Sexual Interactions and HIV Risk Mitchell Cohen, Gustavo Guizzardi, Dominique Hausser, Luc Van Campenhoudt, 2003-12-16 This work examines the theories and perspectives involved in the study of sexual risk behaviour and HIV It provides a framework for analysis based on sexual interactions and their social context

Sexual Interactions and HIV Risk Mitchell Cohen, Gustavo Guizzardi, Dominique Hausser, Luc Van Campenhoudt, 2003-12-16 How sexual risk is negotiated between partners is an area of considerable theoretical interest with the dominant models of analysis focusing on individual decisions to engage in sexual behaviour and relying on rational decision making This work based on the findings from work coordinated by the Centre d Etudes Sociologiques in Brussels offers a social critique of the theories and perspectives which have currently been brought to bear in the study of sexual risk behaviour and HIV Leading European researchers offer a conceptual framework for analysis based on sexual interactions and their social context The practical relevance of new perspectives on sexual behaviour in the context of HIV AIDS prevention is also discussed

Sexual Interactions and HIV Risk Mitchell Cohen, Gustavo Guizzardi, Luc Van Campenhoudt, Dominique Hausser, 1997-01-24 This work examines the theories and perspectives involved in the study of sexual risk behaviour and HIV It provides a framework for analysis based on sexual interactions and their social context

The Health Psychology Reader David F Marks, 2002-06-06 The Health Psychology Reader is designed to complement and support the recent textbook Health Psychology Theory Research and Practice by David F Marks Michael Murray Brian Evans and Carla Willig SAGE 2000 It can also be used as a stand alone resource given its didactic nature The Reader explores key topics within the health psychology field with incisive introductions to each section by the Editor and includes a selection of the most important theoretical and empirical published work

Promoting Young People's Sexual Health Roger Ingham, Peter Aggleton, 2006-09-27 Valuable contributions on different aspects of sexual and reproductive health among young people are presented in this book with a focus on developing country contexts Key discussions on issues relating to young people and their sexual activities are brought together in one volume exploring how these issues are affected by the wider contexts in which they live The interdisciplinary team of contributors examine the practical and ideological barriers that inhibit progress in the development of educational and service level improvement of young people s sexual health as well as presenting examples of efforts made to overcome such difficulties Promoting Young People s Sexual Health looks to the future proposing ways forward in terms of policy and legislative changes necessary for long term improvements in young people s sexual health

AIDS in Europe Peter Aggleton, Jean Paul Moatti, Annick Prieur, Theo Sandfort, Yves Souteyrand, 2002-09-09 Major changes in the nature and dynamics of the AIDS epidemic over the last few years are reflected in changing epidemiological trends as well as in the progress made in biomedical research and treatment AIDS in Europe brings together papers from leading social science researchers to look at the opportunities and challenges these changes bring and the different ways in which they are being

responded to in both western and eastern Europe Papers are organised under three headings new challenges for HIV prevention care of people living with HIV AIDS in a new therapeutic context AIDS public policies from specialisation to normalisation AIDS in Europe provides a comprehensive overview of current social and behavioural research on HIV and AIDS for all health professionals

Sex, Mind, and Emotion Winifred Bolton, Janice Hiller, Heather Wood, 2018-04-24 Sex Mind and Emotion is a collection of predominantly clinical papers exploring innovative work in the field The central tenet of the book is that sexual behaviour cannot be divorced from the emotional context in which it occurs or the meaning of that behaviour to the individual and therefore no chapter is about sex without also addressing mind and emotion The book uses a fusion of psychoanalytic systemic and cognitive theories in conjunction with public service practice It deals with important and relevant topics such as the treatment of sex offenders the compulsive use of internet pornography the psychosexual development of adolescents growing up with HIV the psychodynamics of unsafe sex refugees and sexuality services for people with gender dysphoria psychological treatment for survivors of rape and sexual assault and loss of sexual interest

The Politics of Pleasure in Sexuality Education Louisa Allen, Mary Lou Rasmussen, Kathleen Quinlivan, 2013-12-17 Pleasure and desire have been important components of the vision for sexuality education for over 20 years This book argues that there has been a lack of scrutiny over the political motivations that underpin research supportive of pleasure and desire within comprehensive sexuality education In this volume key researchers in the field consider how discourses related to pleasure and desire have been taken up internationally They argue that sexuality education is clearly shaped by specific cultural and political contexts and examine how these contexts have shaped the development of pleasure s inclusion in such programs Via such discussions this volume incites a re configuration of thought regarding sexuality education s approach to pleasure and desire

At the Dawn of the Sexual Revolution Ira L. Reiss, Albert Ellis, 2002 History of the American sexual revolution as depicted through the correspondence between Ira Reiss and Albert Ellis two leading social scientists and pioneers of the revolution

Structural Approaches in Public Health Marni Sommer, Richard Parker, 2013-04-26 A CHOICE Outstanding Academic Title 2014 That health has many social determinants is well established and a myriad range of structural factors social cultural political economic and environmental are now known to impact on population well being Public health practice has started exploring and responding to a range of health related challenges from a structural paradigm including individual and population vulnerability to infection with HIV and AIDS injury prevention obesity and smoking cessation Recognising the inadequacy of public health responses that focus solely on individual behaviour change to improve population health outcomes this text promotes a more holistic approach Discussing the structural factors related to health and well being that are both within and outside of an individual s control it explores what form structural approaches can take the underlying theory of structure as a risk factor and the local realities environments and priorities that public health practitioners need to take into consideration Anchored in empirical evidence the book provides case studies of

innovative and influential interventions from the 100% condom program to urban planning injury prevention and the provision of adequate clean drinking water and sanitation systems and concludes with a section on implementing and evaluating structural public health programs This comprehensive text brings together a selection of internationally recognised authors to provide an overview for students and practitioners working in or concerned with public health around the globe
