Literary Fiction Geir Farner, 2014-01-30 Insofar as literary theory has addressed the issue of literature as a means of communication and the function of literary fiction opinions have been sharply divided indicating that the elementary foundations of literary theory and criticism still need clarifying Many of the classical problems that literary theory has been grappling with from Aristotle to our time are still waiting for a satisfactory solution Based on a new cognitive model of literature as communication Farner systematically explains how literary fiction works providing new solutions to a wide range of literary issues like intention function evaluation delimitation of the literary work as such fictionality suspense and the roles of author and narrator along with such narratological problems as voice point of view and duration Covering a wide range of literary issues central to literary theory offering new theories while also summarising the field as it stands Literary Fiction will be a valuable guide and resource for students and scholars of the theory of literature

Novel Competition Evan Brier, 2024-04-16 Novel Competition describes the literary and institutional effort to make the American novel matter after 1965 During this era Hollywood movies popular music and other forms of mass produced culture vied with novels for a specific kind of prestige often figured as importance or relevance that had mostly been attached to novels in previous decades This trans media competition Brier argues is a crucial but largely unacknowledged event in the literary and economic history of the American novel In the face of it the novel lost some of the symbolic specialness it formerly held That

loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production Drawing on a range of novels and on the archives of publishers editors agents and authors *Novel Competition* shows how fiction's declining position in a transformed popular prestige economy reshaped the post 1965 American novel as art form cultural institution and commodity
