

Sexual Fix

David Evans

Sexual Fix:

Orgasmology Annamarie Jagose, 2012-12-24 In this long awaited work the queer theorist Annamarie Jagose demonstrates that attention to orgasm as an object of queer and feminist thought reveals much about gender agency history and modernity

Authentic Human Sexuality Judith K. Balswick, Jack O. Balswick, 2019-09-03 Informed by sociology psychology and theology this updated edition of an established textbook investigates how human sexuality originates both biologically and socially Laying the groundwork for a normative Christian interpretation of sexuality this work explores what authentic sexuality looks like as well as forms of inauthentic sexuality such as sexual harassment pornography and rape

The Sexual Subject Mandy Merck, 2013-11-05 The Sexual Subject brings together writing on sexuality which has appeared in *Screen* over the past two decades It reflects the journal's continuing engagement with questions of sexuality and signification in the cinema an engagement which has had a profound influence on the development of the academic study of film and on alternative film and video practice The collection opens with Laura Mulvey's classic *Visual Pleasure and Narrative Cinema* with its conjunction of semiotics and psychoanalysis the critical approach which is most closely associated with *Screen*'s rise to international prominence The reader then goes on to explore the particular questions and debates which that conjunction provoked arguments around pornography and the representation of the body questions of the representation of femininity and masculinity of the female spectator and of the social subject Many of the writings in this Reader have become indispensable texts within the study of film The purpose of the Reader is not only to make the articles available to a wider readership and to a new generation but also to pose new conjunctions making connections in one volume between debates and inquiries which spanned two crucial decades of film theory The Sexual Subject is intended not only for all those with a particular interest in film and film theory but for anyone with a serious commitment to cultural theory theories of representation and questions of sexuality and gender

Sexuality Jeffrey Weeks, 2016-09-26 The new edition of *Sexuality* displays the qualities which have made this book a key text for understanding human sexuality Jeffrey Weeks blends deep empirical knowledge with theoretical sophistication and a sensitivity to the politics of sexuality Framing and shaping the analysis is an acute understanding of the world wide changes that are remaking sexuality and gender dramatized by the globalization of sex and the rise and rise of cybersex These changes have opened unprecedented opportunities for sexual interaction and sexual choice but also posed new sexual dangers and anxiety Debates about the regulation and control of sexuality and the intersection of various dimensions of power and domination are contextualised by a sustained argument about the importance of agency in remaking sexual and intimate life above all for women and for LGBTQ people Particular attention is given to the debates about same sex marriage which symbolize the transformations that have taken place These controversies in turn feed into debates about intimate citizenship and human sexual rights in a rapidly changing world

Human Sexuality Ami Rokach, Karishma Patel, 2021-01-22 Human sexuality touches us all and is intended We all either

enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one's self esteem self respect and to relationships with intimate partners Human Sexuality Function Dysfunction Paraphilias and Relationships explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilias and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior **Sexuality** Veronique

Mottier,2008-04-24 What shapes our sexuality Is it a product of our genes or of society culture and politics How have concepts of sexuality and sexual norms changed over time How have feminist theories religion and HIV AIDS affected our attitudes to sex Focusing on the social political and psychological aspects of sexuality this Very Short Introduction examines these questions and many more exploring what shapes our sexuality and how our attitudes to sex have in turn shaped the wider world Revealing how our assumptions about what is normal in sexuality have in reality varied widely across time and place this book tackles the major topics and controversies that still confront us when issues of sex and sexuality are discussed from sex education HIV AIDS and eugenics to religious doctrine gay rights and feminism ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Sexual Sameness**

(Routledge Revivals) Joseph Bristow,2014-03-18 First published in 1992 Sexual Sameness examines the differing textual strategies male and female writers have developed to celebrate homosexuality Examining such writers as E M Forster James Baldwin Sylvia Townsend Warner and Audre Lourde this wide ranging book demonstrates how literature has been one of the few cultural spaces in which sexual outsiders have been able to explore forbidden desires From the humiliating trials of Oscar Wilde to the appalling stigmatisation of people living with AIDS Sexual Sameness reveals the persistent homophobia that has until recently almost completely inhibited our understanding of lesbian and gay writing In opening up homosexual literature to informed and objective methods of reading Sexual Sameness will be of interest to a large lesbian and gay readership as well as to students of gender studies literary studies and the social sciences **Sexual Citizenship** David

Evans,2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities *Feminist Theory* bell hooks,2014-10-03 When *Feminist Theory From Margin to Center* was first published in 1984 it was welcomed and praised by feminist thinkers who wanted a new vision Even so individual readers frequently found the theory unsettling or provocative Today the blueprint for feminist movement presented in the book remains as provocative and relevant as ever Written in hooks s characteristic direct style *Feminist Theory* embodies the hope that feminists can find a common language to spread the word and create a mass global feminist movement **James Joyce and Sexuality** Richard Brown,1985 A highly original exploration of Joyce s engagement with sexual questions
