Sexual Relation In Christian Thought

Walter A. Elwell

Sexual Relation In Christian Thought:

Sexual Relation in Christian Thought Derrick Sherwin Bailey, 1959 The first complete history of what Christian thinkers since St Paul have had to say about the relations between the sexes jacket **Christianity and Family Law** John Witte, Jr, Gary S. Hauk, 2017-10-12 The Western tradition has always cherished the family as an essential foundation of a just and orderly society and thus accorded it special legal and religious protection Christianity embraced this teaching from the start and many of the basics of Western family law were shaped by the Christian theologies of nature sacrament and covenant This volume introduces readers to the enduring and evolving Christian norms and teachings on betrothals and weddings marriage and divorce women's and children's rights marital property and inheritance and human sexuality and intimate relationships The chapters are authoritatively written but accessible to college and graduate students and scholars as well as clergy and laity While alert to the hot button issues of sexual liberty today the contributing authors let the historical figures speak for themselves about what Christianity has and can contribute to the protection and guidance of our most intimate association **The sexual relationship in Christian thought** Philip Sherrard, 1971 *Embodiment* James B. Nelson, Few would doubt that this is a time of transition in our understanding of human sexuality The confusion about sexual morals and mores is the more obvious evidence of this But there is something else For too long the bulk of Christian reflection about sexuality has asked an essentially one directional question what does Christian faith have to say about our lives as sexual beings **The Oxford Companion to Christian Thought** Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors who hail from twenty countries represent as wide a range of perspectives as possible Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays **Women in the**

Ancient World John Peradotto, John Patrick Sullivan, 1984-01-01 One of the reasons for the study of the Greek and Roman classics is their perpetual relevance In no area can this position be more clearly defended than in the investigation of the feminine condition for it was here that basic attitudes derogatory to the sex were molded by legal and social systems by philosophers and poets and by the thinking of men long since gone Women in the Ancient World brings together essays that examine philosophy social history literature and art and that extend from the early Greek period through the Roman Empire Their wide range of critical perspectives throws new light on the personal political socio economic and cultural position of women

New Dictionary of Christian Ethics & Pastoral Theology David J. Atkinson, David F. Field, Arthur F. Holmes, Oliver O'Donovan, 2013-11-21 Encompassing a wide range of topics from the timely health care and business ethics to the traditional atonement suffering and the kingdom of God this work features an easy to use reference system and eighteen articles that introduce readers to key themes in moral pastoral and practical theology Edited by David J Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O Donovan

Christian Perspectives on Sexuality and Gender Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family

Evangelical Dictionary of Theology (Baker Reference Library) Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics

A History of Christian Thought, from Its Judaic and Hellenistic Origins to Existentialism Paul Tillich, 1972 Professor Tillich analyzes the development of Christian theology
