*Sentimental, Heartbroken Rednecks* Greg Bottoms, 2001 Like Anderson s Winesburg Ohio Joyce s Dubliners or Isherwood s Berlin Stories these stories about loss and redemption possess an evocative sense of place and society as they are transformed by the author s nervous relationship with the world In the title story the narrator imagines his way into the dark elusive world of southern writer Breece D J Pancake Imaginary Birds flawlessly renders the reverie of a senile old woman to make the world anew in stories such as Nostalgia for Ghosts The Metaphor Intersections and A Seat for the Coming Savior the quiet desperation of urban places gives way to moments of beauty profundity even holiness in the midst of devastation and heartbreak

*The Colorful Apocalypse* Greg Bottoms, 2011-06-15 The Reverend Howard Finster was twenty feet tall suspended in darkness Or so he appeared in the documentary film that introduced a teenaged Greg Bottoms to the renowned outsider artist whose death would help inspire him fourteen years later to travel the country Beginning in Georgia with a trip to Finster s famous Paradise Gardens his journey of which *The Colorful Apocalypse* is a masterly chronicle is an unparalleled look into the lives and visionary works of

some of Finster's contemporaries the self-taught evangelical artists whose beliefs and oeuvres occupy the gray area between madness and Christian ecstasy With his prodigious gift for conversation and quietly observant storytelling Bottoms draws us into the worlds of such figures as William Thomas Thompson a handicapped ex-millionaire who painted a 300-foot version of the book of Revelation Norbert Kox an ex-member of the Outlaws biker gang who now lives as a recluse in rural Wisconsin and paints apocalyptic visual parables and Myrtice West who began painting to express the revelatory visions she had after her daughter was brutally murdered These artists' works are as wildly varied as their life stories but without sensationalizing or patronizing them Bottoms one of today's finest young writers gets at the heart of what they have in common the struggle to make sense through art of their difficult personal histories In doing so he weaves a true narrative as powerful as the art of its subjects a work that is at once an enthralling travelogue a series of revealing biographical portraits and a profound meditation on the chaos of despair and the ways in which creativity can help order our lives Poets & Writers ,2007
