In the oldest scriptures of Theravada Buddhism much attention is given to the jhanas high levels of meditative attainment distinguished by powerful concentration and purity of mind Ven Dr Gunaratana examines these jhanas within the context of Buddhist teaching as a whole and particularly within the meditation disciplines taught by the Buddha Beginning with the ethical foundation for meditation the role of the teacher the classical subjects of meditation and the appropriateness of these subjects to individual practitioners the author traces the practice of meditation to the higher reaches of realization The eight stages of jhana are individually analyzed and explained in terms of their relation to one another and to the ultimate goal of the teaching The author makes the critical distinction between the mundane jhanas and supermundane jhanas pointing out that the lower four while leading to various mental powers and psychic attainments are not necessary to full enlightenment and may be developed or bypassed as the meditator wishes The author goes on to explain the place of the jhanas among the

accomplishments of an arahat and elucidate their usefulness for a dedicated meditator For more info please log on to www.mlbd.co.in The Portal to Serenity Pasquale De Marco,2025-04-06 In a world brimming with uncertainty and commotion The Portal to Serenity emerges as a beacon of hope illuminating the path toward inner peace and tranquility This comprehensive guide meticulously crafted for the modern seeker unveils the transformative power of serenity in various aspects of life Drawing inspiration from both Eastern and Western wisdom it provides a holistic approach to achieving a state of calmness contentment and fulfillment Journey through the profound teachings of ancient Eastern philosophies discovering the art of detachment the transformative potential of meditation and the harmonizing effects of yoga Delve into the resilience of Stoicism the simplicity of Epicureanism the existential quest for meaning and the potential of humanism to foster personal growth and fulfillment These diverse perspectives offer invaluable insights empowering readers to navigate life's complexities with grace and equanimity Embrace the transformative power of mindfulness gratitude forgiveness self compassion and acceptance unveiling their potential to cultivate inner serenity Learn to navigate the intricacies of relationships the demands of the workplace and the challenges of everyday life with newfound serenity and resilience Discover how to overcome negative emotions manage stress and anxiety and break free from the unrelenting pursuit of external validation Explore the profound impact of serenity on physical and mental well being uncovering the link between a serene mind and a healthy body Delve into the transformative effects of a minimalist lifestyle the restorative power of nature and the joy of engaging in meaningful hobbies and activities Unveil the secrets of finding serenity even in the face of adversity discovering the resilience to weather life's storms with grace and strength Learn to embrace adversity as an opportunity for growth find solace in gratitude seek support from loved ones and discover the transformative power of embracing change As you embark on this transformative journey you will uncover the true essence of serenity living a life characterized by inner peace harmony and fulfillment With each step you take you will leave a trail of serenity inspiring others to embrace this transformative path creating a ripple effect that will spread serenity throughout the world The Portal to Serenity is more than just a book it is a transformative companion guiding readers toward a life of serenity and fulfillment Its comprehensive approach drawing from diverse wisdom traditions and practical tools empowers readers to cultivate inner peace and navigate the complexities of modern life with grace and resilience If you like this book write a review Serenity Is an Inside Job Jacquie Hale,2005-11 From Fear to Serenity with Anthony de Mello Casey, Thomas G., SJ,Hassett, Margaret Brennan,2011 An informal individual retreat with the works of the great Indian Jesuit psychologist and spiritual master Anthony de Mello SJ **Securing Serenity in Troubling Times** Lawrence Ventline,2019-03-25 Securing Serenity in Troubling Times Acceptance Solutions is framed in the Serenity Prayer along with edited notes from the Class in Acceptance of author Lawrence Ventline's boyhood pastor Fr EDWARD D POPIELARZ Hundreds of participants attend the popular human growth and development class including Ventline Finding Serenity in the Age of Anxiety Robert
