OF A SEXUALLY
AGGRESSIVE PERSON**

Sexual Aggression

Lindsay M. Orchowski, Alan Berkowitz

Sexual Aggression:

Sexual Aggression Jon A. Shaw, 1999 In recent years society has witnessed more and more reports of violence and abuse related to sexual aggression The increase of sexually aggressive behavior among adolescent offenders is of particular concern and consideration Sexual Aggression explores this phenomenon from the recognition of the development of sexual behavior problems in childhood to the assessment and treatment of both male and female adolescent and adult sex offenders The book is divided into two sections The first section presents an overview of the problem of sexual aggression and the psychological consequences of such acts covering important topics such as childhood sexual development and forms of non normative behavior within the family The issue of sexual harassment of children is examined as well as the short term and long term consequences of sexual abuse and victimization Cultural and ethnic influences are explored as they relate to the response to abuse by the child and family The second section assesses and evaluates sexually aggressive behavior and offers treatment options Both male and female offenders are described as are the determinants of adolescent sexual aggression The final chapters address the complex evaluation of child sex offenders and the therapeutic and pharmacological strategies for treatment A thorough yet accessible approach to the phenomenology and assessment of sexually aggressive behavior Sexual Aggression is especially relevant to psychiatrists psychologists and social workers who treat sexually aggressive adolescents and adults as well as the victims of sexual aggression

Sexual Aggression Donald Hall, 2013-02-01 Rape is an increasingly serious social problem the causes of which are poorly understood and preventative measures are to date ineffective This book provides the reader with theory and research on rapists including adolescents college students and criminals Chapters discuss biological psychological and social causes of rape and investigate recently developed clinical methods which provide hope for decreasing and preventing rape Whilst the empowerment of victims and potential victims of sexual aggression is critically important there is no other type of aggressive sexual act in which the victim is so routinely blamed This volume serves to shift the emphasis away from victim responsibility and so assist in the understanding treatment and prevention of sexually active behaviour It provides a broad insight into family cultural and evolutionary influences affecting rapists and details comprehensive Approaches To Treatment Which Take In Motivational Variables And Allow for follow up

Sexually Aggressive Women Peter B. Anderson, Cindy Struckman-Johnson, 1998-06-22 Working from a range of theoretical perspectives contributors to this text challenge prevailing stereotypes of women as passive or resistant participants in heterosexual interaction and men as initiators or aggressors Like men the book proposes many women are clearly interested in sex and some are sexually aggressive Bringing attention to ethical political and conceptual questions surrounding this area of inquiry the volume offers insights that seek to enhance clinical work and set directions for future research It should be of interest to all scholars and students of psychology sociology human sexuality and gender studies as well as mental health professionals in a range of settings

Theory-based Assessment, Treatment, and Prevention of Sexual Aggression Gordon C.

Nagayama Hall,1996 The books reviews the science based literature on sexual aggression and using the quadripartite model of sexual aggression to provide a framework for causes and possible solutions proposes preventive intervention with potential perpetrators **Pornography and Sexual Aggression** Neil M. Malamuth,2014-06-28 Pornography and Sexual Aggression

The Social Psychology of Aggression Barbara Krahé,2013-02-11 The second edition of this textbook provides a thoroughly revised updated and expanded overview of social psychological research on aggression The first part of the book covers the definition and measurement of aggression presents major theories and examines the development of aggression It also covers the role of situational factors in eliciting aggression and the impact of using violent media The second part of the book focuses on specific forms and manifestations of aggression It includes chapters on aggression in everyday life sexual aggression and domestic violence against children intimate partners and elders There are two new chapters in this part addressing intergroup aggression and terrorism The concluding chapter explores strategies for reducing and preventing aggression The book will be essential reading for students and researchers in psychology and related disciplines It will also be of interest to practitioners working with aggressive individuals and groups and to policy makers dealing with aggression as a social problem *Engaging Boys and Men in Sexual Assault Prevention* Lindsay M. Orchowski,Alan

Berkowitz,2022-03-18 *Engaging Boys and Men in Sexual Assault Prevention* Theory Research and Practice explores sexual assault prevention programs for boys and men Following an ecosystemic perspective the book examines individual risk and protective factors discusses initiatives to prevent sexual aggression i e bystander intervention programs given their use among men covers programs that specifically seek to engage boys and men in sexual assault prevention presents key risk and protective factors for sexual aggression i e healthy masculinity rape myth acceptance and describes the need and rationale for sexual assault prevention efforts Addresses current challenges and controversies in the field of sexual assault prevention Explores existing individual level workshops and media based interventions that address men s violence against women Reviews the association between traditional masculine norms and sexual violence perpetration Discusses international sexual assault prevention programs that engage boys and men Highlight how aspects of hypermasculinity strongly correlate with sexual aggression Provides an overview of research that examines risk factors for sexual aggression Synthesizes the conceptualization of rape myths current assessments of rape myths and examines how rape myths function as a risk factor for perpetration **Alcohol and Sexual Violence** David DiLillo,Sarah J. Gervais,Dennis E. McChargue,2023-03-25 This

book provides a chronology of the 68th Nebraska Symposium on Motivation which is focused on contemporary research knowledge about sexual violence and alcohol use This book is more specific to dating and intimate partner sexual violence in young adult populations The target audience is researchers prevention agencies and policymakers within academia and military settings Alcohol use has long been recognized as a major contributor to sexual assault with an estimated 50% of sexual assaults in the U S involving drinking by the victim perpetrator or both Beyond the usual harmful effects alcohol

involved assaults are associated with unique sequelae for female victims including increased self blame stigma and greater alcohol use to cope Moreover heavier drinking on the part of the perpetrator is associated with more serious incidents of assault e g involving physical force that result in more severe outcomes for victims The purpose of this Symposium on Motivation is to bring together a group of experts in the areas of alcohol and sexual aggression to articulate the causes consequences and mechanisms of alcohol involved sexual assault Speakers will talk about classic and contemporary research and theories on these issues using cutting edge approaches e g virtual reality neuroscience laboratory based alcohol administration from a variety of perspectives perpetrators victims bystanders Handbook of Sexuality-Related Measures Clive M. Sexual Aggression Introduction

In today's digital age, the availability of Sexual Aggression books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Aggression books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Aggression books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexual Aggression versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Aggression books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Aggression books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Aggression books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Aggression books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Aggression books and manuals for download and embark on your journey of knowledge?
