Semper Fidel America And Cuba 1776 1988

Jose M. Hernández

Semper Fidel America And Cuba 1776 1988:

Semper Fidel Michael J. Mazarr, 1988 **Semper Fidel** Michael J. Mazarr, 1997-08-01 This is the first comprehensive history of Cuban American relations The author has written a nonpartisan perceptive analysis of the vital factors at play between these long standing adversaries geographic position culture language size economy domestic politics to name a few It is a colorful story William Walker intended to conquer Cuba in 1850 but was sidetracked in Nicaragua Pres Madison might have annexed or bought Cuba but feared provoking war with Britain and of course there is the matter of Fidel Castro who might have played baseball in the Majors if only he d had a better fast ball *Anarchist Cuba* Kirwin Shaffer, 2019-05-01 This is the first critical in depth study of the anarchist movement in Cuba in the three decades after the republic s independence from Spain in 1898 Kirwin Shaffer shows that anarchists played a significant until now little known role among Cuban leftists in shaping issues of health education immigration the environment and working class internationalism They also criticized the state of racial politics cultural practices and the conditions of children and women on the island In the chaotic new country members of the anarchist movement reinterpreted the War for Independence and the revolutionary ideas of patriot Jos Mart embarking on a nationwide debate with the larger Cuban establishment about what it meant to be Cuban To counter the dominant culture the anarchists created their own initiatives schools health institutes vegetarian restaurants theater and fiction writing groups and occasional calls for nudism and as a result they challenged both the existing elite and the occupying U S military forces Shaffer also focuses on what anarchists did to prepare the masses for a social revolution While many of the Cuban anarchists ideals flowed from Europe their programs criticisms and literature reflected the specifics of Cuban reality and appealed to Cuba s popular classes Using theories of working class internationalism countercultures popular culture and social movements Shaffer analyzes archival records pamphlets newspapers and novels showing how the anarchist movement in republican Cuba helped shape the country s early leftist revolutionary agenda Shaffer s portrait of the conflict between anarchists and their enemies illuminates the multiple forces that pervaded life on the island in the twentieth century until the rise of the Gerardo Machado dictatorship in the 1920s This important book places anarchism in its rightful historical role as a vital current within Cuban radical political culture [The Early Republic and Antebellum America](#) Christopher G. Bates, 2015-04-08 First Published in 2015 Routledge is an imprint of Taylor Francis an Informa company **Encyclopedia of Cuban-United States Relations** Thomas M. Leonard, 2015-07-11 Ninety miles from Florida the island of Cuba has since long before the Castro revolution focused its attention upon and drawn the attention of the United States American interest can be traced to President Jefferson events since 1959 have kept the two nations constantly at odds This encyclopedia places persons and events in the context of Cuban relations with the United States and vice versa An introduction and chronology provide a background From ADAMS JOHN QUINCY to ZAYAS ALFREDO entries cover such topics as policies e g Isle of Pines Treaty 1931 International Sugar Agreement leaders e g

Fulgencio Batista John F Kennedy and events e g Bay of Pigs invasion Baltimore Orioles vs Cuban All Stars in A999 Many see references interconnect the entries Semper Fidel Michael J. Mazarr,1988 *Cuba and the United States* Jose M. Hernández,2013-12-18 When Cuba threw off the yoke of Spanish rule at the end of the nineteenth century it did so with the help of another foreign power the United States Thereafter the United States became involved in Cuban affairs intervening twice militarily 1898 1902 and 1906 1909 What was the effect of U S intervention Conventional wisdom indicates that U S intervention hindered the rise of militarism in Cuba in the early years of statehood This pathfinding study however takes just the opposite view Jose M Hern ndez argues that while U S influence may have checked the worst excesses of the Independence war veterans who assumed control of Cuba s government it did not completely deter them from resorting to violence Thus a tradition of using violence as a method for transferring power developed in Cuba that often made a mockery of democratic processes In substantiating this innovative interpretation Hern ndez covers a crucial phase in Cuban history that has been neglected by most recent U S historians Correcting stereotypes and myths he takes a fresh and dispassionate look at Cuba s often romanticized struggle for political emancipation describing and analyzing in persuasive detail civilmilitary relations throughout the period This puts national hero Jose Mart s role in the 1895 1898 war of independence in an unusual perspective and sets in bold relief the historical forces that went underground in 1898 1902 only to resurface a few years later This study will be of interest to all students of hemispheric relations It presents not only a more accurate picture of the Cuba spawned by American intervention but also the Cuban side of a story that too frequently has been told solely from the U S point of view **United States-Latin American Relations, 1850-1903** Thomas M. Leonard,2014-11-20 United States Latin American Relations 1850 1903 is a collection of essays that provide an in depth analysis of the developing relationship between the Americas during the critical period from the Mexican War to the Panama Canal treaty of 1903 *Cubans in the Confederacy* Phillip Thomas Tucker,2002-05-24 The role of Cubans in the American Civil War is seldom appreciated This work is the first to provide a close look at the often distinguished services they performed Although Cubans are recorded in the rosters of both Union and Confederate forces Cuban ties with the Confederacy were particularly strong partly because Cuban patriots fighting for liberation from Spain tended to identify with the Southern cause as a revolutionary struggle This work will focus on the biographies of three Cubans who served the Confederate army in the War Between the States Darryl E Brock offers a detailed portrait of Jose Agustin Quintero who served as the South s most effective diplomat Michel Wendell Stevens writes on Ambrosio Jose Gonzales who rose to the rank of colonel and served some of the Confederacy s best known generals Finally Richard Hall provides an intimate sketch of Loreta Janeta Velazquez a soldier and spy for the Confederacy who infiltrated as a double agent the operations of Northern spymaster Lafayette C Baker **Cuba on the Brink** James G. Blight,Bruce J. Allyn,David A. Welch,2002 With the disintegration of the Soviet Union and international socialism Cuba now finds itself isolated as the United States continues to

