Shakespeare's Sonnets Ch. Suryanarayana Rao,2016-08-17 Shakespeare's Sonnets Philosophical Glimpses covers all 154 of Shakespeare's sonnets with a sonnet by sonnet exposition and delves into the three riddles involving the handsome young man the dark lady and the rival poet The book unravels the spiritual dimension within these sonnets from the perspective of the author an Indian scholar familiar with the literary traditions of his own country The sonnets are interpreted as a genre of writing namely running devotional lyricism which was never attempted before or after Shakespeare in England A must read for all who seek fresh insight into these sonnets Shakespeare's Sonnets Philosophical Glimpses offers a study in self improvement in addition to expanding the literary understanding of this iconic author's work *Speech and Performance in Shakespeare's Sonnets and Plays* David Schalkwyk,2002-10-17 David Schalkwyk offers a sustained reading of Shakespeare's sonnets in relation to his plays He argues that the language of the sonnets is primarily performative rather than descriptive and bases this distinction on the philosophy of Ludwig Wittgenstein and J L Austin In a wide ranging analysis of both the 1609 Quarto of Shakespeare's sonnets and the Petrarchan discourses in a selection of plays Schalkwyk addresses such issues as embodiment and silencing interiority and theatricality inequalities of power status gender and desire both in the published poems and on the stage and in the context of the early modern period In a provocative discussion of the question of proper names and naming events in the sonnets and plays the book seeks to reopen the question of the autobiographical nature of Shakespeare's sonnets **Shakespeare's Sonnets** Philip Martin,2010-06-24 This study closely analyses sonnets to bring out what they can tell us of different kinds of love particularly self love the relation of these to the world of natural growth and temporal succession and finally the ways in which art can properly be defined as a form of love
