*Sergeant, Sinner, Saint, and Spy* William Marjouram, Laurie Barber, 1990      Soldiers, Scouts and Spies Cliff

Simons, 2019-10-10 A fascinating and detailed study of the major campaigns on the New Zealand Wars As interest in the New Zealand Wars grows *Soldiers Scouts and Spies* offers a unique insight into the major campaigns fought between 1845 and 1864 by British troops their militia and Maori allies and Maori iwi and coalitions It was a time of rapid technological change Maori were quick to adopt western weaponry and evolve their tactics and even political structures as they looked for ways to confront the might of the Imperial war machine And Britain despite being a military and economic super power was challenged by a capable enemy in a difficult environment This detailed examination of the Wars from a military perspective focuses on the period of relatively conventional warfare before the increasingly irregular fighting of the late 1860s It explains how and where the battles were fought and their outcomes Importantly it also analyses the intelligence gathering skills and processes of both British and Maori forces as each sought to understand and overcome their enemy

**The 1857 Indian Uprising and the British Empire** Jill C. Bender, 2016-02-11 Situating the 1857 Indian uprising within an imperial context Jill C Bender traces its ramifications across the four different colonial sites of Ireland New Zealand Jamaica and southern Africa Bender argues that the 1857 uprising shaped colonial Britons perceptions of their own empire revealing the possibilities of an integrated empire that could provide the resources to generate and justify British power In response to the uprising Britons throughout the Empire debated colonial responsibility methods of counter insurrection military recruiting practices and colonial governance Even after the rebellion had been suppressed the violence of 1857 continued to have a lasting effect The fears generated by the uprising transformed how the British understood their relationship with the colonized and shaped their own expectations of themselves as colonizer Placing the 1857 Indian uprising within an imperial context reminds us that British power was neither natural nor inevitable but had to be constructed      The New Zealand Journal of History , 2002

**Edward Eyre** Julie Evans, 2005 Edward Eyre the mid nineteenth century explorer colonial administrator and later colonial governor is remembered as the enlightened defender of Aboriginal rights in Australia and as the reviled butcher of Jamaica in England and the Caribbean In 1865 Eyre declared martial law in response to an alleged rebellion in Morant Bay Jamaica resulting in 439 deaths over 600 floggings and over 1000 homes incinerated This book explores Eyre's actions through his perceptions of the colonial encounter It looks at the distinctive colonial cultures in which he lived and works and the broader imperial obligations that framed his administrations Eyre's interventions in Australia and Jamaica reflected a correlation between race resistance and repression that characterised British colonialism Britain's interest in establishing settler colonies is discussed using New Zealand as a case study Eyre spent six years as Lieutenant Governor in New Zealand and was responsible for the development of administrative structures and the purchase of Maori lands for settlement      Arts & Humanities Citation Index , 1992 A multidisciplinary index covering the journal literature of
