Separate Sisters:

Separate Sisters Nancy Springer, 2014-12-30 Perfect Trisha and troublemaker Donni couldn't be more different but neither of them knows what to do when their parents get a divorce. After Donni and Trisha's parents split up, Donni goes to live with their dad and Trisha goes with their mom. Donni is nothing like her older sister Trisha, the Perfect who gets good grades and never does anything wrong. All Donni is interested in is art. Since the divorce, she's been in trouble practically every day. But after she smears paint on another girl's shirt and an adult asks her about the divorce, all hell breaks loose. Since Donni is always in trouble, no one seems to notice that Trisha is also having a hard time with things at home. With no one to confide in, Trisha pours her heart out about everything her parents, her sister, her hopes for the future in her journal. What she wants more than anything is for Donni to talk to her about how she's feeling. But after Donni does something terrible, maybe unforgivable, the two sisters might never be friends again. *The Role of Sisters in Women's Development* Sue A. Kuba, Professor of Psychology at the California School of Professional Psychology, 2011-03-04 Psychological theory has traditionally overlooked or minimized the role of siblings in development, focusing instead on parent-child attachment relationships. The importance of sisters has been even more marginalized. Sue A. Kuba explores this omission in *The Role of Sisters in Women's Development*, seeking to broaden and enrich current understanding of the psychology of women. This unique work is distinguished by Kuba's phenomenological method of research, rooted in a single prompt: "Tell me about your relationship with your sister." Rich in detail, the responses, many of which are reproduced at length within the book, provide a complex picture of sister relationships across the lifespan. Integrating these stories with current literature about gender and family composition for sisters of difference, disabled and lesbian sisters, and ethnic sisters, this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life, integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients. A valuable contribution to the field of mental health, *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection, as well as anyone who wants to further understand the importance of sisterhood. *Dangerous Sisters of the Hebrew Bible* Amy Kalmanofsky, 2014 Fathers, sons, and mothers take center stage in the Bible's grand narratives. Amy Kalmanofsky observes that sisters and sisterhood receive less attention in scholarship but she argues they play an important role in narratives revealing anxieties related to desire, agency, and solidarity among women playing out and playing against their roles in a patrilineal society. Most often, she shows, sisters are destabilizing figures in narratives about family crisis, where property, patrimony, and the resilience of community boundaries are at risk. Kalmanofsky demonstrates that the particular role of sisters had important narrative effects, revealing previously underappreciated dynamics in Israelite society. **Handbook of Marriage and the Family** Gary W. Peterson, Kevin R. Bush, 2012-09-14 The third edition of *Handbook of Marriage and the Family* describes, analyzes, synthesizes, and critiques the

current research and theory about family relationships family structural variations and the role of families in society This updated Handbook provides the most comprehensive state of the art assessment of the existing knowledge of family life with particular attention to variations due to gender socioeconomic race ethnic cultural and life style diversity The Handbook also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society In addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the Handbook a multidisciplinary and interdisciplinary framework

Siblings and sociology Katherine Davies,2023-02-07 Sibling relationships are full of intrigue yet tend to be overlooked in sociological thinking This book draws upon innovative qualitative data sources to explore the significance of siblings throughout the life course demonstrating why sociologists ought to pay attention to siblingship Focussing on four themes central to the discipline of sociology self relationality imagination and time the book shows why siblings matter Grounded in theories of relatedness but spanning theoretical work on generation life course emotion sensory worlds normativity and identity *Siblings and sociology* explores the importance of siblings in everyday life and how they inform wider social processes the relational construction of identity the inculcation of capital experiences of institutions like schools and the meanings of relatedness Siblings tap into profound questions about who we are and who we can become This book shows how the intrigue of siblingship renders them an important lens through which to think in new ways about familiar sociological ideas *Siblings and sociology* demonstrates why siblings are a fascinating subject for sociologists a relationship that can influence all aspects of life as well as an object of scrutiny capable of firing the sociological imagination and directing the analytical gaze

Daughter of Darkness Virginia Andrews,2010-11-01 Seventeen year old Lorelei Patio is the adopted daughter of a two hundred year old vampire Sergio Patio She never realized why her family has had to move often or why she is not permitted to get too friendly with other young people In fact except for one shocking moment that seemed more like a dream Lorelei never fully realized who and what her father was nor what her sisters were brought up to do for him But one day that all changed Sergio s daughters serve a very important purpose they are all beautiful young ladies who can easily attract and lure men so Sergio can feed on their blood And now Daddy expects Lorelei to be the obedient daughter he needs and bring him new victims But when Lorelei meets the shy but handsome Buddy in school she quickly falls in love with him He feels the same way but wonders why she doesn t want to take him home to meet her father Lorelei knows what will happen if she does and tries desperately to keep her two worlds apart but she knows she can never truly escape her fate as a daughter of darkness

Daughter of Darkness V.C. Andrews,2010-10-26 Dangerously enticing and deliriously intoxicating V C Andrews s *Daughter of Darkness* will leave readers thirsting for more Beloved bestselling author V C Andrews s passion for vampires comes to spellbinding life in a long awaited novel of dark desires as all consuming and

forbidden as in *Flowers in the Attic* One night with the sound of a young man's scream high school senior Lorelei discovers that her stern but loving father who adopted Lorelei and her sisters as infants is no ordinary man He has raised his beautiful girls for one purpose to lure young men into their world of shadows Like her sisters Lorelei has been trained in the art of seduction and warned never to fall in love But when she meets a handsome and charming classmate she boldly defies her family and follows her heart even if love is a poison

Family Law Reimagined Jill Elaine Hasday, 2014-06-30 This is the first book to explore the canonical narratives stories examples and ideas that legal decisionmakers invoke to explain family law and its governing principles Jill Elaine Hasday shows how this canon misdescribes the reality of family law misdirects attention away from actual problems family law confronts and misshapes policies

