[The Complete Novels of Henry James - All 24 Books in One Edition](#) Henry James, 2017-11-15

The Portrait of a Lady is one of James's most popular long novels and is regarded by critics as one of his finest

The Portrait of a Lady is the story of a spirited young American woman Isabel Archer who in affronting her destiny finds it overwhelming

She inherits a large amount of money and subsequently becomes the victim of Machiavellian scheming by two American expatriates

The Wings of the Dove tells the story of Milly Theale an American heiress stricken with a serious disease and her effect on the people around her

Some of these people befriend Milly with honorable motives while others are more self interested

The American is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman an essentially good hearted but rather gauche American businessman on his first tour of Europe
