Serpent And Phallic Worship

**Granville Stanley Hall, Alexander
Francis Chamberlain**

Serpent And Phallic Worship:

Serpent and Phallic Worship J. G. R. Forlong, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Phallic Worship: A**

Description of The Mysteries of The Sex Worship of The Ancients With The History of The Masculine Cross

Anonymous, Sex Worship has prevailed among all peoples of ancient times sometimes contemporaneous and often mixed with Star Serpent and Tree Worship The powers of nature were sexualised and endowed with the same feelings passions and performing the same functions as human beings Among the ancients whether the Sun the Serpent or the Phallic Emblem was worshipped the idea was the same the veneration of the generative principle Thus we find a close relationship between the various mythologies of the ancient nations and by a comparison of the creeds ideas and symbols can see that they spring from the same source namely the worship of the forces and operations of nature the original of which was doubtless Sun worship It is not necessary to prove that in primitive times the Sun must have been worshipped under various names and venerated as the Creator Light Source of Life and the Giver of Food In the earliest times the worship of the generative power was of the most simple and pure character rude in manner primitive in form pure in idea the homage of man to the supreme power the Author of life Afterwards the worship became more depraved a religion of feeling sensuous bliss corrupted by a priesthood who were not slow to take advantage of this state of affairs and inculcated with it profligate and mysterious ceremonies union of gods with women religious prostitution and other degrading rites Thus it was not long before the emblems lost their pure and simple meaning and became licentious statues and debased objects Hence we have the depraved ceremonies at the worship of Bacchus who became not only the representative of the creative power but the God of pleasure and licentiousness The corrupted religion always found eager votaries willing to be captives to a pleasant bondage by the impulse of physical bliss as was the case in India and Egypt and among the Ph nicians Babylonians Jews and other nations Sex worship once personified became the supreme and governing deity enthroned as the ruling God over all dissent therefrom was impious and punished The priests of the worship compelled obedience monarchs complied to the prevailing faith and became willing devotees to the shrines of Isis and Venus on the one hand and of Bacchus and Priapus on the other by appealing to the most animating passion of nature **Journal of the Anthropological Society of London**

Anthropological Society (London), 1865 Serpent-Worship, and Other Essays, with a Chapter on Totemism C. Staniland Wake, 2019-12-06 In *Serpent Worship and Other Essays with a Chapter on Totemism* C Staniland Wake offers a profound exploration of ancient religious practices centered around serpent veneration epitomizing the intricate interplay between mythology and ethnology The essays adopt a multi disciplinary literary style combining vivid descriptions with analytical

rigor that situates these beliefs within a broader cultural and historical framework Wake skillfully balances scholarly critique with accessibility inviting readers to engage with the complex symbolism and rituals associated with serpents while providing a compelling chapter on totemism that bridges Indigenous spirituality and contemporary anthropological thought C Staniland Wake was a pioneering figure in the study of folklore and mythology whose academic endeavors were influenced by the burgeoning discipline of anthropology in the early 20th century He sought to unravel the layers of significance within religious practices drawing from his extensive field research and comparative studies His work reflects a deep commitment to understanding the cultural landscape of humanity inspired by both academic curiosity and an appreciation for traditional belief systems This book is essential for any reader interested in the intersections of mythology religion and anthropology Wake s essays provide a thoughtful examination of how serpent worship has influenced various cultures making it indispensable for scholars and enthusiasts alike seeking to comprehend the enduring legacy of ancient practices in contemporary society

The Anthropological Review ,1865 **Class A, Theology. B, Mythology and folklore. C, Philosophy. 1910** William Swan Sonnenschein,1910 Journal of the Anthropological Society of London Anthropological Society of London,1864 The American Tyler-keystone ,1909 **Rivers of Life Or, Sources and Streams of the Faiths of Man in All Lands** James George Roche Forlong,1883 *Rivers of Life. Or, Sources and Streams of the Faiths of Man in All Lands. Showing the Evolution of Faiths from the Rudest Symbolisms to the Latest Spiritual Developments* James George Roche Forlong,2025-09-22 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Journal of Religious Psychology, Including Its Anthropological and Sociological Aspects** ,1912 Includes section Book reviews *Journal of Religious Psychology* Granville Stanley Hall,Alexander Francis Chamberlain,1912 Includes section Book reviews **The American Journal of Religious Psychology and Education** ,1912 **Rivers of Life** J.G. R. Forlong,1883 Sources and streams of the faiths of man in all lands showing the evolution of faiths from the rudest symbolism to the latest spiritual developments The Medicine-Men of the Apache. (1892 N 09 / 1887-1888 (pages 443-604)) John Gregory Bourke,2019-11-25 In The Medicine Men of the Apache author John Gregory Bourke provides a detailed and captivating account of the Apache tribe s medicine men and their practices Through his meticulous observations and analysis Bourke sheds light on the spiritual and healing rituals of the Apache offering insight into their culture and belief systems The book is written in a scholarly manner with a focus on accurate documentation and thoughtful interpretation of the subject matter making it a valuable resource for anyone interested in Native American history and anthropology Bourke s narrative style is engaging and informative providing readers with a fascinating look into a often misunderstood aspect of Apache society John Gregory Bourke a respected military officer and ethnologist drew upon his firsthand experiences with various Native American tribes to write The Medicine Men

of the Apache His background in both the military and academia equipped him with the knowledge and perspective necessary to undertake such a comprehensive study Bourke s dedication to documenting and preserving the customs and traditions of indigenous peoples shines through in this work cementing his reputation as a respected authority on Native American cultures I highly recommend *The Medicine Men of the Apache* to readers interested in Native American studies anthropology and cultural history Bourke s meticulous research and insightful analysis make this book a valuable contribution to the field offering a unique glimpse into the spiritual practices of the Apache tribe
