Sexual Politics:

Sexual Politics Kate Millett, 2000 Praised and denounced when it was first published in 1970 *Sexual Politics* not only explored history but also became part of it Kate Millett's groundbreaking book fueled feminism's second wave giving voice to the anger of a generation while documenting the inequities neatly packaged in revered works of literature and art of a complacent and unrepentant society *Sexual Politics* laid the foundation for subsequent feminist scholarship by showing how cultural discourse reflects a systematized subjugation and exploitation of women Millett demonstrates in detail how patriarchy's attitudes and systems penetrate literature philosophy psychology and politics Her incendiary work rocked the foundations of the literary canon by castigating time honored classics from D H Lawrence's *Lady Chatterley's Lover* to Norman Mailer's *The Naked and the Dead* for their use of sex to degrade and undermine women A new introduction to this edition draws attention to some of the forms patriarchy has taken recently in consolidating its oppressive and dangerous control

Sexual Politics, Sexual Communities John D'Emilio, 1998-10 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio's new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe

Sexual Politics in Modern Iran Janet Afary, 2009-04-09 Janet Afary is a native of Iran and a leading historian Her work focuses on gender and sexuality and draws on her experience of growing up in Iran and her involvement with Iranian women of different ages and social strata These observations and a wealth of historical documents form the kernel of this book which charts the history of the nation's sexual revolution from the nineteenth century to today What comes across is the extraordinary resilience of the Iranian people who have drawn on a rich social and cultural heritage to defy the repression and hardship of the Islamist state and its predecessors It is this resilience the author concludes which forms the basis of a sexual revolution taking place in Iran today one that is promoting reforms in marriage and family laws and demanding more egalitarian gender and sexual relations

Sexual Politics Kate Millett, 2016-02-16 A sensation upon its publication in 1970 *Sexual Politics* documents the subjugation of women in great literature and art Kate Millett's analysis targets four revered authors D H Lawrence Henry Miller Norman Mailer and Jean Genet and builds a damning profile of literature's patriarchal myths and their extension into psychology philosophy and politics Her eloquence and popular

examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life This new edition features the scholar Catharine A MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism *Sexual Politics* Stephen Brooke, 2011-11-24 Explores the complex relationship between sexuality and socialist politics in Britain arguing that sexuality has been a key though often neglected aspect of party politics in the last century and a half It also explores the relationship between the personal and the political in a wide ranging study of British society *Sexual Politics and Popular Culture* Diane Christine Raymond, 1990 Almost wherever we look depictions of sexuality both subtle and not so subtle are omnipresent Whatever the medium popular culture representations tell us something about ourselves and about the ideologies of which they are symptomatic These essays examine the strategies of power implicit in popular representations of sexuality The authors scholars in fields such as sociology philosophy biology political science history and English literature eschew rigid disciplinary boundaries **A Neutral Being Between the Sexes** Kathleen Nulton Kemmerer, 1998 By contrast in the eighteenth and early nineteenth centuries many women intellectuals who were familiar with Johnson's works considered him a champion of women an able defender in the ongoing debate about female nature and ability that had been going on since the middle ages the querelle des femmes **Black Sexual Politics** Patricia Hill Collins, 2004-08-02 In *Black Sexual Politics* one of America's most influential writers on race and gender explores how images of Black sexuality have been used to maintain the color line and how they threaten to spread a new brand of racism around the world today

Asian American Sexual Politics Rosalind S. Chou, 2012-06-07 *Asian American Sexual Politics* explores the topics of beauty self esteem and sexual attraction among Asian Americans The book draws on sixty in depth interviews to show how constructions of Asian American gender and sexuality tend to reinforce the social and political dominance for whites particularly white males even in the supposed post racial United States Drawing on established scholarship on the intersection of race gender and sexuality *Asian American Sexual Politics* shows how power dynamics shape the lives of young Asian Americans today Asian American women are often constructed as hyper sexual docile bodies while Asian American men are often racially castrated The book's interview excerpts show the range of frames through which Asian Americans approach the world as well as the counter frames they construct In the final chapter author Rosalind S Chou offers strategies for countering racialized and sexualized oppression This provocative book shows how persistent racism affects Asian American body image self esteem and intimate relationships **(Hetero)sexual Politics** Mary Maynard, June Purvis, 1995 Sexuality and sexual politics have been much debated over the last 20 years Feminists in particular have been responsible for politicising the debate pointing out how something that is usually regarded as private and personal is in fact a public and political issue The very title of this book signals the debt owed by feminists to Kate Millett whose pioneering work in the field was first published in 1969 The arguments and debates have moved on since then and heterosexuality in particular can no

longer be taken for granted and must along with other forms of sexuality be explicitly addressed Discussing sexuality in a diverse range of contexts from hetero sensibilities on the Oprah Winfrey show to Women Warriors in the Gulf war Hetero sexual Politics illustrates the diversity and excitement of debates about sexuality in Women s Studies and feminism today and points to new paths for feminist analysis thinking and action