press for its economic and political collapse How Fidel Castro sees Cuba's plight and what he hopes to do about it emerge from this account of a unique conference held in Havana in 1992 The meeting brought together participants in the Cuban missile crisis from the former Soviet Union Cuba and the U S to discuss its causes and course This account is now available for the first time in paperback on the 40th anniversary of the Cuban Missile Crisis This first meeting between Castro his ex Soviet allies and his American foes produced startling revelations about his dealings with the Soviets chilling details of the number and kind of Soviet nuclear arms that Cuba possessed in 1962 and an illuminating account of Castro's view of the American threat then and now The dramatic exchanges between Castro and such conference participants as Anatoly I Gribkov former head of the Warsaw Pact former U S Secretary of Defense Robert McNamara and Arthur Schlesinger Jr Special Assistant to John Kennedy reveal misperceptions on all sides that led us to the brink of nuclear war An extraordinary examination of an international crisis Cuba on the Brink illustrates the ongoing Cuba problem and will help guide our actions toward other countries deemed hostile to our national interest Cuba and the United States Louis A. Pérez, 2003 The Times Literary Supplement calls Louis A Pérez Jr the foremost historian of Cuba writing in English In this new edition of his acclaimed 1990 volume he brings his expertise to bear on the history and direction of relations between Cuba and the United States Of all the peoples in Latin America the author argues none have been more familiar to the United States than Cubans who in turn have come to know their northern neighbors equally well Focusing on what President McKinley called the ties of singular intimacy linking the destinies of the two societies Pérez examines the points at which they have made contact politically culturally economically and explores the dilemmas that proximity to the United States has posed to Cubans in their quest for national identity This edition has been updated to cover such developments of recent years as the renewed debate over American trade sanctions against Cuba the Eli n González controversy and increased cultural exchanges between the two countries Also included are a new preface and an updated bibliographical essay Latin American Politics And Development, Fifth Edition Howard J. Wiarda, 2019-03-06 This book offers a region wide overview of the patterns and processes of Latin American history politics society and development It provides a detailed country by country treatment and unique features of all Latin American countries **Early U.S.-Hispanic Relations, 1776-1860** Rafael E. Tarrago, 1994-12 Tarrago goes back to 1776 when the thirteen rebel English colonies in North America sought the help of the Spanish Crown A selective bibliography including many printed primary sources as well as monographs and journal articles **Observing Our Hermanos de Armas** Robert O. Kirkland, 2004-06 This study analyzes the effectiveness of the U S military attach corps in Latin America from the end of World War II to the Johnson administration **The Cuban Counterrevolution** Jesús Arboleya, 2000 Arboleya also analyzes the role played by Cuban immigrants to the United States and the perspectives for improvement in relations between the two nations as a result of the generational and social changes that have been occurring in the Cuban American community **BOOK JACKET** **Decision and Structure** Mario A. Rivera, 1991 The 1980

Cuban influx represented a unique challenge to federal refugee policy mechanisms and to prevalent concepts of policy analysis and evaluation. The persistence of unworkable policies across two Presidential administrations suggests that organizational structural and decisional rather than personality or motivational factors were principally determinative of policy failure. This work suggests elements of a causal theory based on these factors and a mode of normative evaluation based on mixed analytical strategies that attend to both decisional process and institutional structure.

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama. Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day, including individuals from related disciplines like Jürgen Habermas and Clifford Geertz, whose theoretical contributions have informed historical debate. Additionally, the Encyclopedia includes some 200 essays treating the development of national, regional, and topical historiographies from the Ancient Near East to the history of sexuality. In addition to the Western tradition, it includes substantial assessments of African, Asian, and Latin American historians and debates on gender and subaltern studies.

Cuba Leslie Bethell, 1993-03-26 Brings together four chapters from volumes III, V, and VII of The Cambridge History of Latin America, aiming to provide scholars, students, and general readers with a concise history of this important island nation. It covers Cuba's development from the mid-18th century.

Cuba Rex A. Hudson, 2002 Describes and analyzes the economic, national security, political, and social systems and institutions of Cuba.

Cuban Studies 36 Louis A. Perez, Jr., K. Lynn Stoner, Gladys Marel Garcia-Perez, 2005-12-01 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985. Founded in 1970, it is the preeminent journal for scholarly work on Cuba. Each volume includes articles in both English and Spanish, a large book review section, and an exhaustive compilation of recent works in the field. This volume contains articles on economics, politics, racial and gender issues, and the exodus of Cuban Jewry in the early 1960s, among others.
