Sentinel Of The Sahyadris Memories And Reflections:

The Setting Sun Bart Moore-Gilbert, 2014-05-13 I've always had difficulty imagining my father as a policeman. He seemed most himself in the informal setting of safari life: clothes disheveled, sometimes not shaving for days. So why did he join the Indian Police with its rigid hierarchies and complex protocols? *Setting Sun* is the story of the dying days of an empire combined with gripping family history in an extraordinary literary voyage across India. When a letter from an Indian historian arrives out of the blue informing leading academic Moore Gilbert that his beloved deceased father, a member of the Indian Police before Independence, partook in the abuse of civilians, Moore Gilbert's world is shaken as his cherished childhood memories are challenged. He sets out in search of the truth, discovering much about the end of empire, the state of India today, and whether his father, as one of the many characters on his quest, claims really was a terrorist. Crisscrossing western India and following leads from bustling Mumbai to remote rural scenes, Moore Gilbert finally pieces together the truth, ultimately discovering that the same story links the past with the present: colonial India with its modern incarnation, terrorism, through the ages and father with son.

Mumbai Fables Gyan Prakash, 2010-09-20 A sweeping cultural history of India's largest city. A place of spectacle and ruin, Mumbai exemplifies the cosmopolitan metropolis. It is not just a big city but also a soaring vision of modern urban life. Millions from India and beyond of different ethnicities, languages, and religions have washed up on its shores, bringing with them their desires and ambitions. *Mumbai Fables* explores the mythic inner life of this legendary city as seen by its inhabitants, journalists, planners, writers, artists, filmmakers, and political activists. In this remarkable cultural history of one of the world's most important urban centers, Gyan Prakash unearths the stories behind its fabulous history, viewing Mumbai through its turning points and kaleidoscopic ideas: comic book heroes and famous scandals, the history behind Mumbai's stories of opportunity and oppression, of fabulous wealth and grinding poverty, of cosmopolitan desires and nativist energies. Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid *Blitz* and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. Shedding light on the city's past and present, *Mumbai Fables* offers an unparalleled look at this extraordinary metropolis. *Deccan Studies*, 2005 [Indian Books in Print](#), 2003 **Sentinel of the Sahyadris** Emmanuel Sumitra Modak, 2001
