**Sender and Sent: a Study in Mission** Leslie Davison, 1969      The Missions of Jesus and the Disciples According to the Fourth Gospel Andreas J. Köstenberger, 1998 In this exegetical study of the Gospel of John Andreas Kostenberger strives to discover and articulate a thoroughly biblical theology of mission which would have contemporary implications for how the church responds to Christ's mandate      **Mission Studies**, 1901      **HCSB Study Bible** Holman Bible Publishers, The HCSB Translation Team, Jeremy Royal Howard, Edwin Blum, 2010-12-01 2011 ECPA Christian Book Award Winner Developed in direct response to what consumer focus groups asked for only one study Bible delivers more than you'd expect right where you'd expect it When reading a passage in the Bible you shouldn't have to wonder where to find supporting reference notes and commentary that go along with it That's why the HCSB Study Bible featuring approximately 15,000 study notes is designed so that every clarifying resource is there on the same page spread as the biblical text to which it refers You'll never again forget what you were looking for because the pertinent note map chart word study or illustration is already there And when an even deeper view is desired there are also introductions for each book outlines and timelines a concordance and more For the growing believer whose desire is to know Scripture more intimately and live out its loving instruction the HCSB Study Bible always keeps you and God on the same page **FEATURES** 315 word studies Four color presentation pages 141 photographs Two column text setting 62 timelines Two piece gift box non hardcover 59 maps One year Bible reading plan 24 articles Center column references 16 illustrations reconstructions Topical subheads 15 charts Black letter text      *What Is the Mission of the Church?* Kevin DeYoung, Greg Gilbert, 2011-09-08 Social justice and mission are hot topics today there's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others But in our zeal to get sharing and serving many are unclear on gospel and mission Yes we are called to spend ourselves for the sake of others but what is the church's unique priority as it engages the world DeYoung and Gilbert write to help Christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable Looking at the Bible's teaching on evangelism social justice and shalom they explore the what why and how of the church's mission From defining mission to examining key passages on social justice and their application to setting our efforts in the context of God's rule DeYoung and Gilbert bring a wise studied perspective to the missional conversation Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus' call to preach the Word and make disciples      Mission as Integrated Witness Jae-Suk Lee, 2021-05-25 This study aims to read Jesus's foot washing narrative missionally John 13:1-38 A missional reading is identical to a missional hermeneutics based on the literary theological interpretation of the text John uses sending language and formulae and the frame of *as so* throughout the whole Gospel which clarifies Jesus's and his disciples mission as integrated witness In this literary context the foot washing narrative signifies the integrated witness of Jesus and the

disciples The narrative consists of two parts one Jesus's symbolic action for his death and the other for its interpretation for the disciple community Jesus's death as his unique mission results in purifying both his disciples and the world so that they might dwell in the holy union with the triune God The disciples are sent into the world Just as Jesus did so must they proclaim Jesus and his teachings Also they should bear witness to him by living Jesus's life pattern of self giving sacrificial love and humble service Their verbal proclamation as evangelism and life witness cannot be separated to testify to Jesus and their identity Finally today's Christians specifically Evangelicals are invited to participate in the Johannine mission as the integrated witness of evangelism and life witness

Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's Covenant of Peace remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace

**Beautiful upon the Mountains** Mary H. Schertz, Ivan Friesen, 2008-04-01 These essays by biblical scholars show that friction in the church between evangelism and peace activism is neither helpful nor biblical mission and peace are inseparable throughout the biblical canon Those who seek God's reign are called to proclaim the gospel of peace
