Young,Anita Y.L. Fok,2005-05-01 Although the ideal of companionate marriage has gradually been established in Hong Kong demographic trends from the 1980s reflect greater marital and family instability In the years to come adult fulfilment is likely to be found in various ways through marriage divorce remarriage or the single state Each of these has its own potentials tensions and prospects for growth and development Each offers different though viable life styles through which people can develop in adulthood These trends call for a rethinking of marriage and of our expectation that marriage and the family bond will

continue to serve as the relational context of adult living This collection on marital work offers the means to rethink marriage by examining the ways husbands and wives cope with the demands and dilemmas of their relationship from diverse parenting forgiveness coping with childhood abuse infidelity disenchantment and distancing to uncoupling in divorce and re coupling in remarriage Each chapter addresses aspects of these issues with a focus on the recovery reinvention and reconstruction of the self to meet the many challenges arising from the relationship and from life circumstances Don't Bury an Ailing Marriage Don D. Campbell, 2011-06-30 In *Don't Bury an Ailing Marriage* veteran psychologist Dr Don D Campbell goes beyond surface reasons for most relationship problems such as poor communication financial issues or sexual dysfunction to diagnose the underlying causes of marital discord that prevent couples from achieving the happiness and fulfillment they desire and deserve Several ailments and viruses are identified but from among them Dr Campbell identifies the most common and damaging virus of all a fear of closeness He explains how the Fear of Closeness Virus is the underlying root for most symptoms within ailing marriages as well as how to effectively treat it to sustain emotional and physical intimacy through the years The abundant information in the book is delivered with a sense of humor and illustrative stories as well as helpful Prescription Pads a series of exercises at the end of each chapter to help the reader apply the doctor's advice and take proactive steps for positive change Resist the temptation to call the mortician lawyer and prepare for the funeral divorce For virtually any marriage regardless of its current state put the shovel away it's not too late to resuscitate *Grounds for Marriage, Book and Study Guide* Jade G. Stone, 2011-02-17 Your marriage is in crisis and you've read countless books on how to make it work but to no avail You haven't seen sustainable change in your relationship and you're ready to give up hope that counseling will be effective You're weary of striving and you may have even considered having an affair doing violence to yourself or to your partner or indulging in an addiction Perhaps you already have You cannot stomach another false promise or simplistic solution to the complex problems in your marriage and you wonder is there any other way *Grounds for Marriage* speaks into the wreckage of broken covenants with a fresh perspective on relationship refusing to apply flimsy bandages to fractured relationships and insisting that the core brokenness be addressed and genuinely repaired This material helps couples and their counselors to honestly evaluate troubled marriages providing a much needed compassionate sensible hopeful sound and sometimes unexpected understanding of the scriptures and of relationship Synchronizing personal story anecdotes from her work as a Licensed Professional Counselor and a review of literature in psychology and theology Jade G Stone helps couples in crisis to study the scriptures to determine what they say constitutes a marriage covenant recognize how both partners contribute to failure in their marriage heal from old wounds so they can be in covenantal relationship with God and with a covenant companion With no nonsense directness and high definition clarity Stone helps you envision how human covenantal commitments must function in order to mirror intimacy with God She presents the criteria of wholehearted covenant as a measuring stick for relational intimacy grounds for marriage without which you cannot

determine what comprises broken intimacy grounds for divorce From a covenantal relational perspective you can maintain scriptural integrity understanding and wisdom as you evaluate a marriage in crisis Grounds for Marriage includes a study guide to help readers personalize the concepts presented *Sexual Healing in the Confines of Marriage* Anthony Martin,2015-07-01 **The Secrets Men Keep** Stephen Arterburn,2007-11-04 Every man has secrets Whether they are sinful or simply not in your best interest whether you wall them off or stuff them down deep you are not alone But as author Stephen Arterburn warns secrets are also the most dangerous force within a man so finding a way to deal with the unspoken fears and questions that threaten to undo you is among your most important tasks In this book the author of the million selling Every Man s Battle series courageously exposes what nearly 4 000 men like you said they think feel and question about themselves their work their marriage and family their finances and their faith but don t dare to talk about He also affirms again and again that the strength it takes to keep your secrets safe can be redirected to make a better life and a stronger you Throughout these pages Arterburn not only fleshes out each of twenty five secrets but gives perspective on where those secrets come from why they feel so important and how to respond to them to make life love work and leadership easier for you and for everyone who loves you
