**Fieldwork for Design** David Randall,Richard Harper,Mark Rouncefield,2007-04-24 This book looks at why ethnographic approaches have been turned to in the design of computing devices for the workplace for the home and elsewhere It presents a history of ethnography both as it was practiced before computer science picked it up and since most especially in the CSCW and HCI domains It examines further the various ethnographic or fieldwork frameworks currently popular explaining and examining what each claims and entails The focus of the book throughout is on the practical relationship between theory and practice a relationship that is often misunderstood yet fundamental to successful design The book is illustrated with real examples from the authors various experiences in academic and commercial settings reporting on the use of ethnography before during and after design innovation and implementation The result is a book that provides the working knowledge

*Travels with my Daughter* Niema Ash,2001-10-01 You could say I had an unconventional upbringing At the age of four I was sharing my bedroom with Bob Dylan and by the time I was fifteen I had been taken out of school to go traveling and was smoking joints with my mother Some may be shocked at the adventures mother and daughter share but everyone will admire Niema s celebration of travel motherhood and life itself as this honest and often humourous account describes how she copes with The overwhelming desire to travel which conflicts with the responsibilities of motherhood Finding the confidence to believe in herself and her instincts Being a single mother in the sixties while mixing with some of the most talented poets and musicians of our time including Bob Dylan Leonard Cohen Irving Layton Seamus Heaney and Joni Mitchell Developing a unique mother daughter bond that many only dream about This book will touch a hidden nerve in everyone who reads it as it turns a world of convention and protocol upside down Index of Trademarks Issued from the United States Patent and Trademark Office ,1992
