Subcommittee on Federal, State, and Community Services, 1975 **The Drumbeater** Clive Allan, 2014-01-02 Something caught his eye as if the sun was reflecting on something shiny The source of this momentary distraction was the clouded glass face of an old wrist watch He bent down to retrieve it then recoiled abruptly standing bolt upright The watch complete with decaying leather strap was secured to the wrist of a skeletal hand Clive Allan has drawn upon thirty years experience as a police officer and a profound knowledge of the Scottish Highlands in his crime thriller *The Drumbeater* When skeletal remains are found buried on a beach near the remote Scottish village of Glendaig the evidence points to murder to a crime dating back seventy years to World War Two The task of unravelling the mystery falls to history graduate Neil Strachan now a career cop fast tracked into a new role on Northern Scotlands Major Enquiry Unit When Neil calls upon German naval historian Matthias Fuchs to help identify the remains a name soon emerges that of a dashing young U boat ace who mysteriously disappeared in 1941 *Korvettenkapitän Max Friedmann* Neil seeks the assistance of Glendaig's elderly residents but encounters an impenetrable wall of silence causing him to suspect that they know far more about the young submariner than they are willing to impart With more questions than answers and under mounting pressure from his cynical boss to wrap up the enquiry Neil embarks on a race against time to discover the truth He begins to unravel a tale of subterfuge escape and astounding loyalty A tale that will ultimately reveal a secret that could have changed the course of World War Two **Duo!:** **The Best Scenes for Mature Actors** Stephen Fife, 2015-08-01 *Applause Acting Series* This foray into the deeply serious and deeply funny sometimes at the same time world of life after 40 focuses primarily on scenes that depict the struggles of contemporary characters to come to terms with disappointment and obsolescence or to redeem their lives from the mistakes or miscalculations of their youth It draws heavily on American classics like *Long Day's Journey into Night* *Death of a Salesman* *The Price* *Glengarry Glen Ross* *Fences* and *Who's Afraid of Virginia Woolf* as well as more recent classics in the making like *August: Osage County* *Good People* and *God of Carnage* There is also ample representation from British

suspicious death and the existential questions that come with it Why did someone die Could it have been prevented Should someone be held accountable What are the implications of ruling a death a suicide a homicide or an accident Can medical examiners unmask the perfect crime Postmortem goes deep inside the world of medical examiners to uncover the intricate web of pathological social legal and moral issues in which they operate Stefan Timmermans spent years in a medical examiner s office following cases interviewing examiners and watching autopsies While he relates fascinating cases here he is also more broadly interested in the cultural authority and responsibilities that come with being a medical examiner Although these professionals attempt to remain objective medical examiners are nonetheless responsible for evaluating subtle human intentions Consequently they may end or start criminal investigations issue public health alerts and even cause financial gain or harm to survivors How medical examiners speak to the living on behalf of the dead is Timmermans s subject revealed here in the day to day lives of the examiners themselves
