Semialignment And Western Security:

Semialignment and Western Security Nils Ørvik, 2021-01-26 This book first published in 1986 is a major study of semialignment and a review of the individual nations within NATO to which the model could be applied Towards the end of the Cold War there arose within NATO this intermediate category between alignment and nonalignment whereby a member state enjoyed the status and facilities of NATO membership while disassociating itself from certain NATO programmes This book analyses the phenomenon and the possibility that it weakened the credibility of NATO deterrence and the defence posture versus the Soviet Union

Emerging Dimensions of European Security Policy Wolfgang F. Danspeckgruber, 2019-04-08 This book represents an overview of European security affairs as of 1989 1990 It deals with fundamental theoretical and political strategic considerations looks at arms control developments and examines European defense economies and military industrial capabilities of U S

Counterweights Roy Anthony Rempel, 1996 A policy analyst for the Government of Newfoundland and Labrador charges that Canadian bi lateral defense relations with Germany have been ad hoc ill considered and badly implemented because decision makers have been ignorant of the important role played by the military in supporting broader policy goals Canadian card order number C96 990022 8 Annotation copyrighted by Book News Inc Portland OR

National Security and International Relations (Routledge Revivals) Peter Mangold, 2013-10-14 First published in 1990 National Security and International Relations provides a concise analysis of the problem of national security in the twentieth century It examines the criteria by which states decide what level of security they want to seek in an uncertain and essentially Hobbesian world and why some states tend to underinsure while obsessively insecure states overinsure frequently making others more insecure in the process In the wake of two world wars and the threat of nuclear destruction Peter Mangold argues that war was becoming as much a source of insecurity as the intentions of other states It then explores the different approaches attempted during the twentieth century to ameliorate or ideally escape from the security dilemma These range from international regimes to the restructuring of the international politics of Western Europe so as to substitute cooperation for conflict and U S and Soviet attempts to render nuclear competition safer through arms control and confidence building measures Of special value to students of International Relations and Strategic Studies this book will also interest those keen to understand the challenges embodied in Gorbachev's new thinking in foreign policy

Left, Right Engler Yves Engler, 2019-10-15 The left is supposed to be opposed to colonialism and at least skeptical of nationalism However Left Right shows that for decades now this hasn't been the case in Canada Yves Engler marshals damning detail on the long surprising history of support from the New Democratic Party and labor unions for such policies and international interventions as the coup in Haiti the assassination of Patrice Lumumba the Bay of Pigs invasion the Korean War and much more The rhetoric of the mainstream left he shows has also tended to concede major points to the dominant war mongering ideology with prominent commentators such as Linda McQuaig and Stephen

Lewis echoing the terminology of right wing politicians and thinkers More than simply diagnosing a problem however Left Right offers a path forward laying out ways to get us working for an ecologically sound peace promoting and non exploitative foreign policy

NATO and the Bomb Erika Simpson, 2001 Annotation Employing previously classified Cabinet minutes memoranda letters diaries drafts of speeches and other documents Simpson political science U of Western Ontario analyzes the underlying beliefs and assumptions of high level policymakers responsible for shaping Canada s approach to NATO in the cold war years For over 30 years two conflicting belief systems the defenders and the critics Significantly influenced Canada s shifting defense policy particularly in the areas of nuclear weapons acquisitions and Canadian troop contributions to Europe Simpson s analysis helps explain contemporary defense decisions and Canada s fluctuating attitudes toward NATO which have puzzled Americans and Europeans Annotation c Book News Inc Portland OR booknews com Resolved that the United States Should Reduce Significantly Its Military Commitments to NATO Member States , 1987 *North Atlantic Treaty Organization* Phil Williams, 2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the last forty years are discussed

Resolving the Security Dilemma in Europe Bjørn Møller, 1991 For the first time since the beginning of the Cold War more than 40 years ago the political determinants of military security in Europe are changing much more quickly than the technological ones Non offensive defence is now a more acceptable strategy than it was before and this book points towards realistic solutions to the problems of excessive dependence on nuclear weapons and or self defeating offensive force structures The ideas examined are especially important for British and American audiences since the Anglo Saxon countries are the ones most wedded to NATO orthodoxy and therefore the slowest to react to the current wave of change

The Foreign Policies of European Union Member States Ian Manners, Richard Whitman, 2000 This comparative analysis of the foreign policies of European Union member states includes comprehensive coverage of the post Maastricht period and the three newest members of the EU In the only comparative study of its kind since 1976 the book analyzes the dual impact of the Maastricht Treaty on the European Union and the post Cold War environment on the foreign policy processes of the EU s member states The book argues for a new approach to the foreign policy analysis of EU states that recognizes the fundamental changes that membership brings after the Cold War but also acknowledges the diverse role of policies which states seek to retain or advance as being special

