The Confessions of Señora Francesca Navarro and Other Stories Natalie L. M. Petesch, 2005 Memory of course is sometimes like a bucking horse sometimes a runaway one and one must control the reins until finally it stops snorting with exhausted relief writes Natalie L M Petesch in her haunting new collection *The Confessions of Señora Francesca Navarro and Other Stories* Petesch immerses readers in the lives of people caught up in the 1936-39 Spanish Civil War which left more than five hundred thousand dead She captures the hand to mouth existence on the streets of Madrid of two war orphans an old soldier's memories of a fallen militiaman the dilemma of Franco's laundress as she seeks to duplicate a stolen religious icon she finds in his home and a man's struggle to find his bride among thousands of Republican refugees waiting for ships to evacuate them before Franco's Fascists arrive to kill them In the title novella an elderly woman describes to her granddaughter how the families of Franco's officers fighting against Republican militiamen endured hunger filth and danger in an underground fortress Petesch conveys the humiliating details of war through the sensibility of a cultured woman who recalls only too vividly latrines made of laundry tubs the smell of unwashed humans and the stench of death Brilliant in its imaginative power and heartbreaking in its access to the bottomless well of human tears *The Confessions of Señora Francesca Navarro and Other Stories* is the work of a mature artist able to convey a particular world so vividly that we know these people as our own

The Queen of Spades and Other Stories Alexander Pushkin, 2009-01-29 *The Queen of Spades* has long been acknowledged as one of the world's greatest short stories In this classic literary representation of gambling Alexander Pushkin explores the nature of obsession Hints of the occult and gothic alternate with scenes of St Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table Underlying the taut plot is an ironical treatment of the romantic dreamer and social outcast This volume contains three other major works of Pushkin's fiction moving from the witty parodies of sentimentalism and high melodrama in *The Tales of Belkin* to an early experiment with recreating the past in *Peter the Great's Blackamoor* It concludes with the novel length masterpiece *The Captain's Daughter* which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance These new translations as well as being meticulously faithful to the original do full justice to the elegance and fluency of Pushkin's prose The Introduction provides insightful readings of the stories and places them in their European literary context A chronology of the Pugachov Uprising illuminates the events in *The Captain's Daughter* ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Grave Business Graham Ingels, Al Feldstein, 2015-07-04 Even in an era of explicit horror films Ghastly Graham Ingels still delivers a shock to readers with his grisly depictions of the stomach churning fates of the evil men and women in these stories leavened only by a sly wink to the reader and a generous dose of dreadful puns Ingels s brushwork oozes ominously across every panel perfectly setting the mood for the shudder inducing fates of such corrupt characters as the sadistic asylum director the political candidate who murders his opponent the ventriloquist with the homicidal dummy the millionaire who persecutes an aged junkman and the medieval duke who runs over a young boy with his carriage then taxes the peasants to pay for cleaning up his victim s blood
