Sex Wars Sexual Dissent And Political Culture:

Sex Wars Lisa Duggan, Nan D. Hunter, 1995 *Sex Wars* is a collection of writings by Duggan and Hunter that brings together the best of the important work they have done on sexual politics in America over the past decade *Sex Wars* traces the development of this politics and its deployment in three different arenas speech and representation legal regulation and scholarship

Sex Wars Lisa Duggan, Nan D. Hunter, 2014-01-27 This book is a collection of essays written during the 1980s and 1990s generated as parts of other larger activist efforts going on at the time Read together the essays trace the progress of the conversations between different activist groups and between the authors of the pieces Lisa Duggan and Nan Hunter creating a bridge between feminists gay activists those in politics and those in the law Since the 1995 publication of *Sex Wars* the political landscape has altered significantly Yet the issues and essays are still relevant today The anniversary edition contains a new chapter dealing with the changes in the law since the book's publication *Lawrence v Texas* for example

The New Sex Wars Brenda Cossman, 2024-12-03 Revisits the sex wars of the 1970s and 80s and examines their influence on how we think about sexual harm in the MeToo era MeToo's stunning explosion on social media in October 2017 radically changed and amplified conversations about sexual violence as it revealed how widespread the issue is and toppled prominent celebrities and politicians But as the movement spread a conflict emerged among feminist supporters and detractors about how punishment should be doled out and how justice should be served The New Sex Wars reveals that these clashes are nothing new Delving into the contentious debates from the 70s and 80s Brenda Cossman traces the striking echoes in the feminist divisions of this earlier period In exploring the history of past conflicts the resistance to finding common ground the media's pleasure in portraying the debates as polarized cat fights the simplification of viewpoints as pro and anti sex she shows how they have come to shape the MeToo era From the 70s to today Cossman examines tensions between the need for recognition and protection under the law and the colossal and ongoing failure of that law to redress historic injustice By circumventing law altogether MeToo has led us to question whether justice can be served outside of the courtroom Cossman argues for a different way forward one based on reparative models that focus on shared desired outcomes and the willingness to understand the other side Thoughtful and compelling The New Sex Wars explores what can be learned from these stories what traps we repeatedly fall into how we have been denied our anger and where to begin to make law work

Why We Lost the Sex Wars Lorna N. Bracewell, 2021-03-23 Reexamining feminist sexual politics since the 1970s the rivalries and the remarkable alliances Since the historic MeToo movement materialized in 2017 innumerable survivors of sexual assault and misconduct have broken their silence and called out their abusers publicly from well known celebrities to politicians and high profile business leaders Not surprisingly conservatives quickly opposed this new movement but the fact that sex positive progressives joined in the opposition was unexpected and seldom discussed *Why We Lost the Sex Wars* explores how a narrow set of political prospects for resisting the use of sex as a tool of domination came to be

embraced across this broad swath of the political spectrum in the contemporary United States To better understand today's multilayered sexual politics Lorna N Bracewell offers a revisionist history of the sex wars of the 1970s 80s and 90s Rather than focusing on what divided antipornography and sex radical feminists Bracewell highlights significant points of contact and overlap between these rivals particularly the trenchant challenges they offered to the narrow and ambivalent sexual politics of postwar liberalism Bracewell leverages this recovered history to illuminate in fresh and provocative ways a range of current phenomena including recent controversies over trigger warnings the unimaginative politics of sex positive feminism and the rise of carceral feminism By foregrounding the role played by liberal concepts such as expressive freedom and the public private divide as well as the long neglected contributions of Black and Third World feminists Bracewell upends much of what we think we know about the sex wars and makes a strong case for the continued relevance of these debates today Why We Lost the Sex Wars provides a history of feminist thinking on topics such as pornography commercial sex work LGBTQ identities and BDSM as well as discussions of such notable figures as Patrick Califia Alan Dershowitz Andrea Dworkin Elena Kagan Audre Lorde Catharine MacKinnon Cherr e Moraga Robin Morgan Gayle Rubin Nadine Strossen Cass Sunstein and Alice Walker

Equality for Same-Sex Couples Yuval Merin, 2010-02-15 During the past three decades nations all over the world have been debating whether to allow same sex couples to marry or at least grant these couples various rights associated with marriage In Equality for Same Sex Couples Yuval Merin presents the first comparative study of the legal regulation of same sex partnerships worldwide as well as a unique survey of the status of same sex couples in Europe Merin begins by providing a historical overview of the transformation of marriage from antiquity to the present He then identifies and critically compares four principal models for the legal regulation and recognition of same sex partnerships civil marriage registered partnership domestic partnership and cohabitation Merin concludes that all of the models except civil marriage discriminate against gays and lesbians just as the separate but equal doctrine discriminated against African Americans thus so called alternatives to marriage even if they provide the same rights and benefits as marriage are inherently unequal and therefore unconstitutional

Bachelors and Bunnies Carrie Pitzulo, 2011-05 Offering a surprising new take on a twentieth century icon Bachelors and Bunnies goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause

Not My Mother's Sister Astrid Henry, 2004-09-07 Rebellious generations and the emergence of new feminisms

Women, Sexuality and the Political Power of Pleasure Susie Jolly, Andrea Cornwall, Kate Hawkins, 2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women's sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive

often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure Women Sexuality and the Political Power of Pleasure brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all *Bodies of Evidence* Nan Alamilla Boyd, Horacio N. Roque Ramirez, 2012-02-26 *Bodies of Evidence* The Practice of Queer Oral History is the first book to provide serious scholarly insight into the methodological practices that shape lesbian gay bisexual transgender and queer oral histories Each chapter pairs an oral history excerpt with an essay in which the oral historian addresses his or her methods and practices With an afterword by John D Emilio this collection enables readers to examine the role memory desire sexuality and gender play in documenting LGBTQ communities and cultures The historical themes addressed include 1950s and 60s lesbian bar culture social life after the Cuban revolution the organization of transvestite social clubs in the U S midwest in the 1960s Australian gay liberation activism in the 1970s San Francisco electoral politics and the career of Harvey Milk Asian American community organizing in pre AIDS Los Angeles lesbian feminist sex war cultural politics 1980s and 90s Latina o transgender community memory and activism in San Francisco and the war in Iraq and Afghanistan The methodological themes include questions of silence sexual self disclosure and voyeurism the intimacy between researcher and narrator and the social and political commitments negotiated through multiple oral history interviews The book also examines the production of comparative racial and sexual identities and the relative strengths of same sexuality cross sexuality and cross ideology interviewing **Political Science Abstracts** ,2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available
