Sex with the Queen LP Eleanor Herman,2006-11-07 In this follow up to her bestselling Sex with Kings Eleanor Herman reveals the truth about what goes on behind the closed door of the queen s boudoir Impeccably researched filled with page turning romance passion and scandal Sex with the Queen explores the scintillating sexual lives of some of our most beloved and infamous female rulers including the notorious Catherine the Great the passionately foolish Marie Antoinette the destructively willful Tsarina Alexandra and the bastion of virtue Queen Victoria mother of nine children

Sex with Kings Eleanor Herman,2009-03-17 Throughout the centuries royal mistresses have been worshiped feared envied and reviled They set the fashions encouraged the arts and in some cases ruled nations Eleanor Herman s Sex with Kings takes us into the throne rooms and bedrooms of Europe s most powerful monarchs Alive with flamboyant characters outrageous humor and stirring poignancy this glittering tale of passion and politics chronicles five hundred years of scintillating women and the kings who loved them Curiously the main function of a royal mistress was not to provide the king with sex but with companionship Forced to marry repulsive foreign princesses kings sought solace with women of their own choice And what women they were From Madame de Pompadour the famous mistress of Louis XV who kept her position for nineteen years despite her frigidity to modern day Camilla Parker Bowles who usurped none other than the glamorous Diana Princess of Wales The successful royal mistress made herself irreplaceable She was ready to converse gaily with him when she was tired make love until all hours when she was ill and cater to his every whim Wearing a mask of beaming delight over any and all discomforts she was never to be exhausted complaining or grief stricken True financial rewards for services rendered were of royal proportions some royal mistresses earned up to 200 million in titles pensions jewels and palaces Some kings allowed their mistresses to exercise unlimited political power But for all its grandeur a royal court was a scorpion s nest of insatiable greed unquenchable lust and vicious ambition Hundreds of beautiful women vied to unseat the royal mistress Many would suffer the slings and arrows of negative public opinion some met with tragic ends and were pensioned off to make room for younger women But the royal mistress often had the last laugh as she lived well and richly off the fruits of her sins From the dawn of time power has been a mighty aphrodisiac With diaries personal letters and diplomatic dispatches Eleanor Herman s trailblazing research reveals the dynamics of sex and power rivalry and revenge at the most brilliant courts of Europe Wickedly witty and endlessly entertaining Sex with Kings is a chapter of women s history that has remained unwritten until now

The Kings of Leon: Sex On Fire (New Edition) Michael Heatley,2011-09-06 By any standards the Kings of Leon are unique Consisting of three brothers and their first cousin all surnamed Followill the quartet from a God fearing Tennessee background has conquered the music world on their own terms They have audaciously mixed elements of classic rock with grunge garage and a very contemporary attitude The result is music that has found a ready audience between 15 and 50 It has also been used in several significant movie soundtracks accelerating their rise Their song writing skills have earned the admiration of none other than Bob Dylan himself This first ever full length authoritative biography of the band by Michael Heatley traces their rise from local hopefuls to US Hot Modern Rock chart toppers singles *Sex On Fire* *Use Somebody* and *Notion* all reached Number 1 with the platinum album *Only by the Night* A background and lifestyle that kept them well away from popular music until 1997 when their father sensationally resigned from the church and divorced their mother has produced some fascinating results Exposure to the rock n roll lifestyle led to crises that have had to be resolved as a band and as individuals and *The Kings of Leon Sex On Fire* recounts them all

Sex Lives Kings and Queens Nigel Cawthorne,1999-04-01 *Sex in China* Fang Fu Ruan,Molleen Matsumura,1991-10-31 Ruan The Institute for Advanced Study of Human Sexuality San Francisco the leading authority in his field presents a comprehensive historical survey of Chinese sexology covering ancient texts the latest statistics and mass media reports and his own interviews and correspondence with sexual minorities Annotation copyrighted by Book News Inc Portland OR

Sex in Antiquity Mark Masterson,Nancy Sorkin Rabinowitz,James Robson,2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media *Sex in Antiquity* represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only

provide rich consideration of those areas but also provide a comparative perspective not often found in such collections *Sex in Antiquity* is a major contribution to the field of ancient gender and sexuality studies *The Culture of Sex in Ancient China* Paul R. Goldin, 2001-10-31 The subject of sex was central to early Chinese thought Discussed openly and seriously as a fundamental topic of human speculation it was an important source of imagery and terminology that informed the classical Chinese conception of social and political relationships This sophisticated and long standing tradition however has been all but neglected by modern historians In *The Culture of Sex in Ancient China* Paul Rakita Goldin addresses central issues in the history of Chinese attitudes toward sex and gender from 500 B C to A D 400 A survey of major pre imperial sources including some of the most revered and influential texts in the Chinese tradition reveals the use of the image of copulation as a metaphor for various human relations such as those between a worshiper and his or her deity or a ruler and his subjects In his examination of early Confucian views of women Goldin notes that while contradictions and ambiguities existed in the articulation of these views women were nevertheless regarded as full participants in the Confucian project of self transformation He goes on to show how assumptions concerning the relationship of sexual behavior to political activity assumptions reinforced by the habitual use of various literary tropes discussed earlier in the book led to increasing attempts to regulate sexual behavior throughout the Han dynasty Following the fall of the Han this ideology was rejected by the aristocracy who continually resisted claims of sovereignty made by impotent emperors in a succession of short lived dynasties Erudite and immensely entertaining this study of intellectual conceptions of sex and sexuality in China will be welcomed by students and scholars of early China and by those with an interest in the comparative development of ancient cultures
