

Senator Joe McCarthy

David A. Nichols

Senator Joe McCarthy:

Senator Joe McCarthy Richard H. Rovere, 1996-04-12 The definitive job and I can't imagine what else there is to say about him Walter Lippman This is an appraisal without apology If its judgments are uncompromising they are also given without rancor indeed with an air of almost sympathetic curiosity about the phenomenon that was McCarthy It is no surprise that Rovere's book is a vividly written sophisticated recreation of a political episode whose manic qualities already begin to seem unbelievable Anthony Lewis

The Rise and Fall of Senator Joe McCarthy James Cross Giblin, 2009 Who was the real Joe McCarthy Was he an American hero who alerted the country to the threat of Communist subversion or a demagogue who played cynically on the nation's fears

The Life and Times of Joe McCarthy Thomas C. Reeves, 1982 This excitingly readable biography will be remembered a complete page turner Publishers Weekly

[Blacklisted by History](#) M. Stanton Evans, 2009-11-24 Accused of creating a bogus Red Scare and smearing countless innocent victims in a five year reign of terror Senator Joseph McCarthy is universally remembered as a demagogue a bully and a liar History has judged him such a loathsome figure that even today a half century after his death his name remains synonymous with witch hunts But that conventional image is all wrong as veteran journalist and author M Stanton Evans reveals in this groundbreaking book The long awaited [Blacklisted by History](#) based on six years of intensive research dismantles the myths surrounding Joe McCarthy and his campaign to unmask Communists Soviet agents and flagrant loyalty risks working within the U S government Evans's revelations completely overturn our understanding of McCarthy McCarthyism and the Cold War Drawing on primary sources including never before published government records and FBI files as well as recent research gleaned from Soviet archives and intercepted transmissions between Moscow spymasters and their agents in the United States Evans presents irrefutable evidence of a relentless Communist drive to penetrate our government influence its policies and steal its secrets Most shocking of all he shows that U S officials supposedly guarding against this danger not only let it happen but actively covered up the penetration All of this was precisely as Joe McCarthy contended [Blacklisted by History](#) shows for instance that the FBI knew as early as 1942 that J Robert Oppenheimer the director of the atomic bomb project had been identified by Communist leaders as a party member that high level U S officials were warned that Alger Hiss was a Soviet spy almost a decade before the Hiss case became a public scandal that a cabal of White House Justice Department and State Department officials lied about and covered up the Amerasia spy case and that the State Department had been heavily penetrated by Communists and Soviet agents before McCarthy came on the scene Evans also shows that practically everything we've been told about McCarthy is false including conventional treatment of the famous 1950 speech at Wheeling West Virginia that launched the McCarthy era I have here in my hand the Senate hearings that casually dismissed his charges the matter of leading McCarthy suspect Owen Lattimore the Annie Lee Moss case the Army McCarthy hearings and much more In the end Senator McCarthy was censured by his colleagues and condemned by the press and historians But as Evans writes The real Joe