The Consequences of Divorce Craig A. Everett, 2021-05-30 This comprehensive volume brings to light little known implications of legal economic and custodial factors following a divorce *The Consequences of Divorce* goes beyond the past decade's extensive focus on emotional and social adjustment outcomes to explore in depth the post divorce legal economic and custodial variables that impact the entire family This important volume examines the economic conditions of both marriage partners after the divorce the effect of legislative models on child support payment child custody patterns and their impact on the family and intervention strategies that take such custody problems into account Teachers counselors researchers and attorneys will be better prepared to offer support to family members after a divorce with the understanding of the economic and custodial conflicts that they will gain from this new book The authoritative contributors examine statistics that show a marked decline in the economic well being of women and children which lead to questions of standards of adequacy for child support awards and an exploration of a new child support scheme from Australia Different child custody arrangements are analyzed according to their consequences for each family member providing valuable information for treating divorced families Specific topics of interest include decreased parental involvement for fathers after a divorce siblings separated by divorce mothers without custody and children's own viewpoints of custody arrangements This informative book will lead to increased services to divorced families by expanding professionals awareness of critical economic and legal issues that affect each member of the family

The Law Journal Reports, 1912

The Railway Conductor, 1929

The Complete Works of Virginia Woolf Virginia Woolf, 2024-02-22 This ebook contains Virginia Woolf's complete works This edition has been professionally formatted and contains several tables of contents The first table of contents at the very beginning of the ebook lists the titles of all novels included in this volume By clicking on one of those titles you will be redirected to the beginning of that work where you'll find a new TOC that lists all the chapters and sub chapters of that specific work

The Promise of Despair Andrew Root, 2010-03-01 Where is God present in the world What hope does the church offer to folks who are struggling with death and despair in their many forms from broken relationships to lost jobs to the seeming lack of meaning in our late modern context Some answer these questions by pointing to churches that have had success in growing their worship services and

ministries But Andrew Root invites us to answer the questions from a different angle Rather than place primary focus on creating a successful church he asks the church to open its eyes to the suffering and hopelessness of the world to identify with and embrace it because it is precisely in the world s suffering that God is found Using Luther s theology of the cross as a lens Root shows how the church s willingness to become weak for the world s sake results in a refocusing of Christian living and ministry which he examines through the categories of discipleship authentic hope community justice and resurrection Thus as with the other books in the Living Theology series this book brings theology to bear on life in suggestive and provocative ways encouraging readers to think theologically about their specific contexts **Unmeasured Strength** Lauren Manning,2012-08-21 A survivor s awe inspiring story of how she overcame tragedy and re created herself as a wife mother and woman *The Burning* Jane Casey,2011-08-30 A determined young police constable goes it alone against an enigmatic killer and her bosses in a series debut for fans of Sophie Hannah and Tana French The Burning Man It s the name the media has given a brutal murderer who has beaten four young women to death before setting their bodies ablaze in secluded areas of London s parks And now there s a fifth Maeve Kerrigan is an ambitious detective constable keen to make her mark on the murder task force Her male colleagues believe Maeve s empathy makes her weak but the more she learns about the latest victim Rebecca Haworth from her grieving friends and family the more determined Maeve becomes to bring her murderer to justice But how do you catch a killer no one has seen when so much of the evidence has gone up in smoke Maeve s frenetic hunt for a killer in Jane Casey s gripping series debut will entrance even the most jaded suspense readers **Emily's Ghost: A Novel of the Bronte Sisters** Denise Giardina,2010-07-05 Giardina pens a lustrous beautifully written reimagining of the Bront family and in particular Emily Bront s passionate engagement with life **A Child's Journey Through Placement** Vera I Fahlberg,2012-02-15 The classic child welfare text on understanding the experience of children in an out of home placement and how to help them It explains relevant psychological theory and provides practical guidance on how to provide the best care Case studies and exercises feature throughout **Freedom's Gate** Naomi Kritzer,2005-04-26 From the acclaimed author of Fires of the Faithful comes the tale of an impetuous young woman freeborn in a world of slavery and magic Twenty year old Lauria is the favorite aide to Kyros a powerful military officer On his authority she is messenger observer and spy But now she is entrusted with a mission more dangerous than any that have come before After years of relative peace word has come to Kyros s compound that the bandit tribe known as the Alashi is planning an offensive It is up to Lauria to infiltrate the Alashi by posing as an escaped slave a charge that requires she serve in the household of a neighboring officer From there she will stage an escape and continue on in her guise as a runaway But posing as a slave a virgin concubine no less may prove the least of her troubles For even if she does escape and the Alashi do accept her how can this freeborn woman convince them she is slave not spy And worse what if her own views are gradually changing calling everything she believes about her world into question **Negotiating Development in Muslim Societies** Gudrun

Lachenmann, Petra Dannecker, 2008-05-29 *Negotiating Development in Muslim Societies* explores the negotiation processes of global development concepts such as poverty alleviation human rights and gender equality It focuses on three countries which that are undergoing different Islamisation processes Senegal Sudan and Malaysia While much has been written about the hegemonic production and discursive struggle of development concepts globally this book analyzes the negotiation of these development concepts locally and translocally Lachenmann and Dannecker present empirically grounded research to show that although women are instrumentalized in different ways for the formation of an Islamic identity of a nation or group they are at the same time important actors and agents in the processes of negotiating the meaning of development restructuring of the public sphere and transforming the societal gender order *Deciding Children's Futures* Joyce Scaife, 2013 This book addresses the assessment of parents and children of struggling families where there are issues of neglect or harm and separating parents are contesting arrangements for their children's care

Separate Sisters Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Separate Sisters**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
