Sexual Experience Between Men and Boys Parker Rossman,1976 *Sexual Experience Between Men and Boys* Parker Rossman,1985 **Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R. Dynes,2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology Sex and Reason Richard A. Posner,2009-07-01 Sexual drives are rooted in biology but we don t act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today s Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner s rational choice theory surprises explains predicts and totally absorbs

Encyclopedia of Homosexuality Wayne R. Dynes,2016-03-22 First published in 1990 The Encyclopedia of Homosexuality brings together a collection of outstanding articles that were at the time of this book s original publication classic pioneering and recent Together the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond questions of physical sexuality they examine the effects of homophilia and homophobia on literature art religion science law philosophy society and history Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today This volume contains entries from M Z **Understanding and Preventing Online Sexual Exploitation of Children** Ethel Quayle,Kurt M. Ribisl,2013-03-01 Over the last decade there has been dramatically increased interest in the ways that technology has been used in the abuse and exploitation of children due in part to increasing numbers of convictions for child pornography related offenses Opinion swings between those who feel that there is a danger of distorting the threat posed to children by technology and those for whom it appears that the threat has been grossly underestimated Current literature surrounding the debate at times seems to create more questions than answers and what quickly becomes apparent is that the data we have to inform our understanding is partial potentially context specific and at times seemingly contradictory This book broadens our understanding of the complex nature of online sexual exploitation of children and considers the risk that those engaged in Internet related offences pose to children in both the online and offline environments It focuses on cutting edge research and conceptual thinking that views perpetrators within context examines those impacted by such offending describes emerging

legal and policy issues and proposes innovative strategies for prevention within a dynamic global environment Understanding and Preventing Online Sexual Exploitation of Children responds to the growing call for help across all practice areas from judicial to therapeutic and will provide an invaluable resource for practitioners and policy makers working in the field as well as students and academics studying sexual exploitation and cyber crime Queer Readings of the Centurion at Capernaum Christopher B. Zeichmann, 2022-10-28 The first ever monograph on the history of queer biblical interpretation of a controversial biblical passage Since the 1950s homoerotic readings of the pericope in which Jesus heals a Roman centurion's slave have been built upon three of the account's features the specific Greek word pais which can refer to youth slave or the junior partner in a sexual relationship between two men Luke's characterization of the young man as dear entimos to the centurion and commonplace homoeroticism in the Roman army Rather than affirming or denying the historical reality of a sexual relationship between the centurion and the young man Christopher B Zeichmann instead traces the shifting patterns of queer readings of the text and the influences of the sexual political and theological discourses of late twentieth and early twenty first century Europe the United States and Australia Readers will see how distinct political contexts have led interpreters to find very different meanings about the sexual subtexts of this story Abused Boys Mic Hunter, 1991-06-25 A long overdue book by a psychologist who has extensive clinical experience treating male victims of child sexual abuse it explodes the myth that sexual abuse of male children is rare or that the consequences are less serious than for girls Hunter examines the physical and emotional impact of abuse on its victims and the factors affecting recovery With personal case histories of victims and their families this is a powerfully written and meticulously researched book that is a landmark in the field of child sexual abuse literature Queer Youth and Media Cultures Christopher Pullen, 2014-10-05 This collection explores the representation and performance of queer youth in media cultures primarily examining TV film and online new media Specific themes of investigation include the context of queer youth suicide and educational strategies to avert this within online new media and the significance of coming out videos produced online **Feminist Postcolonial Theory** Reina Lewis, Sara Mills, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company