The Nordic Economic, Social and Political Model Anu Koivunen, Jari Ojala, Janne Holmén, 2021-04-22 The Nordic Model is the 20th century Scandinavian recipe for combining stable democracies individual freedom economic growth and comprehensive systems for social security But what happens when Sweden and Finland two countries topping global indexes for competitiveness productivity growth quality of life prosperity and equality start doubting themselves and their future Is the Nordic Model at a crossroads Historically consensus continuity social cohesion and broad social trust have been hailed as key components for

the success and for the self images of Sweden and Finland In the contemporary however political debates in both countries are increasingly focused on risks threats and worry Social disintegration political polarization geopolitical anxieties and threat of terrorism are often dominant themes This book focuses on what appears to be a paradox countries with low income differences high faith in social institutions and relatively high cultural homogeneity becoming fixated on the fear of polarization disintegration and diminished social trust Unpacking the presentist discourse of worry and a sense of interregnum at the face of geopolitical tensions digitalization and globalization as well as challenges to democracy the chapters take steps back in time and explore the current conjecture through the eyes of historians and social scientists addressing key aspects of and challenges to both the contemporary and future Nordic Model In addition the functioning and efficacy of the participatory democracy and current protocols of decision making are debated This work is essential reading for students and scholars of the welfare state social reforms and populism as well as Nordic and Scandinavian studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Denmark Kenneth E Miller, 1991-06-26 The Denmark of the 1990s promises a sharp contrast to that of the postwar years In this critical introduction Professor Kenneth Miller delves into the social government and public policies of Denmark focusing on the changes that have transformed it over the last 40 years

Defence and Security Malcolm Templeton, 1986 **Das politische Skandinavien** Siegfried Frech, 2015-01-01 Wenn wir an Skandinavien denken fallen uns musterg ltige Demokratien offene und egalit re Gesellschaften mit einem hohen Ma an sozialer Gerechtigkeit ein vorbildlicher Wohlfahrtsstaat und leistungsf hige Volkswirtschaften ein Der Rest Europas blickt mit Neid auf die Spitzenpl tze der nordischen L nder in den PISA Studien Von au en betrachtet erscheinen die L nder Skandinaviens als homogene Einheit Die Gesellschaften sind so der Eindruck mit sich selbst im Reinen Auf der Habenseite haben die skandinavischen L nder viel gemeinsam Ist in Skandinavien wirklich alles besser Wie erkl rt sich der bildungspolitische Erfolgskurs Was macht eigentlich die nordeurop ische Politik aus Kann man berhaupt von dem Norden sprechen Diese Leitfragen beantwortet das vorliegende Buch

The INF Controversy Jacquelyn K. Davis, Charles M. Perry, Robert L. Pfaltzgraff (Jr.), 1989 **Canadian Socialism** Alan Whitehorn, 1992 A comprehensive and in depth study of Canadian socialism this volume begins with an historical overview and a detailed analysis of historical writings It examines key issues such as ideology party organization and policies and leadership and includes a case study of the 1988 federal election It closes with suggestions for the future of the social democracy in Canada

Security Policy Reorientation in Peripheral Europe Kjell Engelbrekt, 2019-09-18 This title was first published in 2002 This rich comparative analysis looks at security policy reorientation in four European states located at the periphery of the European continent During the post Cold War period Greece Bulgaria Sweden and Finland conducted a security policy that was heavily influenced by their close proximity to the iron curtain Probing this transition during a decisive phase of the post Cold War reconstitution of the wider

European security order the author analyzes national security policy making from the standpoints of three international relations traditions realism institutionalism and political anthropology This engaging work is invaluable for students scholars and policy analysts working in the field of international relations and European politics Foreign and Security Policy in the European Union Kjell A Eliassen,1998-08-19 This book provides a comprehensive overview of why European integration in foreign and security policy has proved so difficult The obstacles to developing the common policy in this second pillar of the European Union go to the heart of debates around the sovereignty of the nation state A leading group of international contributors explain how these problems arise and consider the future prospects of developing a more regional based solution Broadly organized around the three areas of policy actors and issues the first section traces the reluctant growth of EU integration in foreign and security policy as it developed from the mid 1980s In the second section the national policies and interests that typically obstruct a common policy are explored through four key member states The third section considers ways of addressing problems like the EU s expansion to include Central and Eastern Europe the impact of an independent European security identity on the transatlantic relationship as well as the potential risks to European security from the Mediterranean rim **Denmark's Policy Towards Europe After 1945** Hans Branner,Morten Kelstrup,2000 Since 1945 Denmark s policy towards Europe has become one of the most important issues in Danish politics Part of the Copenhagen Research Project on European Integration CORE this book aims to provide the reader with a better understanding of Danish policy towards Europe taking into account both historical and theoretical aspects The Atlantic Pact forty Years later Ennio Di Nolfo,2011-05-02 No detailed description available for The Atlantic Pact forty Years later