McCarthy has vanished into the mists of fable and recycled error so that it takes the equivalent of a dragnet search to find him Blacklisted by History provides the first accurate account of what McCarthy did and more broadly what happened to America during the Cold War It is a revealing expos of the forces that distorted our national policy in that conflict and our understanding of its history since **Senator Joseph McCarthy and the American Labor Movement** David M. government but anytime he was pressed to produce his evidence McCarthy would not name names Instead he d accuse those who questioned his evidence of being Communists themselves McCarthy s rise made it possible for him to continue lobbing accusations against people but the Senator finally met his match when he went after the Army As chairman of the Senate Committee on Government Operations McCarthy summoned decorated World War II veterans and challenged their loyalty and when he openly suggested World War II hero Brigadier General Ralph W Zwicker was a Communist during one hearing the military had enough In April 1954 the committee hearings were widely televised and Americans watched Army members demand that McCarthy name names and provide evidence The Army s legal representative Joseph Nye Welch repeatedly demanded that McCarthy produce the list of alleged Communists in the U S Army and railed at the Senator You ve done enough Have you no sense of decency sir At long last have you left no sense of decency McCarthy was publicly and permanently repudiated He would be censured by Congress and he would die just a few years later *McCarthyism* Joseph McCarthy,1952 **A Conspiracy So Immense** David M. most prominent anti Communist crusader in the government and the Rosenberg case only further emboldened him McCarthy continued to claim he held evidence suggesting Communist infiltration throughout the government but anytime he was pressed to produce his evidence McCarthy would not name names Instead he d accuse those who questioned his evidence of being Communists themselves McCarthy s rise made it possible for him to continue lobbing accusations against people but the Senator finally met his match when he went after the Army As chairman of the Senate Committee on Government Operations McCarthy summoned decorated World War II veterans and challenged their loyalty and when he openly suggested World War II hero Brigadier General Ralph W Zwicker was a Communist during one hearing the military had enough In April 1954 the committee hearings were widely televised and Americans watched Army members demand that McCarthy name names and provide evidence On June 9 1954 McCarthy was humiliated by the Army s legal representative Joseph Nye Welch who repeatedly demanded that McCarthy produce the list of alleged Communists in the U S Army As McCarthy tried to wiggle out of the challenge he finally named Fred Fisher who had been affiliated with the National Lawyers Guild during law school an organization that FBI Director J Edgar Hoover attempted to have the Attorney General designate as a Communist front Enraged Welch responded Until this moment Senator I think I have never really gauged your cruelty or your recklessness Fred Fisher is a young man who went to the Harvard Law School and came into my firm and is starting what looks to be a brilliant career with us We know he belonged to the Lawyers Guild Let us not assassinate this lad further Senator You ve done enough Have you no sense of decency sir At long last have you left no sense of decency Welch received an ovation from the gallery and McCarthy had been publicly and permanently repudiated He would be censured by Congress and he would die just a few years later Though anti Communist sentiment in the 1950s is often derisively dismissed as McCarthyism there was some basis for the era s fears The Communist Party in the United States was funded by the Soviet Union its leaders were paid by the Soviets and several were agents of the Soviet intelligence apparatus Still as a small elite group that was able to place individuals in positions of power they did present a potential threat to the security of the country and there were several spy rings operating in America at the time Joseph McCarthy Daniel Cohen,1996 A biography of the Wisconsin Senator whose questionable methods as a Communist witch hunter brought him fame in the decade after World War II and led to his eventual censure by the United States Senate *Major Speeches and Debates of Senator Joe McCarthy Delivered in the United States Senate, 1950-1951* Joseph McCarthy,1950 Investigation of Senator Joseph R. McCarthy United States. Congress. Senate. Committee on Rules and Administration,1952 Considers expulsion of Sen Joseph R McCarthy for alleged unethical activities involving election campaign of Sen John Marshall Butler from Md Also investigates McCarthy s alleged role in securing Reconstruction Finance Corp loan for Lustron Corp in exchange for Lustron Corp s publication of a book by McCarthy which was alleged to have been actually written by Housing and Home Finance Agency employees **Ike and McCarthy** David A. Nichols,2017-03-21 The full little known story of how President Dwight

Eisenhower masterminded the downfall of the anti Communist demagogue Senator Joseph McCarthy is a gripping detailed account of how the executive branch subtly but decisively defeated one of America s most dangerous demagogues The Washington Post They shook hands for the cameras but Dwight Eisenhower privately abhorred Senator Joseph McCarthy the powerful Republican senator notorious for his anti Communist campaign In spite of a public perception that Eisenhower was unwilling to challenge McCarthy Ike believed that directly confronting the senator would diminish the presidency Therefore the president operated more discreetly and effectively with a hidden hand In a thorough well written and surprising picture of a man who was much more than a do nothing president Kirkus Reviews starred review David A Nichols shows how the tension between the two men escalated In a direct challenge to Eisenhower McCarthy alleged that the US Army was harboring communists and launched an investigation But the senator had unwittingly signed his own political death warrant The White House employed surrogates to conduct a clandestine campaign against McCarthy and was not above using information about the private lives of McCarthy s aides as ammunition By January 1954 McCarthy was arguably the most powerful member of the Senate Yet at the end of that year he had been censured by his colleagues for unbecoming conduct Eisenhower s covert operation had discredited the senator months earlier exploiting the controversy that resulted from the televised Army McCarthy hearings McCarthy would never recover his lost prestige In Ike and McCarthy Nichols uses documents previously unavailable or overlooked to authenticate the extraordinary story of Eisenhower s anti McCarthy campaign The result is a well researched and sturdily written account of what may be the most important such conflict in modern history Americans have as much to learn today from Eisenhower as his many liberal critics did in 1954 The Atlantic Monthly **Senator Joseph McCarthy and Wisconsin** Michael O'Brien,1971
