

Sergio Leone

**Oreste De Fornari**

## Sergio Leone:

*The Films of Sergio Leone* Robert C. Cumbow, 2008-02-15 Sergio Leone's renown as a filmmaker rests upon a fistful of films most notably the three Westerns he made with Clint Eastwood in the mid 1960s *A Fistful of Dollars* 1964 *For a Few Dollars More* 1965 and *The Good the Bad and the Ugly* 1966 While the success of these movies ensured Leone's reputation would endure the few films he made following *The Man with No Name* Trilogy culminating in his American gangster epic *Once Upon a Time in America* 1984 with Robert DeNiro would solidify Leone's place as one of the great visionaries of his time In this enhanced revision of *Once upon a Time The Films of Sergio Leone* Robert C Cumbow examines the work of this Italian filmmaker who made his mark re-envisioning the American Western This volume includes a greatly expanded introduction and contains newly revised essays in which Cumbow analyzes the transition from peplum films to westerns in the Italian popular tradition The book also examines each of Leone's major films as director as well as the swan song Italian Western *My Name Is Nobody* which Leone co-wrote and guided as producer Cumbow also studies Leone's compositional style and the influence of Catholicism and the Italian grand opera tradition on his work He provides a critical evaluation of Leone's style in reshaping the Western genre and later the crime film as well as an assessment of the influences on Leone's work and his continuing impact on subsequent generations of film makers Additional features of this book include thumbnail comments on the professionals who most frequently made up Leone's cast and crew as well as an entire chapter devoted to composer Ennio Morricone The book also includes an exhaustive bibliography discography and filmography completely updated for this new edition For fans and scholars seeking original and illuminating discussion of his work *The Films of Sergio Leone* provides a critical appreciation of this master stylist

**Once Upon a Time** Robert C. Cumbow, 1987 A well informed overview of the career of one of Italy's more influential and American influenced directors I was amazed by the obsessive love and dedication that went into a book like this **FILMS IN REVIEW**

Once Upon a Time in Italy Christopher Frayling, 2008-01-01 In the mid 1960s an unknown Italian film director named Sergio Leone was given 200 000 and some leftover film stock and he went to make a Western With an American TV actor named Clint Eastwood and a script based on a samurai epic Leone wound up creating *A Fistful of Dollars* the first in a trilogy of films with *For a Few Dollars More* and *The Good the Bad and the Ugly* that was violent cynical and visually stunning Along with his later masterpiece *Once Upon a Time in the West* these films came to define the Spaghetti Western

*The Art of Sergio Leone's Once Upon a Time in the West* John Fawell, 2014-12-24 Few directors are characterized by both extraordinary film craft and the ironic reputation for lowbrow films Despite his many achievements as a child of the Italian Cinecittà studios however Sergio Leone has been judged severely by writers who find his films lacking in ideas and moralists who find his films unduly cynical Nevertheless Leone's greatest cinematic achievement *Once Upon a Time in the West* served to refute these criticisms while exposing the director's unique romanticism and artistic ambition As Leone's fourth successful American western film *Once Upon a Time in*

the West earned him acclaim for liberating the western genre restoring it to a place of antique American simplicity The principal goal of this book is to sharpen an appreciation for Sergio Leone and his most famous American western The first two chapters deal with the relationship between Once Upon a Time in the West and the western films that preceded it particularly those of John Ford Subsequent chapters concentrate on the central characters of Once Upon a Time in the West with special attention to Jill Leone s first female protagonist and a surprisingly successful character central to the plot and accorded a kind of existential strength usually reserved for men in Westerns The sixth seventh and eighth chapters address Leone s visual style which represents a unique fusion of Hollywood classicism and modernism and reveals the influences of Italian Surrealism and the French New Wave The final chapters explore the rhythm romanticism and musical character of Once Upon a Time in the West espousing the theory that Leone s approach to film is above all musical Sergio Leone Christopher Frayling,2008 In the mid 1960s an unknown Italian film director Sergio Leone made A Fistful of Dollars the first in a trilogy of films that came to define the spaghetti western The films that complete the trilogy For a Few Dollars More and The Good the Bad and the Ugly are like the first film violent cynical and visually stunning and together they form the backbone of an important film genre that has influenced many contemporary filmmakers This book newly available in paperback is an authoritative in depth study of Leone and the Italian Western by film expert and cultural historian Sir Christopher Frayling Featuring analyses of and interviews with all the key players including Leone himself it forms a wonderful tribute to one of the master filmmakers of the 20th century Sergio Leone Oreste De Fornari,1997 The great American Western would never be the same after Italian director Sergio Leones spaghetti western revolution **All about Sergio Leone** Oreste De Fornari,2019-03 A definitive anthology dedicated to the most American of the Italian directors whose way of doing cinema has influenced tens of filmmakers Tarantino above all Besides a detailed examination of films personal memories of the director and of the many collaborators who worked with him from Bertolucci to Dario Argento from Ennio Morricone to Clint Eastwood script excerpts and beautiful photographs The volume by De Fornari an experienced Italian film critic who knew Leone well and author of another insightful book about Leone uses individual films along with original material a preface by Academy Award winning filmmaker Giuseppe Tornatore a collection of quotes arranged alphabetically and an essay Six Ways Not to Resemble John Ford that explains what distinguishes Leone from the myriad of Italian and American directors making westerns **Sergio Leone** Christopher Frayling,2000 Groundbreaking spaghetti westerns such as the Dollars trilogy starring Clint Eastwood as The Man With No Name and the magisterial Once Upon A Time In The West made Sergio Leone one of the most popular directors in world cinema Christopher Frayling s biography of Sergio Leone lovingly explores his body of work and casts light upon the previously little known details of his life Sergio Leone was born into movies his father a popular director of the silent era Obsessed by the illusory worlds of cinema and theatre captivated by the myths of the American West young Sergio embarked on a fabulous career of his own He made an icon out of the initially

