspire to encourage and to challenge latter day disciples to live authentic Christian lives Back cover **The Samaritan Woman** Myron R. Ratkowski,Fulton J. Sheen,Edith Deen,Nicholas King,Ray Bradbury,2005-10 This book touches on many subjects in an eclectic manner not following any one system Environmentally it is the history of water The Samaritan woman is just one person used to get across the difficulty in securing clean cool water in the desert The story tells how water has served man in the arid eastern desert up to the present day's high standards The story of water without including the practices of worship with water would emasculate the truth and sense of it all Each essayist brings to the book his or her biography coupled with a point of view different than the rest Poetry art drama history and science all come back to the use of water Water is the common

denominator **Gladsome Rose** Irene Vodantis Lafakis,1995 *Studia Liturgica* ,1995 **A Guide to Greek Traditions and Customs in America** Marilyn Rouvelas,1993 A clear and comprehensive guide to the religious and secular life of the Greek American community including naming a baby planning a baptism observing name days baking communion bread buying popular Greek music what to say in Greek on special occasions and much more **Passionate Holiness** Dennis O'Neill,2018-09-20 Archbishop Desmond Tutu of Cape Town once said with regard to South Africa s apartheid policy One of the ways of helping to destroy a people is to tell them that they don t have a history that they have no roots More recently he described homophobic discrimination as totally unacceptable and unjust as apartheid ever was Unfortunately it has been particularly difficult for some gay lesbian bisexual and transgender Christians to remain connected to identify with their own faith traditions because some of these traditions not only treat them as people of secondary status but also teach Christian history as though no people of same gender attraction or opposite gender identity had any noteworthy place in it and made no significant contributions at all to Christian tradition *Passionate Holiness* tries to remedy this situation by explaining why acquaintance with the stories of certain saints with whom gender minorities can identify can help them to connect with their own history and spiritual legacy and empower them to face a brighter future with a sense of optimism and inclusion

Mary Magdalene and the Drama of Saints Theresa Coletti,2013-11-15 A sinner saint who embraced then renounced sexual and worldly pleasures a woman who through her attachment to Jesus embodied both erotic and sacred power a symbol of penance and an exemplar of contemplative and passionate devotion perhaps no figure stood closer to the center of late medieval debates about the sources of spiritual authority and women s contribution to salvation history than did Mary Magdalene and perhaps nowhere in later medieval England was cultural preoccupation with the Magdalene stronger than in fifteenth century East Anglia Looking to East Anglian texts including the N Town Plays *The Book of Margery Kempe* *The Revelations of Julian of Norwich* and *Bokenham s Legend of Holy Women* Theresa Coletti explores how the gendered symbol of Mary Magdalene mediates tensions between masculine and feminine spiritual power institutional and individual modes of religious expression and authorized and unauthorized forms of revelation and sacred speech Using the Digby play *Mary Magdalene* as her touchstone Coletti engages a wide variety of textual and visual resources to make evident the discursive and material ties of East Anglian dramatic texts and feminine religion to broader traditions of cultural commentary and representation In bringing the disciplinary perspectives of literary history and criticism gender studies and social and religious history to bear on specific local instances of dramatic practice *Mary Magdalene and the Drama of Saints* highlights the relevance of Middle English dramatic discourse to the dynamic religious climate of late medieval England In doing so the book decisively challenges the marginalization of drama within medieval English studies elucidates vernacular theater s kinship with influential late medieval religious texts and institutions and articulates the changing possibilities for sacred representation in the decades before the Reformation **Project for Orthodox Renewal** George Matsoukas,Stephen J.

Sfekas, 1993
