**Secrets** Carl Douglass,2015-11-10 In Secrets Dr Sybil Norcroft feels as if she has gotten in over her head in a welter of secrets and conflicts She undergoes a lie detector test gets a major national award and gets inveigled into a secret association with the CIA all in a dizzyingly brief period of time She used to think her career as a practicing neurosurgeon was serious but after she is vetted for her CIA position she gains a new appreciation for serious The director asks her After you are actively engaged in Company work failing the lie detector test may mean a Company trial and swift and sure justice the least noxious being dismissal Any questions about the seriousness of that kind of justice Sybil felt chilly after completing that line of questioning Her first assignment is to hack into the Russian president s computer system The second assignment is to kill a man What on earth has this nice lady from California gotten herself into

**Secret Home Lore** Emma Wilson,2025-01-07 Secret Home Lore explores the fascinating intersection between family traditions and residential architecture revealing how generations have shaped their living spaces to reflect and preserve their unique customs Through extensive research spanning from the 1800s to present day the book examines how over 200 families across different regions have modified their homes to accommodate specific cultural practices and family rituals The emergence of memory rooms dedicated spaces for preserving family artifacts and traditions stands out as a particularly intriguing pattern observed across various cultures and economic backgrounds The book progresses through three main sections beginning with a historical analysis of how immigration and cultural preservation influenced home modifications It then delves into detailed case studies of families who maintained distinct architectural features across generations such as specialized cooking spaces and gathering areas The final section bridges past and present by offering practical guidance for modern homeowners looking to incorporate family traditions into contemporary home design What makes this work particularly valuable is its unique combination of architectural documentation and ethnographic research supported by building permits family diaries and multi generational interviews The text challenges traditional architectural history by emphasizing the active role of occupants in shaping their living spaces while providing practical tools for families to assess their spatial needs and make informed decisions about home modifications that honor their cultural heritage Through

accessible language and rich illustrations the book serves both academic researchers and families interested in preserving their residential traditions

**A Old Man's Secret; a Novel** Frank Trollope, 1866      Secret Spaces, Forbidden Places Fran Lloyd, Catherine O'Brien, 2001-06-01 In this highly original approach to the study of the construction of culture this collection of previously unpublished essays explore the topography of the secret and the forbidden focusing on specific moments in recent cultural and political history By bringing together writers from different disciplines and different locations this volume provides a rich and diverse mapping of how the secret and forbidden operate across different subjects and different geographies extending far beyond physical locations It is present in domains ranging from language literature and cinema to social and political life This refreshing and thought provoking collection of essays will prove invaluable for researchers and students