reluctant Clint Eastwood and dallied with the Hollywood studio system but always stuck to his guns the gangster epic *Once Upon A Time In America* consumed 15 years of his life But Leone's passion made for extraordinary cinema a widely adored collection of films about which Christopher Frayling provides an unprecedented wealth of extensively researched analysis and anecdote In this revealing biography Christopher Frayling the widely acclaimed author of *The Yellow Peril* explores the life of Sergio Leone the world renowned director of *The Good the Bad and the Ugly* *A Fist Full of Dollars* *Once Upon A Time in the West* and *Once Upon A Time in America* *Sergio Leone* Michael Carlson, 2001 Almost everything you need to know about Sergio Leone in one handy volume Presents an analysis of each of his films and discusses his influence on his contemporaries and the film makers who came after him all at a bargain price **Sergio Leone by Himself** Christopher Frayling, 2024-11-19 New York Magazine, 1973-11-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Coyote Kills John Wayne* Carlton Smith, 2000 Exploring the cultural and literary borderlands between Native American postcolonial and postmodern theories of cultural representation Carlton Smith explicates Frederick Jackson Turner's famous frontier thesis in terms of the repressed Other Through readings of six important contemporary works by innovative writers Smith provides rich insight into minority versions of the frontier The Films of Sergio Leone Bill Alan Shaffer, 1978 Historical Dictionary of Italian Cinema Gino Moliterno, 2020-12-08 Italian cinema is now regarded as one of the great cinemas of the world Historically however its fortunes have varied Following a brief moment of glory in the early silent era Italian cinema appeared to descend almost into irrelevance in the early 1920s A strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of World War II The end of the war however initiated a renewal as films such as *Roma città aperta* *Rome Open City* *Sciusci Shoeshine* 1946 and *Ladri di biciclette* *Bicycle Thieves* 1948 flagbearers of what soon came to be known as Neorealism attracted unprecedented international acclaim and a reputation that only continued to grow in the following years as Italian films were feted worldwide Ironically they were celebrated nowhere more than in the United States where Italian films consistently garnered the lion's share of the Oscars with Lina Wertmüller becoming the first woman to ever be nominated for the Best Director award This second edition of *Historical Dictionary of Italian Cinema* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on major movements directors actors actresses film genres producers industry organizations and key films This book is an excellent resource for students researchers and anyone wanting to know more about Italian Cinema Encyclopedia of Italian Literary Studies Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing

some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism, film, media, children's literature, food, and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

Sergio Leone: The Revolution of the Western Améziene Hammouche, 2025-11-04

**DRAW MEET THE OUTLAW WHO CHANGED THE WESTERN FOREVER** From *A Fistful of Dollars* to *Once Upon a Time in the West*, Sergio Leone took a dying genre, aimed his camera straight at the sun, and rewrote the rules of cinema with every close-up standoff and soaring Morricone score. Told in Leone's own voice, this graphic novel follows his rise from Roman backlots to the deserts of Spain, where he forged a new path as the father of the spaghetti Western. Written and illustrated by Amazing Améziene.

**Sergio Leone: The Revolution of the Western** is a legendary ride through film history, loaded with grit, glory, and a whole lotta gunpowder, directed by the man who made staring contests deadlier than bullets.

**Spaghetti Westerns** Christopher Frayling, 1998-12-31 A classic book on the production and cultural context of European Westerns.

*Sergio Leone: The Revolution Of The Western* Amazing Améziene, 2025-09-23

From *Amazing Améziene*, the creator of *Quentin by Tarantino* and *Don Coppola*, comes the next insightful instalment of biographical graphic novels. Based on the lives and films of acclaimed cinema icons, this book focuses on the legendary Sergio Leone of *The Good, the Bad, and the Ugly* fame. Following the story of the man behind the movies, Sergio Leone shows the insight behind the critically acclaimed *Dollars Trilogy* director and takes a look at both the impact of his movies and the narrative of his life from his cinematic viewpoint. Created and illustrated by Amazing Améziene, *Sergio Leone* is the next instalment in the author's *Cine* saga, illustrating the behind-the-scenes stories of some of Hollywood's biggest hits.

Horizons West Jim Kitses, 2019-07-25

When first published in 1969, *Horizons West* was immediately recognised as the definitive critical account of the Western film and some of its key directors. This greatly expanded new edition is like the original, written in a graceful, penetrating and absorbingly readable style. It provides definitive critical analysis of the six greatest film makers of the Western genre: John Ford, Anthony Mann, Budd Boetticher, Sam Peckinpah, Sergio Leone, and Clint Eastwood. And it offers illuminating accounts of such classic Westerns as *The Searchers*, *Pat Garrett and Billy the Kid*, *Once Upon a Time in the West*, *Shane*, and many more. Among the completely new material in this edition is Kitses's magisterial account of the work of the greatest of Western directors, John Ford. Kitses also assesses how the Western has been challenged by revisionist historical accounts of the West and the Western, and by movement such as feminism, postmodernism, multiculturalism, and psychoanalysis. The product of a lifetime's labour and love.

Horizons West is a landmark of scholarship and interpretation devoted to what is for many Hollywood's signature genre. It provides a compelling account of the powerful mythology of America's past as forged by Western films and the men who made them.

**A History of Italian Cinema** Peter Bondanella, 2009-10-12

A History of Italian Cinema is the only comprehensive and up-to-date book on the subject available anywhere in any language.
