Royko DR. ROY

Linda Fairstein has written a document of our times. Whether victim or perpetrator, in these times, a woman looking for a role model or a citizen concerned with the criminal justice system, and "Sexual Violence" Linda Fairstein has given us the very essence of history written by the person who made it. —LINDA S. STONE

"This book will stay close to heart with its graphic tales of horror and sexual violence of rape. It also a brilliant story of hours of public hearings that's worth more than books and the justice of a great presentation." —LINDA S. STONE

"There is the struggle more about than most important of women. Fairstein brings it with her experience to this important book, but her wisdom and compassion is with." —LINDA S. STONE

"Sexual Violence is an important work, and ultimately, a reassuring book about the aftermath. Linda Fairstein has done all of us — victims and non — a great service." —LINDA S. STONE

"Linda Fairstein is a central figure of the criminal justice system for twenty years. In writing a compelling and fascinating account of the legal process in the rape cases prosecution and in New York, Fairstein has..." —LINDA S. STONE

"Sexual Violence is a study of the impact of a dedicated, compassionate, and brave woman who offers a message of opening the compelling and important book. Fairstein has brought the Linda Fairstein's to a better." —LINDA S. STONE

Sexual Violence Our War Against Rape:

Sexual Violence Linda A. Fairstein, 1995 The author an assistant district attorney in New York County and the director of the sex crimes prosecution unit describes some cases she s handled For general readers No bibliography Annotation copyright by Book News Inc Portland OR

Just Sex Jodi Gold, Susan Villari, 2000 Armed with three decades of feminism men and women are coming to college with different ideas and expectations about sexual freedom and violence than did their parents Since the early 1980 s a student movement has emerged from the belief that sexual violence is neither inherent nor inevitable Just Sex Students Rewrite the Rules on Sex Violence Equality and Activism chronicles the move to end to all forms of sexual violence and to mold a new sexual paradigm where explicitly consensual sex and sexual autonomy are the norm Based on ten years of collaborative research and national organizing Gold and Villari have compiled the writings of leading student activists and young scholars wrestling with complex issues of power inequities free speech and societal constructions of gender and sexuality in accessible and mainstream dialogues Authors also examine the generationally specific style of student activism which emphasizes peer education and institutional collaboration Just Sex the first ever gathering of primary documents including university policies personal testimonies position papers and scholarly essays offers a glimpse of the working papers of a student movement which has altered the sexual landscape of our campuses and communities forever This valuable volume will be of interest to student activists administrators and anyone interested in ending violence on and off of campus

A Most Detestable Crime Keith Burgess-Jackson, 1999 This collection of original essays by leading philosophers probes the philosophical aspects of rape in all of its manifestations act crime practice and institution Among the issues examined are the nature of rape the wrongfulness and harmfulness of rape the relation of rape to racism sexism classism and other forms of oppression and the legitimacy of various rape law doctrines Each contributor advances a novel argument and seeks to disentangle the conceptual evaluative and empirical issues that arise in connection with the crime This essential reference work is among the first philosophical anthologies devoted exclusively to the subject of rape as complex and interesting intellectually as it is pervasive and disturbing socially

Sexual Assault on the College Campus Martin D. Schwartz, Walter S. DeKeseredy, 1997-01-02 For many students coeducational college campus life is marred by traumatic experiences of sexual assault While there are many social determinants of rape and attempted rape this work examines the pivotal role of male peer support in legitimizing the sexual assault of women The authors use extensive prior studies together with their own investigations including a national representative study and local campus victimization surveys carried out in the United States and Canada

The Munchausen Complex Richard L. Matteoli, 2011-03 First Conquer Thyself Socialization of violence and abuse is often highly structured through the Munchausen Complex Munchausen Syndrome occurs when an individual harms themselves for attention and self glorification Munchausen Syndrome by Proxy is when an individual harms another usually under their care Attention and self glorification are achieved

through their victim's subsequent medical treatment Munchausen Syndrome by Proxy is a crime with a victim Violence and abuse are often common in families passed down from one generation to the next and may be termed Transgenerational Munchausen Syndrome as these families expand and their habits are introduced into society Munchausen Syndrome in Collective Transmission occurs when such practices become an acceptable part of society often eventuating into full acculturation In this way societies attach themselves to self glorification with various explanations of justification A Mandated Report is required to be filed by health care legal social service and educational professionals who suspect child abuse as well as developers of film As socialized beings we are often unaware why we think what we think and why we do what we do Exploring beneath the surface we may discover we are not who we imagine we are Are our subtle perversions and aberrations so different from those of the ancients or other cultures we label primitive The author was under military orders not to discuss the subjects presented in this part's Mandated Report on child abuse to the social body for the last six years of his U S Navy career Censorship is strong when one questions social norms folkways and rituals that address issues of identity Internal interpersonal and professional conflicts arise

Confronting Rape and Sexual Assault Mary E. Odem, Jody Clay-Warner, 1998 Examines the issue of sexual violence from various perspectives including sociology criminology anthropology public health and women's studies This collection analyzes social and institutional factors that contribute to their occurrence and provides strategies for prevention and change

Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

High-Profile Crimes Lynn S. Chancer, 2010-02-15 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In *High Profile Crimes* Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s *High Profile Crimes* shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either/or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer's discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault

cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades **Timelines of American Women's History** Sue Heinemann,1996 Spanning five hundred years of American history this definitive reference provides an incisive look at the contributions that women have made to the social cultural political economic and scientific development of the United States Original Women's Issues for a New Generation Gail Ukockis,2016-05-13 This introductory text on women s issues includes both U S and global issues thus motivating students to see the bigger picture Written in an engaging style that stresses compelling stories over dry facts this book will stimulate class discussion Including men in the discussion of gender equality is also emphasized
