**Send Me An Angel** Samuel Santana, 2012-09-11 In slow paced post World War I America Guadalupe is no different than any other town its size on the California Central Coast With its whistle stop ambiance sparse population and vibrant collection of personalities that make up the small farming community Guadalupe is a haven to those who prefer a tranquil existence and those who recognize a lucrative opportunity when they see it Jonah Quentin and long time friends Mel and Ona Archer came to the fertile Santa Maria Valley with nothing more than an idea and a surplus Curtiss Jenny biplane to set up shop as the valley s first crop dusting company the latest concept in agricultural pest control Even with its limitations Angel Dust Incorporated is an instant success though perhaps a little too successful for a corporation whose fleet consists of only one tired old surplus biplane flown by Jonah an ex Army Air Service fighter pilot who knows nothing about crop dusting Late in the evening on the Forth of July 1926 Jonah wants nothing more than to cap off a night of celebration with a shot of whiskey and a beer at the B same Bar some even call it blasphemy Nobody wants a woman soaring high above the clouds in control of the worlds most powerful and modern military aircraft undermining the male pilot s superior aptitude and physical prowess SEND ME AN ANGEL is a fictionalized account of the blatant prejudices and harsh chauvinism the 1 074 women of the Women Airforce Service Pilots endured and ultimately overcame and the intestinal fortitude it took to become a fully operational WASP

**Pennies from an Angel** Tamara Pelosi, 2008-11 For the first time I reveal the horrendous events that began on October 21 2001 when my husband Dan Pelosi became the

primary suspect in the murder of Theodore Ammon Three years later he was found guilty and sentenced to twenty five years to live When the bludgeoned naked body of the wealthy financier was found in his East Hampton country estate my life and the lives of my children were never the same again The death of the New York millionaire instantly became a sensational news item that led to hundreds of stories printed in every Long Island newspaper as well as lengthy articles in Time Magazine The Star and other tabloids The East Hampton murder didn't stop the printed word national television jumped in with specials on Paula Zahn Live Primetime Dateline 48 Hours Court TV and a Lifetime TV movie called Murder in the Hamptons Depressed humiliated and filled with shame I prayed to God for help He sent me an Angel When I felt confused and alone pennies miraculously appeared that gave me the faith to forge ahead Surprisingly from a place of disgrace and shame and the help of an Angel I found the strength to hold my head up high It has taken me over five years to find the courage to tell what it was like living on the sideline of a sensational murder and more importantly to expose the insanity of a twenty year dysfunctional marriage

TransElectric Cidny Bullens,Sir Elton John,2023-06-06 From the depths of the 70s rock n roll excesses through unimaginable personal losses to an inspiring late life transformation Cidny Bullens's story is an utterly compelling journey about living and singing with your authentic voice An androgynous gender bending musician from the get go Bullens toured extensively with Sir Elton John and performed with Bob Dylan undergoing a complete immersion in the drug fueled excesses of 1970s rock n roll Despite getting sober climbing the charts with the Grammy nominated Survivor as well as a Grammy nomination for his lead vocals in the soundtrack for the movie Grease Bullens was unable to break out as a solo star in a world that allowed its artists to cross the gender line but had much more narrow expectations about how women could behave and perform Retreating into the conventional lifestyle of a suburban mom Bullens felt like she was living in an alternate universe Then whatever world she had was shattered by

the tragic death of her younger daughter from cancer Out of the ashes of despair Bullens brought forth an award winning album *Somewhere Between Heaven and Earth* that relaunched the musician s career Finally nine years ago Cidny claimed his own healing and transitioned from female to male finding unexpected love becoming a new stepfather and a grandfather What he found too was his true voice and true power as a performer

**You're the One Behind the Curtain** Jon Davis,2009-05-15 An analysis of OCD and strategies to combat it lead off this book which chronicles the evolution of one man s OCD over the course of his life The argument presented is that everyone subconsciously has complete control over their OCD and decides their own rules and stipulations that wreak havoc on their daily lives Because of this it can be controlled These issues are addressed in the introduction as OCD is analyzed Ten strategies are then presented which will help those with OCD to keep it under control or to fight back so to speak The book then takes on a lighter tone as Jon travels through his life story explaining the evolution of his OCD as well as recounting humorous and entertaining stories from his life His childhood and teenage years are filled with tales of pranks and mild rebellion while he found himself reciting strange chants in his mind and repeating actions to ward off bad luck As he got older his misadventures with drunken friends took the place of superstition until he reached his twenties and faced some major life stressors At that point OCD got out of control He fought back with therapy research and medication and slowly got it back under control In the more recent years of his life his nieces and nephew act as fodder for humorous tales Because he has passed the point in his life in which he was forced to face severe OCD he feels he can help others with their struggle

*Crossing My Jordan* P.J. Taylor,2011-07-28 My life begun hard and it seemed to just become more and more difficult throughout the years I once lived a life like J C Dougard and Elizabeth Smart but instead of one sexual predator I had many They had families to go home to where I had none I was forgotten about years and years ago and pretty much raised myself with only God s guidance since the age of thirteen I ve been exploited trafficked raped held hostage kidnapped and more

Then God stepped in when death was almost beating at my door He stepped in Sometimes I feel as if my life wasn't planned by me but by God Once you read my story I'm sure you'll understand You see all of my hopes dreams and plans for my life became sidetracked long ago due to many factors that took away so many of my plans my dreams for the future Through it all I've become an amazing woman Able to stand tall and strong finding my inspirations along the way and praising God for all of His Angels Saints and Prophets who've come along and saved me rescued me carried me and blessed my life so profoundly with their kind gentle caring ways Do you view human beings as just people or are you able to experience such a close relationship with God that you can view people as the little Gods they are Aren't we all supposed to be reflections of Our Lord and Savior Then why aren't you able to view those people for the Gifts they are Or are you able to see yourself and others how God sees you I hope you enjoy the journey of my life my story my testimony as much as I enjoyed writing it My story is a story of tragedy but yet it is also one full of inspiration hope strength courage family and love But mainly my story is about Life's Lesson's Learned Enjoy P J Taylor
