Southern White Ministers and the Civil Rights Movement Elaine Allen Lehtreck, 2018-05-29 In 1963 the Sunday after four black girls were killed by a bomb in a Birmingham church George William Floyd a Church of Christ minister preached a sermon based on the Golden Rule He pronounced that Jesus Christ was asking Christians to view the bombing from the perspective of their black neighbors and asserted We don t realize it yet but because Martin Luther King Jr is preaching nonviolence which is Jesus s way someday Martin Luther King Jr will be seen as the best friend the white man in

the South has ever had During the sermon members of the congregation yelled You devil you and immediately Floyd was dismissed Although not every anti segregation white minister was as outspoken as Pastor Floyd many signed petitions organized interracial groups or preached gently from a gospel of love and justice Those who spoke and acted outright on behalf of the civil rights movement were harassed beaten and even jailed Based on interviews and personal memoirs Southern White Ministers and the Civil Rights Movement traces the efforts of these clergymen who deeply moved by the struggle of African Americans looked for ways to reconcile the history of discrimination and slavery with Christian principles and to help their black neighbors While many understand the role political leaders on national stages played in challenging the status quo of the South this book reveals the significant contribution of these ministers in breaking down segregation through preaching a message of love Economic Foundations for Creative Ageing Policy, Volume II Andrzej

Edward Alan Miller,Pamela Nadash,Michael Gusmano,2020-05-21 The surprise election of Donald J Trump to the presidency of the United States marks a singular turning point in the American republic not only because of his idiosyncratic approach to the office but also because the Republican Party now holds the presidency and both houses of Congress presenting a historic opportunity for change The role of older Americans has been critical in both shaping and reacting to this political moment Their political orientations and behaviors have shaped it through their electoral support for Republican candidates But older Americans stand as highly invested stakeholders in the policy decisions made by the very officials they elected and as beneficiaries of the programs that Republicans have targeted for cuts or elimination This comprehensive volume explores the ways in which Trump administration policies are likely to significantly undermine the social safety net for near elderly and older Americans including long term care housing health care and retirement The authors also explore how the Trump administration might shape politics and political behavior through the policy changes made The response of older voters in upcoming elections to efforts by the Trump administration and its Republican allies in Congress to draw back on the federal government s commitment to programs and policies affecting them will shape the direction of aging policy and politics for years to come This book was originally published as a special issue of the Journal of Aging Social Policy *Oversight Hearings, Older Americans Act ; Title IX* United States.
