

Sextus Pompeius

**Sara Elise Phang, Iain Spence
Ph.D., Douglas Kelly Ph.D., Peter
Londey Ph.D.**

Sextus Pompeius:

Magnus Pius Kathryn Welch,2012-12-31 Sextus Pompeius Magnus Pius son of Pompey the Great fits uneasily or not at all into the grand narrative of the civil war of 49 31BC Modern scholars tend to exclude him or mention him without asking what or whom he represented Ronald Syme the father of international orthodoxy in this field famously remarked that Sextus was in reality an adventurer who was easily represented as a pirate He was wrong Sextus Pompeius plays havoc with key elements of the accepted narrative His military success destroys the myth of continuous Caesarian victory His commitment to rescuing the victims of Triumviral violence belies claims that only the Caesarian side represented clementia and justice The naval strategy by which he conducted the war demonstrates his commitment to the same cause and ethics as his father and his father's allies Welch argues that far from being a side show or a bit player Sextus Pompeius was integral to the fight for the res publica She solves the problem by placing him at the centre of the story of Rome's transition from Republic to Empire and so reveals a very different landscape that emerges as a result **The Cambridge Ancient History** Alan K.

Bowman,Edward Champlin,Andrew Lintott,1996-02-08 The period described in Volume X of the second edition of *The Cambridge Ancient History* begins in the year after the death of Julius Caesar and ends in the year after the fall of Nero the last of the Julio Claudian emperors Its main theme is the transformation of the political configuration of the state and the establishment of the Roman Empire Chapters 16 supply a political narrative history of the period In chapters 7 12 the institutions of government are described and analysed Chapters 13 14 offer a survey of the Roman world in this period region by region and chapters 15 21 deal with the most important social and cultural developments of the era the city of Rome the structure of society art literature and law Central to the period is the achievement of the first emperor Augustus The

Lives of Cleopatra and Octavia Sarah Fielding,1994 Set in the first century B C the *Lives* presents the stories of two famous women each of whom played an important role in Roman history during the turbulent period of civil war immediately before the Golden Age of Augustus Caesar *Piracy in the Graeco-Roman World* Philip De Souza,2002-07-11 This book is an

innovative historical study of piracy in the Graeco Roman world from the Archaic period to Late Antiquity It explores the conditions which allowed piracy to flourish in the ancient Mediterranean especially the close relationship between warfare and piracy and examines the impact which pirates had upon ancient society Particular attention is paid to the numerous states and rulers who claimed to be actively suppressing piracy for the good of all In many cases these claims turn out to be highly exaggerated ones intended to enhance the prestige of those on whose behalf they were made Surprisingly in view of the prominence of pirates in many works of classical literature this book is the first to offer detailed analysis of the portrayal of piracy by ancient writers including Homer Cicero and the ancient novels taking account of the political social and literary contexts which shaped their accounts **New Perspectives on the Roman Civil Wars of 49-30 BCE** Richard

Westall,Hannah Cornwell,2024-01-25 Offering new and original approaches to the Roman civil wars of 49 30 BCE the eleven

papers presented here for the first time shed light on this crucial moment in the forging of Roman identity They engage with a variety of problems and topics in political discourse diplomacy the concept of *libertas* divine paternity socio economic structures allied rulers military officials civil war finances Agrippa's family material culture the coinage of Julius Caesar the physical remains of Corfinium and literary commemoration Sallust on trauma the lost Histories of Asinius Pollio The case studies presented here contribute to our understanding of a period that is just as fundamental for our view of the Romans as it was to the Romans themselves Arguing for the unity of the period in question the volume deploys a multiplicity of methodologies to analyse how the trauma of armed conflict and the breakdown of accepted socio cultural models not only mediated the contemporary experience of Roman civil war but also left a lasting impression upon how Romans viewed the world Incisive and critical these contributions by a diverse team of international researchers both emerging scholars and leaders in their fields offer a new window into the world of the late Republic and early Principate

Appian's Roman History Kathryn Welch, 2015-08-31 Appian of Alexandria lived in the early to mid second century AD a time when the *pax Romana* flourished His Roman History traced through a series of ethnographic histories the growth of Roman power throughout Italy and the Mediterranean World But Appian also told the story of the civil wars which beset Rome from the time of Tiberius Gracchus to the death of Sextus Pompeius Magnus The standing of his work in modern times is paradoxical Consigned to the third rank by nineteenth century historiographers and poorly served by translators Appian's Roman History profoundly shapes our knowledge of Republican Rome its empire and its internal politics We need to know him better This collection of 15 new papers from a distinguished international team studies both what Appian had to say and how he said it The papers engage in a dialogue about the value of Appian's text as a source of history the relationship between that history and his own times and the impact on his narrative of the author's own opinions most notably that Rome enjoyed divinely ordained good fortune Some authors demonstrate that Appian's text and even his mistakes can yield significant new information others re open the question of Appian's use of source material in the light of recent studies showing him to be far more than a transmitter of other people's work

Reading by Example: Valerius Maximus and the Historiography of Exempla, 2021-10-25 Long regarded as a sycophantic producer of overblown moral platitudes Valerius Maximus emerges from a series of studies as an independent thinker capable of challenging his readers through the material he has collected he makes them think about real moral dilemmas and grants to non Roman societies a remarkable equivalence to Rome Through his silences as much as his sermons he decodes the value and political system of his day Valerius is talented as a reader of others and himself was read appreciatively in the Later Empire and even more so by Christians in Medieval Europe

Using and Conquering the Watery World in Greco-Roman Antiquity Georgia L. Irby, 2021-07-15 This volume considers how Greco Roman authorities manipulated water on the practical technological and political levels Water was controlled and harnessed with legal oversight and civic infrastructure e.g. aqueducts Waterways were improved and made

accessible by harbors canals and lighthouses The Mediterranean Sea and Outer Ocean and numerous rivers were mastered by navigation for warfare exploration settlement maritime trade and the exploitation of marine resources such as fishing These waterways were also a robust source of propaganda on coins public monuments and poetic encomia as governments vied to establish maintain or spread their identities and predominance This first complete study of the ancient scientific and public engagement with water makes a major contribution to classics geography hydrology and the history of science alike In the ancient Mediterranean Basin water was a powerful tool of human endeavor employed for industry trade hunting and fishing and as an element in luxurious aesthetic installations public and private fountains The relationship was complex and pervasive touching on every aspect of human life from mundane acts of collecting water for the household to private and public issues of comfort and health latrines sewers baths to the identity of the state writ large *Conflict in Ancient Greece and Rome* Sara Elise Phang,Iain Spence Ph.D.,Douglas Kelly Ph.D.,Peter Londevy Ph.D.,2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict *Conflict in Ancient Greece and Rome* The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation **Antony and Cleopatra** Colleen McCullough,2013-12-03 In this final novel in the Roman series McCullough turns her attention to the legendary romance of Antony and Cleopatra

Yeah, reviewing a book **Sextus Pompeius** could build up your close connections listings. This is just one of the solutions for you to be successful. As understood, completion does not suggest that you have extraordinary points.

Comprehending as well as arrangement even more than additional will come up with the money for each success. bordering to, the publication as capably as insight of this Sextus Pompeius can be taken as skillfully as picked to act.
