Weber,Carol Orsborn,2015-09-17 A compassionate guide for transforming aging into spiritual growth Engage with 25 key questions guiding you to mine previously untapped veins of inspiration and courage Find a constructive role for regret and fear and embrace the freedom to become more fully yourself Draw from both Eastern and Western spiritual traditions and the latest research in psychological and religious theory to cultivate your spiritual potential As we enter the years beyond midlife our quest for an approach to aging takes on added urgency and becomes even more relevant in our daily lives Empowering a new generation of seekers to view aging as a spiritual path authors Robert Weber and Carol Orsborn reveal that it is by engaging with the difficult questions about loss meaning and mortality questions we can no longer put off or ignore that we continue to grow In fact the realization of our full spiritual potential comes about not by avoiding the challenges aging brings our way but by working through them Addressing head on how to make the transition from fears about aging into a fuller richer appreciation of the next phase of our lives the authors guide you through 25 key questions that can help you embrace the shadow side of aging as well as the spiritual opportunities inherent in growing older Sharing their stories and wisdom to both teach and demonstrate what it means to feel energized about the possibilities of your later years they explore how to find a constructive role for regret shame and guilt realize your value to society and embrace the freedom of your later years to become more fully yourself Coming from Catholic Jesuit and Jewish backgrounds respectively as well as drawing from the latest research in psychological and religious theory Weber and Orsborn provide their own conversational and candid answers to the 25 key questions supporting their insightful and compassionate guidance with anecdotes inspirational readings and spiritual exercises By engaging deeply with both the shadow and light sides of aging our spirits not only learn to cope but also to soar **Religion, Spirituality, and Aging** Harry R Moody,2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work

researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves. The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint. Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare. Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor. *Religion Spirituality and Aging* once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care. Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question. The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas. *Religion Spirituality and Aging* discusses the latest social work trends and attitudes toward spirituality, prayer, meditation, and acts of altruism as interventions; an empirical study of how social workers use religion and spirituality as an intervention; ethical considerations and best practices; religion and spirituality during long-term care; the Postcards to God project; dreams and their relationship to the search for meaning in later life; a spiritual approach to positive aging through autobiography; dementia and spirituality; creating new rituals for sacred aging; spiritual master Henri Nouwen's principles of aging; and his approaches to caring for older people. An interview study on elders' spirituality and the changes manifested in their views of religion. *Religion Spirituality and Aging* is a remarkable reminder that elders are our future selves. This erudite, well-reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers, human service professionals who work with the aged, and gerontology scholars.
